Shazira Shazam And The Devil:

Shazira Shazam and the Devil Erica Ducornet, Guy Ducornet, 1970 The old man would not have been so anxious to see the world if he had known that his guide at a terrible price would be the devil **Phosphor in Dreamland** Rikki Ducornet, 1995 An ecological parable set on a Caribbean island in the 17th Century The hero is a clubfooted individual by the name of Phosphor who invents a prototype of the camera to record the island's beauty The project is financed by an unscrupulous patron who intends to exploit it for very non ecological purposes By the author of *The Jade Cabinet* *The Complete Butcher's Tales* Rikki Ducornet, 1999 In the fantastic tradition of Borges Bruno Schulz Angela Carter and H P Lovecraft here are nearly sixty unforgettable stories that ignore the confines of space and time to offer among other times and places a cabinet of curiosities in contemporary Cairo an alchemical ceiling in 18th century Naples the hallucinatory inner worlds of psychotics anthropomorphic planets and an Old West ruled by necromancy This expanded revised edition collects the complete short stories of one of the most imaginative writers of our time *Jade Cabinet* Rikki Ducornet, 2024-10-15 Made speechless by her eccentric father the beautiful Etheria is traded for a piece of precious jade Memory her sister tells her story that of a childhood enlivened by Lewis Carroll and an orangutan named Dr Johnson and envenomed by the pernicious courtship of Radulph Tubbs Queen Victoria's own Dragon of Industry The novel travels from Oxford to Egypt where one million ibis mummies wait to be transformed into fertilizer where Baconfield the architect will cause a pyramid to collapse and where a scorned and bloated hunger artist who speaks in tongues will plot a bloody revenge The fourth element in a tetralogy of novels *Earth The Stain Fire Entering Fire Water The Fountains of Neptune and Air* The Jade Cabinet is both a riveting novel and a reflection on the nature of memory and desire language and power Following the novel is an afterword *Waking to Eden* in which Ducornet reflects on the sources for her writing and on the quartet of novels completed by *The Jade Cabinet* *The Stain* Rikki Ducornet, 1995 In *The Stain* Rikki Ducornet tells the story of a young girl named Charlotte branded with a furry birthmark in the shape of a dancing hare regarded as the mark of Satan Sadistic nuns scatology butchered animals monkish rapists and Satan Kirkus as well as the village exorcist inhabit this bawdy tale of perversion power possession and the rape of innocence Ducornet weaves an intricate design of fantasy and reality at once surreal hilarious and terrifying *The Fountains of Neptune* Rikki Ducornet, 1993-03-01 My sleep began in the spring of 1914 I slept through both World Wars and the tainted calm between It was as if I had been cursed by an evil fairy pricked by an enchanted spinning wheel an impenetrable briar had gripped my mind Thus begins Rikki Ducornet's brilliant lyric novel about Nicolas who as a result of witnessing his mother's murder falls into a decades long coma Awakened in a seaport town in France he reconstructs his past through story telling and myth resulting in an astonishing exploration of memory and imagination *Historical Dictionary of Surrealism* Keith Aspley, 2010-10-17 Organized and strictly disciplined until the death of its leader Andr Breton in 1966 Surrealism was a broad movement that attracted many adherents After Breton's

death its membership entered a state of flux with people constantly being admitted and excluded and the latter often continuing to regard themselves as Surrealists The Surrealist movement was spread over many countries and different art forms including painting sculpture cinema photography music theater and literature P 4 of cover

The A to Z of Fantasy Literature Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
