The First Apartment Book Kyle Schuneman, Heather Summerville, 2012 In The First Apartment Book Kyle shares brilliant design ideas and thirty simple DIY projects that show how anyone can infuse a first home with personality whether you're renting moving in with a roommate or significant other for the first time or are a newly minted owner eager to put your stamp on your place The First Apartment Book is both a tour of amazing photographs from ten real homes across the country and a hardworking resource of great ideas Kyle explains how

each of the featured apartments achieves the perfect balance between cool design and the homeowner's lifestyle with a sprinkling of influences from the resident's city thrown in. Kyle scours flea markets for functional pieces with personality and incorporates Pollock inspired art and touches of taxicab yellow to make a small studio in New York City function as four different yet coherent rooms. Graffiti like dip dye curtains and a skateboard table reflect a Seattle renter's hip sensibility. In Cleveland Kyle creates a modern preppy space for a plaid loving local using subdued colors and careful pattern mixing. A couple's salon style hanging of rock posters in Nashville feels utterly unique and Kyle's clever ideas for storing to store their musical instruments keep the duo sane. Short on time and long on style the thirty DIY projects include no sew pillows, yarn wrapped picture frames and a dresser update using a little glue and fabric. Full of bold vibrant photos and hundreds of big ideas for small spaces *The First Apartment Book* proves that no matter what your landlord, your floor plan or your wallet says there are no limits on how cool your first apartment can be. *Our Homes and Gardens* ,1928 Collier's ,1906
