Rediscovering Prophecy A New Song For A New Kingdom:

Rediscovering Prophecy Ronald Barclay Allen, 1983 **More Precious Than Gold** Sam Storms, 2009-02-04 In his third book of daily meditations Sam Storms urges readers to not just enter into God's Word but to take the next step toward knowing him and his Word better And the book of Psalms Storms believes is a great place to start because Psalms is so popular and so very relevant to our experiences today In **More Precious Than Gold** Storms combines years of life experience and his biblical and theological training to bring readers 50 brief daily meditations that are both stylistically accessible and theologically substantive Each meditation includes a historical or theological reflection on the psalm in context a story that brings it alive and creative tools to support the key idea Storms also interweaves the words of such luminaries as Charles Spurgeon Jonathan Edwards and John Piper to help readers better understand the concepts that are featured throughout Psalms worship prayer joy forgiveness steadfast love mercy sin's consequences the law of the Lord and our relationship with our enemies Like the Psalter Storms doesn't shy away from the tough issues Instead he encourages readers to experience through these daily meditations what he and generations of Christians have found to be true that the whole of the Christian faith is about lifting God higher and magnifying his name even during difficult times **Elenchus of Biblica**, 1990 A Case for Premillennialism Donald K. Campbell, Jeffrey L. Townsend, 1992 Premillennialism is not a fundamental doctrine of evangelical faith For example the Bible certainly does not set it forth in the same unequivocal terms or give it the same central position that the deity of Christ the vicarious atonement or the second coming have Yet to many evangelicals premillennialism is not merely what the Bible teaches on some minor point It has a special significance of its own among the loci of Christian faith This view has increased immensely during the last century The cause of this relatively sudden shift toward premillennialism has never been adequately explained Several factors certainly influenced it such as the vastly increased depth of Bible study the hermeneutical shift in churchly interpretation with its emphasis on the natural meaning of a passage in the context of the history and culture in which it was first given and modern studies of the early church which seem to show it was not really amillennial but premillennial This book seeks to set forth in comprehensive fashion the biblical basis for premillennialism and its significance for evangelical faith **Paperbound Books in Print**, 1992 **American Book Publishing Record**, 2002 **Books in Print**, 1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers **Forbidden Texts on the Western Frontier: The Christian Apocrypha in North American Perspectives** Tony Burke, 2015-07-27 North American study of the Christian Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer's theory on the development of early Christianity The papers in this volume presented in September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics

covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of the historical Jesus Forbidden Texts on the Western Frontier demonstrates the depth and breadth of Christian Apocrypha studies in North America and offers a glimpse at the achievements that lie ahead in the field

The World, the Flesh, and the Devil Deluxe Edition (3 Books in 1) Roderick Levi Evans, 2011-01-13 The World The Flesh and The Devil provides guidelines for overcoming the three battlegrounds every Christian faces the world the flesh and the devil Learn how you can walk in the power of God Discover how you too can live victoriously in Christ

With Uplifted Head Al Machiela, Dan Liroy, 2007-10-01 With Uplifted Head Preaching Hope is a book that exalts Christ by giving insight into the biblical teaching about hope The book also shows interested readers how to preach in a way that will foster hope among members of their congregations Because the book is designed for both pastors and lay church leaders it does more than just present a theological understanding of biblical hope It also has plenty of suggestions for preaching hope directly and indirectly The authors maintain that only biblical hope focused on the resurrection and affirmed by the renewing Holy Spirit can change believers internally and create anticipation for a future in the presence of the living God
