Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner. In the Gospels Jesus asks many more questions than he answers. To be precise Jesus asks 307 questions. He is asked 183 of which he only answers 3. Asking questions was central to Jesus' life and teachings. In fact for every question he answers directly he asks literally a hundred. Jesus is the Question. He considers the questions Jesus asks, what they tell us about Jesus and more important what our responses might say about what it means to follow Him. Through Jesus' questions he modeled the struggle, the wondering, the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves, our process and ultimately why questions are among Jesus' most profound gifts for a life of faith. A game changer of a book.

**The Bible Of Bible Questions** Shelton Roseboro, 2018-01-19

The Bible of Bible Questions is a consolidation of all of the questions asked in the Holy Bible from the very first which appears in Genesis 3:1 to the very last question which appears in Revelation 17:7. Concerning the more than 3,300 verses recorded in The Bible of Bible Questions the reader will be able to accurately total the number of questions that appear in the Holy Bible whether by chapter, by book or by major division. Imagine being able to determine who asked the most questions in the Bible or what the longest worded question asked in the Bible is and who asked such a lengthy question and why. How many questions did Jesus ask in the scriptures? For what reason did Jesus at the age of twelve and at the age of thirty respond with similar questions when sought? Did you know that the first question in Genesis 3:1 and the last question in Revelation 17:7 are directly related though one occurred on earth and the other in heaven? Amazingly enough the answers to mankind's most elusive questions concerning God, Jesus, the Holy Ghost, creation, life, death, Satan, the grave and eternity can all be found in The Bible of Bible Questions. As The Bible of Bible Questions is studied one will arrive at some marvelous and wondrous revelations as of yet hidden and would continue to be so if not for this unquestionably timely book.

The Questions of Jesus John Dear, 2007-12-18

This illuminating examination of the Gospels reveals how the questions Jesus asks of his followers lead the way to a deeper understanding of the meaning of life and the mystery of God. The Gospels are filled with stories, parables, miracles, commandments and dramatic incidents that trace Jesus' life and recount his teachings. A close reading of the Gospels reveals however that they are also filled with questions. As John Dear points out in this remarkable book Jesus like any great teacher and rabbi has a question for everyone he meets for every occasion for every experience for every potential disciple. Dear uses these questions as a starting point an invitation to readers to discover the lessons they contain by searching their own hearts and minds for answers. Throughout The Questions of Jesus Dear interweaves insights from ethical and religious teachers ranging from Buddha to Gandhi to Martin Luther King Jr. Using recent events as powerful and poignant examples he shows why a renewed commitment to Jesus' message of nonviolence, compassion, justice and peace is essential to healing a world torn by violence and war.
