Revelation The Grand Finale Of History:

Revelation John L. Benson,1982 **The Grand Finale of History** John L. Benson,1972 **The 50 Final Events in World History** Robert J. Morgan,2022-04-12 How much do you know about the end of the world In The 50 Final Events in World History beloved and respected pastor Robert J Morgan takes readers on a journey through end times prophecy walking step by step through the end of the world to the dawn of the new kingdom of heaven Heard of worldwide pandemics Weapons of mass destruction flashing through the air Global water and air contamination The nation of Israel restored after 2 000 years encircled by hostile nations and buffered by the nation of Jordan Air evacuations with machines having two wings Threats from Russia and Asia Extremism in Turkey Clamor for globalization Hand implants for commerce and security The gospel penetrating unreached places Violent persecution Cascading wickedness The world falling apart All of this is predicted in the book of Revelation If you find yourself baffled and maybe even a little intimidated by end times and the book of Revelation The 50 Final Events in World History will be a comprehensive yet easy to understand overview of the book of Revelation resource you can turn to again and again helpful tool that translates the events of Revelation both literally and sequentially and guide to interpret present circumstances as well as future events Revelation is the Bible s final words on the world s last days The key is understanding its simple sequence of events one after another clearly laid out the fifty final events in world history This is information we need to know now since we might soon be on the doorstep of event 1 **The Grand Finale** Anton Wessels,2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God s kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus *Origins and Grand Finale* Gary Haitel,2014-05 *Origins and Grand Finale* presents an in depth study of how modern science and astronomy compare to the biblical narrative of the origin of the universe as well as the origin of life Distinguishing between scientific facts and fairy tales as well as biblical facts and poetry author Gary Haitel attempts to build a perfect harmony between science and theology In *Origins and Grand Finale* Haitel is not proposing new scientific theories Instead he merely examines current scientific theories however bizarre they may seem and explains how they relate to the biblical narrative

The second part of this guide focuses primarily on biblical end times and the abuse of political authority In the third part Haitel reflects upon not only the finale of humanity as described in the Bible but also the finale of an individual s physical life here on earth and what to expect after the body returns to the dust of the earth Are we just complex biological accidents or are we immortal spiritual eternal beings Written in a straightforward down to earth fashion Origins and Grand Finale offers a unique opportunity to understand the perfect harmony between science and theology **God's Grand Finale** Jeff

Kinley,2023-06-06 A God Centered Overview of Revelation The Bible s last book is God s final word to mankind and the breathtaking revelation of our Lord Jesus Christ Though this letter describes depravity devils and destruction it also provides an incredible portrait of our almighty God delivering profound insights into who he really is God s Grand Finale examines the 13 characteristics of God that Revelation uniquely and vividly illustrates through its foretelling of earth s last days As you read you will develop a clear overview of end times events experience how God uses the apocalyptic realities of Revelation to reveal himself to you grow in faith as these transformational truths about God deepen your reverence for him When the dust of Revelation settles we behold the Lamb standing and ruling in triumphant sovereign and indescribable glory As God s Grand Finale illuminates how the end times will unfold you ll understand how the narrative arc of Bible prophecy reveals the awe inspiring attributes of God **On Islam** Abraham Kuyper,2018-01-17 At the beginning of the twentieth century famed

theologian Abraham Kuyper toured the Mediterranean world and encountered Islam for the first time Part travelogue part cultural critique On Islam presents a European imperialist seeing firsthand the damage colonialism had caused and the value of a religion he had never truly understood Here Kuyper s doctrine of common grace shines as he displays a nuanced and respectful understanding of the Muslim world Though an ardent Calvinist Kuyper still knew that God s grace is expressed to unbelievers Kuyper saw Islam as a culture and religion with much to offer the West but also as a threat to the gospel of Jesus Christ Here he expresses a balanced view of early twentieth century Islam that demands attention from the majority world today as well Essays by prominent scholars bookend the volume showing the relevance of these teachings in our time

