

Towards a theory of organized crime: some preliminary reflections¹

Letizia Paoli

University of Leuven

Published in Georgios A. Antonopoulos, ed., 2016. *Illegal Entrepreneurship, Organized Crime and Social Control: Essays in Honor of Professor Dick Hobbs*. New York: Springer: 3-18.

We owe Dick Hobbs some of the most insightful and lively analyses of professional and organized crime (e.g., 1988; 1995; 2013; Pearson and Hobbs, 2001). In his latest book *Lush Life*, Dick Hobbs (2013) has also magisterially shown how the term “organized crime” has since the 1990s been misused by skillful moral entrepreneurs and politicians to signify the growing popular concern for crime and the increasing insecurity of our late modern societies and to justify far-reaching legal and institutional reforms at both the national and international level.

Given the public concern about organized crime and the vast array of legal and institutional reforms adopted to control it, it is important to reflect upon the determinants of organized crime. Without a better understanding of these determinants and the causal models linking them to the different forms of organized crime, in fact, policy interventions risk selecting unrealistic goals or even obtaining counterproductive results. Yet this avenue has not been systematically pursued. Even though research on organized crime has greatly expanded over the past 25 years, most studies are descriptive, tend to focus on specific phenomena and/or are often circumscribed to single national or even sub-national contexts, reflecting the difficulties of the empirical data collection (see Hobbs and Antonopoulos, 2014, for a review of the research methods used). As a result, comparative research has remained very limited (see Fijnaut and Paoli, 2004 for an isolate case) and no systematic attention has so far been given to the causes of organized crime (for an overview of recent research, see Paoli, 2014).

¹ This chapter is to a large extent based on Paoli (2013) and (2014a).

Reflections On Organized Crime Patterns And Control

Anna Sergi

Reflections On Organized Crime Patterns And Control:

Reflections on Organized Crime Mike Levi, 1991-01-16 This book whose contributors are all major European scholars steps back from the sometimes overblown and over homogenised imagery of organised crime and unpacks its local regional and international variations emphasising the barriers to crime globalisation created by low ambition language contacts and trust Articles on drugs extortion fraud money laundering and their control provide a more sober platform for the understanding of how crimes are organised and might be controlled than is offered in contemporary media and law enforcement debates

Organized Crime Klaus von Lampe, 2015-07-16 *Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance* provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion

Gangs, Drugs and (Dis)Organised Crime Robert McLean, 2019-08-21 Drawing upon unique empirical data based on interviews with high profile ex offenders and experts this book sheds new light on drug markets and gangs in the UK The study shows how traditional methods of tackling gang violence fail to address the intertwined nature of those criminal activities which can overlap with other organised crime spheres McLean sparks new debate on the subject offering solutions and alternatives

Organised Crime Alan Wright, 2013-06-17 This text provides a broadly based introduction to the increasingly important subject of organised crime It explores all facets of organised crime and contains case studies illustrating the growth of organised crime at national international and transnational levels

Chasing the Mafia Anna Sergi, 2022-06-24 The ndrangheta the Calabrian region of Italy s mafia is one of wealthiest and most powerful criminal organizations today It is considered Italy s most powerful mafia it s not only the main object of concern for anti mafia units in Italy but also for joint investigative teams in Europe and beyond Combining autobiography travel ethnography memoir academic rigour and investigative journalism this book provides a global outlook on the ndrangheta taking the reader to small villages and locations in Italy and abroad to Australia Canada United States and Argentina

Ibss: Political Science: 1998 Compiled by the British Library of Political and Economic Science, 2000-02 Renowned for its international coverage and rigorous selection procedures this series provides the most comprehensive and scholarly bibliographic service available in the social sciences Arranged by topic and indexed by author subject and place name each bibliography lists and annotates

the most important works published in its field during the year of 1997 including hard to locate journal articles Each volume also includes a complete list of the periodicals consulted *Handbook of Policing* Tim Newburn, 2012-08-21 This new edition of the Handbook of Policing updates and expands the highly successful first edition and now includes a completely new chapter on policing and forensics It provides a comprehensive but highly readable overview of policing in the UK and is an essential reference point combining the expertise of leading academic experts on policing and policing practitioners themselves *The Disruption of International Organised Crime* Angela Veng Mei Leong, 2016-03-16 Analyzing the structures of transnational organized crime this book considers whether traditional mechanisms and national jurisdictions can tackle this increasing menace Highlighting the strengths and weaknesses in the present methods of control the book discusses the possibilities of developing more effective national and international strategies the creation of non legal mechanisms outside the traditional criminal justice system and the implications of disruption strategies The roles of law enforcement officers tax investigators financial intelligence officers compliance officers lawyers and accountants in enforcing both civil and criminal sanctions on organized crime are also considered *An Introduction to Transnational Criminal Law* Neil Boister, 2012-09-06 States criminalize a wide range of transnational offences such as piracy human trafficking drug trafficking terrorism organized crime and cybercrime This book provides an introduction to this developing area of law setting out what transnational crimes are and how states can establish jurisdiction over them and enforce it

The Oxford Handbook of Organized Crime Letizia Paoli, 2014-09-26 While the success of national and international law enforcement cooperation to suppress organized crime means that stable large scale criminal organizations like the Cosa Nostra or the Japanese Yakuza have seen their power reduced organized crime remains a concern for many governments Economic globalization and the easing of restrictions on exchanges across borders now provide ample opportunity for money making activities in illegal markets Policies designed to stop illegal market flows often shift these activities to new places or create new problems as the U S led war on drugs spread production and trafficking to a number South and Central American countries The Oxford Handbook of Organized Crime provides informed authoritative and comprehensive overviews of these issues and other principal forms of organized crime as well as the type and effectiveness of efforts to prevent and control them Leading scholars from criminology law sociology history and political science discuss the key concepts history and methods of organized crime the major actors and interactions involved in it the markets and activities frequently associated with organized crime and the policies designed to combat it Individual chapters on criminal organizations and specific activities or markets comprise the heart of the volume The chapters on actors provide the history analyze the structure and activities and assess the strength and future prospects of each organization Articles on particular markets address the patterns of activity identify the most affected regions and where possible provide estimated revenues discuss factors promoting the activity and disclose information on the victims and harms caused The Oxford Handbook of Organized Crime delivers a systematic high

quality and truly global approach to the topic and with it a more complete understanding of organized crime in its many forms for researchers government officials and policymakers

Thank you categorically much for downloading **Reflections On Organized Crime Patterns And Control**. Most likely you have knowledge that, people have seen numerous times for their favorite books taking into account this **Reflections On Organized Crime Patterns And Control**, but stop in the works in harmful downloads.

Reflections On Organized Crime Patterns And Control Introduction

In today's digital age, the availability of Reflections On Organized Crime Patterns And Control books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reflections On Organized Crime Patterns And Control books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reflections On Organized Crime Patterns And Control books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reflections On Organized Crime Patterns And Control versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reflections On Organized Crime Patterns And Control books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reflections On Organized Crime Patterns And Control books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reflections On Organized Crime Patterns And Control books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reflections On Organized Crime Patterns And Control books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reflections On Organized Crime Patterns And Control books and manuals for download and embark on your journey of knowledge?

FAQs About Reflections On Organized Crime Patterns And Control Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reflections On Organized Crime Patterns And Control is one of the best book in our library for free trial. We provide copy of Reflections On Organized Crime Patterns And Control in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reflections On Organized Crime Patterns And Control. Where to download Reflections On Organized Crime Patterns And

Control online for free? Are you looking for Reflections On Organized Crime Patterns And Control PDF? This is definitely going to save you time and cash in something you should think about.
