Rediscovering The Teaching Of Jesus:

Rediscovering the Teaching of Jesus Norman Perrin, 1967 Addresses particularly the problem of method in life of Jesus research

The Jesus You Really Didn't Know Andy Angel, 2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us

A History of the Quests for the Historical Jesus, Volume 2 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

Engaging the New Testament (paper edition) Russell Pregeant, 1997-06-01 In addition to lucid introductions to each of the New Testament writings this book offers a comprehensive survey of approaches to biblical studies historical and cultural backgrounds the historical Jesus the rise of the resurrection faith and attention to extracanonical materials 63 illustrations 3 charts 6 maps

Conflict, Holiness, and Politics in the Teachings of Jesus Marcus Borg, 1998-06-01 Originally published in 1984 this extraordinary work has until now been available only in an expensive library edition The present edition has been completely updated and redesigned and includes an extended new introduction by Marcus Borg that relates the book's central

arguments to subsequent Jesus scholarship A foreword by N T Wright characterizes the book as one of the foundational works in the third quest for the historical Jesus In the book Marcus Borg argues that conflict between a politics of holiness and a politics of compassion and their implications for Israel resides at the center of Jesus activity and teaching He emphasizes several features that have since become central to Jesus scholarship the importance of Jesus inclusive meal practice a non apocalyptic paradigm for understanding Jesus and Jesus as a social prophet and boundary breaker Marcus J Borg is Hunderd Distinguished Professor of Religion and Culture in the Philosophy Department at Oregon State University He is the author of nine books including Jesus in Contemporary Scholarship also published by Trinity Press **SCM**
