**Quick Answers to Tough Questions**

Bryan Osborne, Bodie Hodge, 2017-06-23 Today the faith of Christians is being undermined daily A relentless stream of secular attacks from supposedly solid science has put many Christians on the defensive Whether the argument is about evolution history or theology every believer must be able to provide an answer for the hope that is within them But you don't have to be an expert to respond effectively when confronted about your faith Quick Answers to Tough Questions gives you quick and concise answers to the tough questions that are often posed to believers regarding Creation and evolution Age of

the earth and Noah's Ark, death and suffering, origin of life and missing links. Biblical history and a biblical worldview help us to understand the past, present and future. Too many believers have fallen victim to those who say that the Bible's history is false or that science has disproved it. Equip yourself to address the skeptical questions and comments of believers and unbelievers alike and successfully stand strong in your defense of the inerrancy and truth of God's Word. *Hard Questions, Real Answers* William Lane Craig, 2003-10-17. Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers and even Christians are often troubled by questions about suffering, doubt, failure and unanswered prayer. Yet careful, compassionate answers are hard to find in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In *Hard Questions, Real Answers* William Lane Craig doesn't offer trite phrases or pat answers; he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope: God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues. **Hard Questions People Ask about the Christian Faith** Case Van Kempen, 2002. People checking out Christianity for the first time come with lots of hard questions. The challenge for believers is to listen well and to respond with care. This book, written for people who have little knowledge of the Christian faith, gives clear, thoughtful answers firmly rooted in Scripture.
