Shakespeares Romances A Study Of Some Wa

Joseph Rosenblum

Shakespeare's Romances A Study Of Some Wa:

Shakespeare's Romance of the Word Maurice Hunt,1990 This work is a critical study of Pericles Cymbeline The Winter's Tale and The Tempest with a focus on Shakespeare's exploration of language in its destructive potentialities and its redemptive workings *The Cambridge Companion to Shakespeare's Last Plays* Catherine M. S. Alexander,2009-07-16 In this book leading international Shakespeare scholars consider the significant characteristics of Shakespeare's last plays and place them in their Jacobean context *The Definitive Shakespeare Companion* Joseph Rosenblum,2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare's works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare's plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research *Romances* William Shakespeare,1997-04-07 William Shakespeare's last four plays carry us across space and time from classical antiquity to Roman Britain to pagan Sicily to a remote island and they move as well into a wilder geography of the imagination one dominated by the wondrous and fantastical and by reconciliation and renewal Pericles Cymbeline The Winter's Tale and The Tempest are famously fraught with shipwrecks and adventures magic and disguise speaking statues and ethereal spirits tragic deceptions and moving reunions and they number among the most enduringly delightful of Shakespeare's works The texts of the plays authoritatively edited by Sylvan Barnet are supplemented here with textual notes a bibliography a detailed chronology of Shakespeare's life and times and a substantial introduction in which acclaimed scholar Tony Tanner discusses each play individually and in the context of Shakespeare's oeuvre **A Companion to Romance** Corinne Saunders,2008-04-15 Romance is a varied and fluid literary genre notoriously difficult to define This groundbreaking Companion surveys the many permutations of romance throughout the ages Considers the literary and historical development of the romance genre from

its classical origins to the present day Incorporates discussion of the changing readership of romance and of romance's special relation to women readers Comprises 30 essays written by leading authorities on different periods and sub genres Challenges the idea that the appeal of romance is exclusively escapist Draws on a wide range of specific and influential literary examples

A Companion to Shakespeare's Works, Volume IV Richard Dutton, Jean E. Howard, 2008-04-15 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare's poems problem comedies and late plays contains original essays on Troilus and Cressida Measure for Measure All's Well That Ends Well Venus and Adonis The Rape of Lucrece and The Sonnets as well as Pericles The Winter's Tale Cymbeline The Tempest and The Two Noble Kinsmen

The Staging of Romance in Late Shakespeare Christopher J. Cobb, 2007 This book examines Shakespeare's response in his late plays to the challenge of making romance stories believable through theatrical representation and the kind of experience the late plays in performance seek to create for their spectators Taking The Winter's Tale as a case study the book's central chapters demonstrate how Shakespeare tests and transforms the techniques to create the sweeping restorative transformations of individuals and communities that are central to both earlier dramatic romances and Shakespeare's own romance experiments The book's three other chapters address the methodologies for study of spectator's experience through a dramatic text the history of dramatic romance to 1610 and Shakespeare's further experiments with the staging of romance after The Winter's Tale

Shakespeare Kiernan Ryan, 2014-06-11 This is the first collection of criticism on Shakespeare's romances to register the impact of modern literary theory on interpretations of these plays Kiernan Ryan brings together the most important recent essays on Pericles Cymbeline The Winter's Tale and The Tempest the greatest of the last plays staging a dynamic debate between feminist poststructuralist psychoanalytic and new historicist views of the masterpieces Shakespeare wrote at the close of his career The book aims not only to anthologise accounts of the last plays by leading Shakespearean critics including Stephen Greenblatt Janet Adelman Leah Marcus Howard Felperin and Steven Mullaney but also to dramatise what is at stake in the choice of a particular critical approach It allows the student to compare the strengths and limitations of a deconstructive and a feminist reading of the same romance or to test the plausibility of one psychoanalytic angle on the last plays against

