The Long Labrador Trail Dillon Wallace, 2018-05-09 In the summer of 1903 when Leonidas Hubbard Jr went to Labrador to explore a section of the unknown interior it was my privilege to accompany him as his companion and friend The world has heard of the disastrous ending of our little expedition and how Hubbard fighting bravely and heroically to the last finally succumbed to starvation Before his death I gave him my promise that should I survive I would write and publish the story of the journey In The Lure of The Labrador Wild that pledge was kept to the best of my ability While Hubbard and I were struggling inland over those desolate wastes where life was always uncertain we entered into a compact that in case one of us fall the other would carry to completion the exploratory work that he had planned and begun Providence willed that it should become my duty to fulfil this compact and the following pages are a record of how it was done Not I but Hubbard planned the journey of which this book tells and from him I received the inspiration and with him the training and experience that enabled me to succeed It was his spirit that led me on over the wearisome trails and through the rushing rapids and to him and to his memory belong the credit and the honor of success

The Long Labrador Trail Dillon Wallace, 2014-06-15 With scant scraps of food remaining the three began a desperate struggle against starvation and the rapidly approaching and unforgiving winter as they raced home for their lives In the summer of 1903 Dillon Wallace had the privilege to accompany his friend Leonidas Hubbard Jr to explore a section of the unknown interior of Labrador The expedition had a disastrous ending and Hubbard fighting bravely and heroically to the last finally succumbed to starvation Before Hubbard s death Dillon Wallace gave him his promise that should he survive he would write and publish the story of the journey In The Lure of The Labrador Wild that pledge was kept While Hubbard and Wallace were struggling inland over those desolate wastes where life was always uncertain they entered into a pact that in case one of them fell the other would carry to completion the exploratory work that Hubbard had planned and begun Providence willed that it should become the duty of Dillon Wallace to fulfill this pact You will read the amazing record of this real life story in The Long Labrador Trail

never missed Hubbard so much as at that moment I never felt his loss so keenly as then An almost irresistible impulse seized me to go on into our old trail and hurry to the camp where we had left him that stormy October day and find if he were not after all still there and waiting for me to come back to him **The Long Labrador Trail** Dillon Wallace, 2019-11-29 In *The Long Labrador Trail* Dillon Wallace crafts a captivating narrative that chronicles his arduous journey through the rugged landscapes of Labrador Rich in vivid descriptions and meticulous detail the book embodies a blend of adventure and introspection reflecting the author's romanticized view of the natural world and the challenges of early 20th century exploration Wallace's literary style marked by eloquent prose and a keen sense of observation immerses the reader in the paradox of isolation and camaraderie experienced in the wild while shedding light on the historical context of wilderness travel against the backdrop of burgeoning American wilderness literature Dillon Wallace an accomplished explorer and writer drew upon his extensive experience as a guide and naturalist completing multiple expeditions in stark and often unforgiving terrains His firsthand encounters with the natural environment not only shaped his understanding of survival but also cultivated his appreciation for the indigenous cultures and the untamed beauty of the North Wallace's passion for exploration and keen psychological insights illuminate his desire to communicate the complexities of the human experience in nature making this work profoundly introspective I highly recommend *The Long Labrador Trail* to readers seeking a compelling exploration of adventure literature that celebrates the bond between humanity and the wild Wallace's narrative serves as both a personal memoir and a pivotal reflection on the allure of uncharted territories appealing to both outdoor enthusiasts and those interested in the philosophical aspects of exploration In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
