Counselling Skills In Social Work Practice Seden, Janet,2005-02-01 In what ways is counselling relevant to contemporary social work How do counselling skills integrate with social work roles and responsibilities This book examines these skills and their applicability drawing from social work and counselling theories and methods using clear practical examples Skills are discussed with reference to social work knowledge and values illustrating how when used competently contextually and sensitively they can appropriately underpin good social work practice Questions and activities for self development are linked to the practices discussed This new edition of Counselling Skills in Social Work Practice has been thoroughly revised to reflect the National Occupational Standards for social work which identify the importance of communication skills and a developmental understanding of people in their social contexts The chapters are linked to the six key roles for social work practice This book builds on the strengths of the first edition as well as addressing the challenges of practice in relevant legislative and policy contexts The book includes Evidence of how the competencies which underpin counselling practice are directly transferable to effective social work practice Practical advice on communication skills Examples of how to build effective working relationships a whole chapter is now devoted to the specific skills required for working within inter agency and multi disciplinary teams This book is key reading on the subject of ethical and effective social work for those teaching studying or practising in the field

Counseling and Psychotherapy with Pentecostal and Charismatic Christians

Geoffrey W. Sutton,2020-09-17 The purpose of this book is to help mental health professionals increase their cultural competence to better serve Pentecostal and Charismatic Christians who are congregants in the world s fastest growing religious movement My focus is twofold First I aim to increase the reader s awareness and knowledge about Christians who live their faith within Pentecostal cultures Second I hope to increase the reader s knowledge about the assessment and treatment of Pentecostal and Charismatic Christians with mental health needs based on a review of research and recommendations from experienced clinicians My approach to assessment and treatment is the commonly held view that best practices are holistic Therefore I will attempt to integrate Pentecostal and Charismatic spirituality with assessment and treatment in ways that respect the spirituality of the person seeking treatment and enhances therapeutic outcomes The first part of the book can help all readers understand people who live into that religion The second part of the book is a practical

and insightful guide to effective helping for psychological difficulties I highly recommend this book to anyone who seeks to understand and help Pentecostals and Charismatics Everett L Worthington Jr Commonwealth Professor Emeritus a well written comprehensive and very helpful guide to understanding and counseling Pentecostal and Charismatic Christians It is a substantial and unique contribution to Christian counseling and also to the field of counseling and psychotherapy I highly recommend it as essential reading for everyone interested or involved in counseling Pentecostal and Charismatic Christians Rev Siang Yang Tan PhD Senior Professor of Psychology Fuller Theological Seminary and author of Counseling and Psychotherapy A Christian Perspective and Shepherding God's People a must read not only for Pentecostal and Charismatic counselors but for anyone in the mental health field Tony Richie D Min Ph D Associate Professor of Theology Pentecostal Theological Seminary Cleveland TN
