Leonard William Shatner,David Fisher,2016-02-16 New York Times Bestseller Leonard Nimoy and William Shatner first crossed paths as actors on the set of The Man from U N C L E Little did they know that their next roles as Spock and Captain Kirk in a new science fiction television series would shape their lives in ways no one could have anticipated In seventy nine television episodes of Star Trek and six feature films they grew to know each other more than most friends could ever imagine Over the course of half a century Shatner and Nimoy saw each other through personal and professional highs and lows In this powerfully emotional book Shatner tells the story of a man who was his friend for five decades recounting anecdotes and untold stories of their lives on and off set as well as gathering stories from others who knew Nimoy well to present a full picture of a rich life As much a biography of Nimoy as a story of their friendship Leonard is a uniquely heartfelt book written by one legendary actor in celebration of another

The Impossible Has Happened Lance Parkin,2016-07-19 A biographer goes in search of Gene Roddenberry creator of the world s most successful science fiction franchise This book reveals how an undistinguished writer of cop shows set out to produce Hornblower in space and ended up with Star Trek an optimistic almost utopian view of humanity s future that has been watched and loved by hundreds of millions of people around the world Along the way Lance Parkin examines some of the great myths and turning points in the franchise s history and Roddenberry s particular contribution to them He looks at the view that the early Star Trek advanced a liberal egalitarian and multi racial agenda charts the various attempts to resuscitate the show during its wilderness years in the 1970s explores Roddenberry s initial early involvement in the movies and spin off Star Trek The Next Generation as well as his later estrangement from both and sheds light on the colorful personal life self mythologizing and strange beliefs of a man who nonetheless gifted popular culture one if its most enduring narratives

Science Fiction and Fantasy Book Review Neil Barron,R. Reginald,2009-11-01 Science Fiction Fantasy Book Review was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year From the older classics to the

newest speculative fiction this was the period when the best and the brightest shined forth their talents SF FBR included reviews by writers in the field by amateur critics and by litterateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed no where else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed Anatomy of Wonder series Robert Reginald was the publisher for twenty five years of Borgo Press and has authored over 110 books of his own

From Sawdust to Stardust Terry Lee Rioux,2005-02-28 In the forty year history of Star Trek none of the television show s actors are more beloved than DeForest Kelley His portrayal of Leonard McCoy the southern physician aboard the Starship Enterprise brought an unaffected humanity to the groundbreaking space frontier series Jackson DeForest Kelley came of age in Depression era Georgia He was raised on the sawdust trail a preacher s kid steeped in his father s literal faith and judgment But De s natural artistic gifts called him to a different way and a visit to California at seventeen showed a bright new world Theater and radio defined his early career but it was a World War II training film he made while serving in the Army Air Corps that led to his first Paramount Studios contract After years of struggle his lean weathered look became well known in notable westerns and television programs such as You Are There and Bonanza But his work on several pilots for writer producer Gene Roddenberry changed his destiny and the course of cultural history This thoroughly researched actor s life is about hard work and luck loyalty and love It is a journey that takes us all from sawdust to stardust

Sad Planets Dominic Pettman,Eugene Thacker,2024-03-28 Everything is sad wrote the Ancient poets But is this sadness merely a human experience projected onto the world or is there a gloom attributable to the world itself Could the universe be forever weeping the tears of things In this series of meditations Dominic Pettman and Eugene Thacker explore some of the key negative affects both eternal and emergent associated with climate change environmental destruction and cosmic solitude In so doing they unearth something so obvious that it has gone largely unnoticed the question of how we should feel about climate change Between the information gathered by planetary sensors and the simple act of breathing the air new unsettling moods are produced for which we currently lack an adequate language Should we feel grief over the loss of our planet Or is the strange feeling of witnessing mass extinction an indicator that the planet was never ours to begin with *Sad Planets* explores this relationship between our all too human melancholia and a more impersonal sorrow nestled in the heart of the cosmic elements Spanning a wide range of topics from the history of cosmology to the existential threat of climate change this book is a reckoning with the limits of human existence and

comprehension As Pettman and Thacker observe never before have we known so much about the planet and the cosmos and yet never before have we felt so estranged from that same planet to say nothing of the stars beyond **Quiller Salamander** Adam Hall,2004-07-11 Quiller is sent deep into the mysterious jungles of Phnom Penh Cambodia to protect the future of Cambodia as United Nations supervised elections approach and there is a fear that Pol Pot will return the Khmer Rouge to power Reprint *The Fifty-Year Mission: The First 25 Years* Edward Gross,Mark A. Altman,2016-06-28 Breathtaking in scope and depth this uncensored oral history is a must read for Star Trek lovers Booklist starred review The original Star Trek series debuted in 1966 and has spawned five TV series spin offs and more than a dozen feature films The Fifty Year Mission is a no holds barred oral history of five decades of Star Trek told by the people who were there Full of behind the scenes detail and surprising revelations it is the unauthorized uncensored and unbelievable true story behind the making of a pop culture phenomenon In their own words hundreds of television and film executives programmers writers creators and cast members unveil the oftentimes shocking story of Star Trek s pioneering vision constant reinvention and ever expanding universe an epic saga that spans from the classic series to the animated show More than just a book for Star Trek fans The Fifty Year Mission is for all fans of pop culture and anyone interested in the nuts and bolts of a television touchstone