Gulbrandsen,2016-07-22 With so many different and at times conflicting views within multiple Christian denominations it can be a challenge to discern the truth from erroneous teaching The popular mainstream view is that Jesus will soon return to take his children via the Rapture thus sparing them from the suffering that will engulf the world during the tribulation when Satan is fully let loose upon the earth However by laying out a relentlessly researched argument author J E Gulbrandsen invites you to consider a compelling reliable and rigorous exploration of why the commonly held view

based on dispensationalism is not in fact biblically accurate His teaching clearly fall in the ballpark of Partial Preterism In fact the Kingdom of Christ has been already established We see evidence of this today and once we fully apprehend what this means for us as believers our walk with Christ and our work for the Kingdom will be profoundly impacted Instead of fearing the enemy we can walk in confidence and power knowing that Satan is bound This is not a future event it is done Jesus won over Satan on the cross he is now under our feet tied up for a thousand years in the Abyss With so much discouragement and bad news barraging us from every side of this we can be certain things are not getting worse As you will discover in Jesus Delayed they are in fact getting better and better and will continue to do so until Christ finally returns as promised for his victorious bride the Church

Worthy to Escape Adrian Zenz, Marlon L. Sias, Adrien Zenz, 2012-11 A captivating fresh analysis of Bible prophecy that sheds new light on God's eternal truths about the events of the End Times

Finishing History Well, *Hearing John's Voice* M. Eugene Boring, 2019-11-05 This book is written in the conviction that the church is called into being and nourished by the Word of God that comes through Scripture But how can Scripture offer any specific guidance for hearers lives today What are modern readers to make of the dragons and slaughtered lambs in the book of Revelation What are we to make of a man who turns water into wine while comparing himself to bread Can people today know what the Bible says and means The world of the Bible is strange and distant not only in time and space but also in language culture and in its basic assumptions about reality The first task in both pulpit and pew is not to be in too great a hurry to overcome this distance but to acknowledge it and respect it Communication across the gap is the task of the church's preachers and teachers Drawing on his years of teaching and study Gene Boring offers a way of opening the ears of those who take the message of the Bible seriously a message from a world different from our own Beginning with Revelation Gene provides a historically informed and pastorally sensitive reading of the various Johannine voices in the New Testament for contemporary preachers and teachers

The Return of the Kingdom Stephen G. Dempster, 2024-03-19 In this ESBT volume Stephen Dempster traces the themes of kingship and kingdom throughout Scripture illuminating the challenges pain and ultimate hope that the Bible offers The story of God's kingship is ultimately the fulfillment of a promise to defeat sin and death and to establish a world of peace and justice

Michael Craig Campbell, 2005-08-01 Great towers have been destroyed Our nuclear power plants remain vulnerable to attack Many questions trouble the population of the world Did the Bible predict 21st Century terrorism Did World War III begin September 11 2001 Do we live in the chaotic last days described by ancient prophets Are we sufficiently prepared Will good prevail over evil Are the dangers of the last days both physical and spiritual The Bible contains alarming news But all the biblical shock and awe is secondary to learning the purpose of life Coincidences between scripture and current events provide clues to the catastrophic signs that will precede the 1000 year Reign of Christ God's teachings Satanic opposition terrorism prophecies both Bush Administrations nuclear war and fallout terrible disasters the Gulf and Iraq Wars World War III pornography the Abu Ghraib prison scandal are all fitting

together to complete and reveal a great puzzle. Eternal consequences are of great importance. The scriptures counsel how to cope with latter day challenges. Commandments can't be ignored without suffering consequences. Procrastination is a thief. Apathy towards Jesus Christ poisons the eternal soul. So study, ponder, and pray to unlock the secrets of scripture. Then chart your eternal future.

Will Humanity Survive Religion? W. Royce Clark, 2020-06-22. When the human sciences in the West followed the physical sciences in the 18th and 19th centuries with new measurements, methods, and language, the metaphysics of infinity lost its credibility. The response of Western religions was to retrench in a stronger authoritarianism, especially by the last half of the 19th century. While the new human sciences were being extended even to study the history and philosophy of religions, those religions themselves placed more emphasis on their understanding of the Absolute or Unquestionable. That split became a burden both to those who were religious and to those who were not. Here W. Royce Clark argues that humanity's survival may depend on the development of a universal or inclusive ethic in which religions move beyond their Absolutes. Clark poses the sharp challenge: Are religious communities ready to abandon the foundations that until now they have insisted were the only adequate foundation for ethics?