another The headnotes that preface the essays highlight their distinctive slants on Shakespearean romance unpack the theoretical assumptions that steer their interpretations and throw into relief the key points at which their authors collide or converge The editor's introduction places the essays in the context of twentieth century criticism of the last plays and makes a powerful case for a fundamental reappraisal of Shakespearean romance The comprehensive fully annotated bibliography provides an unrivalled guide to further reading on all four plays Shakespeare the Playwright Victor L. Cahn,1996-03-30 When Victor Cahn's *Shakespeare the Playwright* was issued in 1991 it was highly recommended for any general public library and for academic collections at all undergraduate levels Choice and viewed as a useful guide for the general reader as well as high school and undergraduate students Library Journal Now Professor Cahn has revised his introduction to make the context of Shakespeare's plays more meaningful to the beginning researcher and to show how the plays have been performed from the 16th century onward In addition the bibliographies for each of the 37 plays have been updated to include the best new research These updates and revisions will enhance the use of this guide for the general reader student and researcher from high school onward Since their first production four centuries ago the plays of William Shakespeare have been the most widely produced popularly acclaimed and critically examined works in the world's literature In this unique book Victor L. Cahn an acclaimed teacher of drama guides the reader scene by scene through each of Shakespeare's thirty seven plays re-creating the freshness and theatrical effect of performance Cahn has based his approach on the assumption that the fundamental appeal of Shakespeare's plays lies in the characters and with clarity and subtlety he focuses on how the implications of the characters actions and the nuances of their language contribute to the plays impact The introduction briefly traces Shakespeare's life and career and explains some of the social and artistic circumstances that influenced his work The plays are grouped by genre Tragedies Histories Comedies and Romances This structure allows Cahn to explore Shakespeare's development in all four dramatic forms as well as to suggest relationships between characters themes and images throughout the works In addition Cahn discusses the plays as reflective of Shakespeare's age particularly the Renaissance concern with the tension between individual rights and social responsibility The text is free from extensive scholarly apparatus but valuable suggestions for further reading follow the analysis of each play and a selected bibliography concludes the volume The comprehensiveness of the book as well as the accessibility and quality of its interpretations make it a valuable resource for courses in Shakespeare drama and British literature and a worthy addition to high school college university and public library reference collections *Shakespeare's Romances* Hallett Smith,1972 *Shakespeare and the Courtly Aesthetic* Gary R. Schmidgall,2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981 **The Winter's Tale: A**

Critical Reader Peter Kirwan, Todd Borlik, 2025-01-23 An international group of scholars reappraise *The Winter's Tale* through a series of research essays covering performance history, critical history and new interpretations. Navigating the play's fluctuating genre conventions, onstage spectacle and leaps across time, scholars consider how eco-materiality, radical hospitality, childhood, gender and critical race studies shape contemporary understandings and staging of a play that defies easy definition. By charting these changing interpretive trends, readers are introduced to a rich body of scholarship which shows how the play can be used to confront the experiences of those marginalized by race, age, gender and nationality to place fresh attention on the economic and material structures that define the dramatic plot of the play. As *The Winter's Tale*'s depictions of patriarchal violence, vulnerability, economic disparity, border crossings and exploitation continue to draw attention, this guide serves as an invaluable resource for scholars, students and audiences alike. Complete with pedagogical tools including resources and strategies for approaching the play in the classroom, this Critical Reader is an essential collection of scholarship on one of Shakespeare's most audacious experiments. *The Greenwood Companion to Shakespeare: The romances and poetry* Joseph Rosenblum, 2005 Provides interpretations of William Shakespeare's plays and poems along with background information, discussions of characters and themes and explications of key passages.

Shakespeare's Rome Robert S. Miola, 2004-06-10 This book studies Shakespeare's changing vision of Rome in the six works where the city serves as a setting. Unlike other scholars' treatment of the subject, Dr Miola offers a coherent analysis of all the major appearances of Rome in the Shakespeare canon. Shakespeare's recurrent and varied treatment of Rome suggests that a close examination of the city's transformations can teach us much about his development as a playwright and the development of his dramatic vision. The book focuses on Shakespeare's changing conception of the Roman city, its people and its ideals. Dr Miola examines the symbolic and topographical features that help define the city. **Inchbald, Hawthorne**

and the Romantic Moral Romance Ben P. Robertson, 2015-10-06 Explores the connections between British and American Romanticism, focusing on the novels of Elizabeth Inchbald (1753-1821) and Nathaniel Hawthorne (1804-1864). This study argues that Inchbald and Hawthorne are representative of a larger British-American cultural confluence during the eighteenth and nineteenth centuries. **Shakespeare's Romances Reconsidered** Carol McGinnis Kay, Henry E. Jacobs, 1978 Excludes Henry VIII.

Shakespeare and the Classical Tradition Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985. Doctoral dissertations will also be included. Each entry will provide a clear and detailed summary of an item's contents. For poems and plays based directly on classical sources like *Antony and Cleopatra* and *The Rape of Lucrece*, virtually all significant scholarly work during the period covered will be annotated. For other works such as *Hamlet*, any scholarship that deals with classical connotations will be annotated. Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics. **Shakespeare Survey** Kenneth

Muir, Jonathan Bate, Michael Dobson, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback

A Midsummer Night's Dream Harold Bloom, Janyce Marson, 2008 A Midsummer Night's Dream's complexities are extraordinary This ethereal fantasy involves four different levels of representation which intermingle but never wholly fuse This invaluable new study guide to one of Shakespeare's greatest plays contains a selection of the best criticism through the centuries about the play Students will benefit from the abundant features included in this volume such as an introduction by Harold Bloom an accessible summary analysis of key passages and more

The Winter's Tale William Shakespeare, 1995 A romantic comedy which offers a challenging mixture of tragic and violent events lyrical love speeches farcical comedy pastoral song and dance and eventually dramatic revelations and reunions