Validation of Existence D. J. Blue,2012-11 Validation of Existence is a collection of writings by four different authors covering different aspects of living D J Blue the main author contributes a variety of writings some auto biographical some social commentary Xetteangel makes her debut with a series of poems and free verse Slyme also contributes a few writings of his own S K Black rounds out the guest writer s section with a collection of poems Put them all together and you have a tapestry of life s experiences and emotions expressed in different ways and from different viewpoints the end result being a validation of existence *The History of Trek* James Van Hise,James V. Hise,1991 **To Boldly Go** Nadine Farghaly,Simon Bacon,2017-06-22 In 2016 Star Trek arguably the most popular science fiction franchise of all time turned 50 During that time the original series and its various offshoots have created some of the genre s most iconic characters and reiterated a vision of an egalitarian future where humans no longer discriminate against race gender or sexuality This collection of new essays provides a timely study of how well Star Trek has lived up to its own ideals of inclusivity and equality and how well prepared it is to boldly go with everyone into the next half century **Laser Video Guide** ,1996 The complete laser disc catalog movies music and special interest including karaoke and animation Truth and Rumors Bill Brioux,2007-12-30 When you first heard it you couldn t believe it Jerry Mathers from TV s Leave It To Beaver had been killed in Vietnam Then word came that Abe Vigoda the actor who played the curmudgeonly cop Fish on Barney Miller was dead and that Mikey who would eat anything as the Life Cereal tyke had eaten too many Pop Rocks and exploded Besides exposing us to things we couldn t otherwise believe television can convince us of things that never actually happened But how did these outrageous TV legends get started How did they spread from classrooms to boardrooms across North America and beyond And most

important what do these rumors so quickly transformed into facts and common knowledge reveal about our relationship to reality through the medium of television Put in other words what exactly is it that were doing when were dealing in these fabulous rumors are we chasing after surprising truths or simply more incredible entertainment To take one telling example Jerry Mathers was not actually killed in Vietnam but the basic sense of this lie wasn't far removed from the emotions factually expressed in the two page spread of the faces of the dead in Time magazine In the course of this compelling work which is supplemented with interviews with many of the people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well

Star Trek FAQ Mark Clark, 2012-04-01 *FAQ Star Trek FAQ* tells the complete story of Star Trek from the before the beginning the books films and TV shows that inspired producer Gene Roddenberry to create Star Trek until after the end when the show emerged as a cultural phenomenon in syndication and including dramatic behind the scenes stories e.g. Leonard Nimoy's struggle with alcoholism and actress Grace Lee Whitney's controversial firing often omitted from authorized histories of the program Along with in depth looks at the pre and post Trek careers of the show's iconic leads *Star Trek FAQ* includes profiles of guest stars and redshirt extras alike as well as the many writers technicians and artisans whose efforts enabled Star Trek to take flight The book also explores the show's unprecedented resurgence in the 1970s with chapters devoted to early Star Trek fiction merchandising and the short lived animated series Combining a wealth of fascinating information about every facet of the show's production with original analysis of Star Trek's enduring appeal and cultural influence *Star Trek FAQ* goes where no Star Trek book has gone before

Dead Bang Robert E. Bailey, 2012-03-01 Some secrets age well others tend to fester Art Hardin a private investigator and retired counterintelligence officer is a man of many secrets One of these secrets has fallen into the hands of a local TV muckraker which can cause enough trouble to keep most noir detectives busy for three hundred pages Art's not that lucky Just after Art locks horns with the journalist his wife Wendy takes him to the airport to pick up a young friend returning from a Caribbean vacation Karen Smith deplanes with a fabulous tan a new beau and a suitcase full of money Karen doesn't know about the money but her new Middle Eastern boyfriend does Using a Canadian passport to enter the US he put the money in Karen's suitcase so he wouldn't have to carry it through customs After a donnybrook and a shootout at Karen's house the money disappears Lots of people want it Some of them kidnap Karen some of them set off a bomb at the TV station while Art is on the air with the muckraker After that things get nasty
