Reflection In Jamaica:

Reflection--in Jamaica Mary Gaunt,1932 *Reflections on agriculture in Jamaica* Chelston W. D. Brathwaite,2001

The Intimate Empire Gillian Whitlock,2000-02-01 By means of contextualized readings this work argues that autobiographic writing allows an intimate access to processes of colonization and decolonization incorporation and resistance and the formation and reformation of identities which occurs in postcolonial space The book explores the interconnections between race gender autobiography and colonialism and uses a method of reading which looks for connections between very different autobiographical writings to pursue constructions of blackness and whiteness femininity and masculinity and nationality Unlike previous studies of autobiography which focus on a limited Euro American canon the book brings together contemporary and 19th century women s autobiographies and travel writing from Canada the Caribbean Kenya South Africa Australia and New Zealand With emphasis on the reader of autobiography as much as the subject it argues that colonization and resistance are deeply embedded in thinking about the self Reflections on Jamaica Edward Morris Bernstein,1976

Imagining the Tropics Elizabeth S. Manley,Elizabeth Manley,2025 *Imagining the Tropics* is a history of the development of tourism in the Caribbean from the 1910s through the 1970s that focuses on the ways women s labors of hospitality writing and advocacy built the industry and its ubiquitous imagery of tropical island relaxation escape and romance By examining a range of sources engaging an array of women protagonists and looking broadly across multiple Caribbean island states including Jamaica Cuba the Bahamas Barbados the Dominican Republic Haiti Puerto Rico Trinidad and Tobago and the U S and British Virgin Islands it seeks to understand how the region came to be sold as a romantic escape from the troubles of the modern world By putting women at the center of Caribbean tourism history as both its ambassadors and objects of desire it seeks to explain some of the complicated contradictions that plague the business of pleasure but also to point toward ways of building alternative models to its present and past extractive realities

21st Century Revisiting the 1st Decade is a challenge and a reminder lest we forget what ground has been covered in Jamaica's social, political and religious life particularly at the onset of the 21st century. Trawling through public discourse and debates in Jamaica, the book distills and surfaces the main issues that captured the attention of the public: gambling, homosexuality and human sexuality, education, crime, violence, the church and politics, to name a few. Many of the issues that preoccupy us at this time are issues that have been addressed before. It might be of use to familiarise ourselves with the earlier discussion. This book then is a sort of archaeological and socio-historical enterprise designed to aid memory and, if possible, to help us see the progress we have made and avoid reinvention of the wheel.

Contextualizing Jamaica's Relationship with the IMF Christine Clarke, Carol Nelson, 2020-10-05 This ambitious book provides a comprehensive quantitative and qualitative assessment of Jamaica's ties to the International Monetary Fund, focusing on Jamaica's historical relationship with the IMF and reflecting on the domestic and international discourse surrounding the evolution of this relationship. Notably, this volume presents a critical analysis of Jamaica's first engagement with and departure from the IMF and interrogates the political economy of the period. Jamaica's economic experiences are assessed in the context of major global events, including the food price crises of 2007 and the global economic crises of 2008 and 2009. This book also looks at policy implications, and its well-researched analysis will be of great value to practitioners and policymakers as well as academics.

A Descriptive Account of the Island of Jamaica William Beckford,1790 *The luxury travel guide for Jamaica* ,2025-09-25 Jamaica Kincaid's Writings of History Antonia Purk,2023-09-18

Jamaica Kincaid s works consistently explore how colonial history affects contemporary everyday lives Throughout her novels short fiction and non fictional essays Kincaid s texts engage with history through its medial representations which are starkly determined by colonial perspectives This study examines the entanglements of temporalities in current perceptions of the past and how literary text intervenes in historical consciousness With a focus on the media text image and the human body the chapters of this book demonstrate how Kincaid s poetics of impermanence counter colonial representations of history with strategies of ambiguity repetition and redirection Kincaid s texts repeat and revise aspects of colonial history a process that decenters the totality of historical colonial ideology and replaces it with self determined versions of the past through a multiplication of perspectives and voices
