Shared Fantasy Gary Alan Fine, 1983-12-01 *The Fantasy Role-Playing Game* Daniel Mackay, 2017-08-11 Many of today's hottest selling games both non electronic and electronic focus on such elements as shooting up as many bad guys as one can Duke Nuk em beating the toughest level Mortal Kombat collecting all the cards Pokemon and scoring the most points Tetris Fantasy role playing games Dungeons instead they interact with each other and with the fantasy setting The game is played orally with no game board and although the referee usually has a storyline planned for a game much of the action is impromptu Performance is a major part of role playing and role playing games as a performing art is the subject of this book which attempts to introduce an appreciation for the performance aesthetics of such games The author provides the framework for a critical model useful in understanding the art especially in terms of aesthetics of role playing games The book also serves as a contribution to the beginnings of a body of criticism theory and aesthetics analysis of a mostly unrecognized and newly developing art form There are four parts the cultural structure the extent to which the game relates to outside cultural elements the formal structure or the rules of the game the social structure which encompasses the degree and quality of social interaction among players and the aesthetic structure concerned with the emergence of role playing as an art form

Strictly Fantasy Gerald Nachtwey, 2021-05-12 Role playing games seemed to appear of nowhere in the early 1970s and have been a quiet but steady presence in American culture ever since This new look at the hobby searches for the historical origins of role playing games deep in the imaginative worlds of Western culture It looks at the earliest fantasy stories from the nineteenth and twentieth centuries at the fans both readers and writers who wanted to bring them to life at the Midwestern landscape and the middle class households that were the hobby's birthplace and at the struggle to find meaning and identity amidst cultural conflicts that drove many people into these communities of play This book also addresses race religion gender fandom and the place these games have within American capitalism All the paths of this journey are connected by the very quality that has made fantasy role playing so powerful it binds the limitless imagination into a strict framework of rules Far from being an accidental offshoot of marginalized fan communities role playing games ability to hold contradictions in dynamic creative tension made them a necessary and central product of the twentieth
