**The Higgs Years** Gabriel Arsenault, 2025-06-13 Blaine Higgs was the premier of New Brunswick from 2018 to 2024. Leading his Progressive Conservative Party through six years of headline making policy, in September 2024 he called an election, trying and failing to become the first premier since Liberal leader Frank McKenna to win three consecutive terms in that province. *The Higgs Years* analyzes Higgs's premiership particularly in terms of his party's electoral pledge fulfillment record. Contributors portray Higgs as both a unifier and a divider: he successfully reduced New Brunswick's public debt, implemented ambitious governance reforms, and managed the province's response to the COVID-19 pandemic in a bipartisan manner. Yet he also intensified ethnic and linguistic divisions, embraced an executive style of governance, and emphasized wedge issues such as abortion restrictions and gender identity in schools. While Higgs largely avoided divisiveness in critical areas such as housing, health care, and the environment, he was nonetheless known to alternate between being a unifying and a polarizing leader. Drawing on original data from the Polimeter, a nonpartisan tool that measures whether politicians keep the promises they make, *The Higgs Years* raises vital questions about the integrity of the relationship between voters and their government in New Brunswick.

*Black Heart: Darker Side of Life* Arthur Calinao, 2018-01-04 Oh merciful creator, give me strength to live another day, let me not lose faith, preserve me, keep my heart clean. This is a story about a person who is seeking fun because of a marriage gone astray. Samuel, a straight individual, grew up with a wealthy family on the island of Hawaii. He is well educated with a degree in medicine. Upon getting a divorce from his wife of thirteen years, he decided to move to the sunshine state and settled at Palm Beach County.

**Franco's Justice** Julius Ruiz, 2005-07-28 Madrid became one of the key symbols of Republican resistance to General Franco during the Spanish Civil War following the Nationalists' failure to take the city in the winter of 1936-7. Yet despite the defiant cries of *No pasarán*, they did eventually pass on 28 March 1939. This book examines the consequences in Madrid of Franco's unconditional victory in the Spanish Civil War. Using recently available archival material, this study shows how the punishment of the vanquished was based on a cruel irony: Republicans, not the military rebels of July 1936, were held responsible for the fratricidal conflict. Military tribunals handed out sentences for the crime of military rebellion mere passivity towards the Nationalists before 1939 was not only made a civil offence under the Law of Political Responsibilities but could cause dismissal from work, and Freemasons and Communists specifically blamed for the Civil War were criminalized by decree in March 1940. However, contrary to much that has been written on the subject, the post-war Francoist repression was not exterminatory. Genocide did not take place in post-war Madrid. While a minimum of 3113 judicial executions took place between 1939 and 1944, death sentences were largely based on accusations of participation in blood crimes that occurred in Madrid in 1936. Moreover, and unlike most other accounts of the Francoist political violence, this book is concerned with the question of when and why mass repression came to an end. It shows that the sheer numbers of cases opened against

Republican rebels and the use of complex pre war bureaucratic procedures to process them produced a crisis that was only resolved by decisions taken by the Franco regime in 1940 to abandon much of the repressive system By 1944 mass repression had come to an end

**Minority Rule** Ari Berman, 2024-04-23 Voting rights journalist Ari Berman has been detailing threats to our democracy for years and his new book *Minority Rule* is a timely and essential read He expertly shows how Republicans are trying to rig our political system and shares how we can fight back Hillary Clinton on X A riveting account of the decades long effort by reactionary white conservatives to undermine democracy and entrench their power and the movement to stop them The mob that stormed the Capitol on January 6 2021 represented an extreme form of the central danger facing American democracy today a blatant disregard for the will of the majority But this crisis didn't begin or end with Donald Trump's attempt to overturn the 2020 election Through voter suppression election subversion gerrymandering dark money the takeover of the courts and the whitewashing of history reactionary white conservatives have strategically entrenched power in the face of a massive demographic and political shift Ari Berman charts these efforts with sweeping historical research and incisive on the ground reporting chronicling how a wide range of antidemocratic tactics interact with profound structural inequalities in institutions like the Electoral College the Senate and the Supreme Court to threaten the survival of representative government in America The will of the people wrote Thomas Jefferson in 1801 is the only legitimate foundation of any government But that foundation is crumbling Some counter majoritarian measures were deliberately built into the Constitution which was designed in part to benefit a small propertied upper class but they have metastasized to a degree that the Founding Fathers could never have anticipated undermining the very notion of a government of the people by the people and for the people Chilling and revelatory *Minority Rule* exposes the long history of the conflict between white supremacy and multiracial democracy that has reached a fever pitch today while also telling the inspiring story of resistance to these regressive efforts

**Organising care around patients** Naomi Chambers, Jeremy Taylor, 2021-09-07 Organising care around patients is not for the fainthearted Naomi Chambers and Jeremy Taylors have curated twenty five accounts from people who agreed to tell the story of what happened when they or their loved ones came into contact with the NHS The authors defy you not to laugh or cry or hold your breath in disbelief at some point when reading this book In these true and compelling accounts we learn the experiences good and bad of people grappling with birth and death caring for loved ones living with mental illness coping with long term conditions and struggling in older age This book is a call to action aimed at healthcare professionals managers and politicians a manifesto for more patient centred care These stories show the NHS at its very best and also when it falls significantly short Patients or carers currently battling with the system will derive some hope and encouragement and clues about what to expect what to ask for and from whom

**Southern Discomfort** Tena Clark,2018-10-02 Southern Discomfort is a raw thought provoking examination of privilege racism sexism the masks we wear to conform to society s expectations and the journey toward authentic identity Read with Us Caste An Oprah s Book Club Discussion Guide For fans of beloved memoirs like *Educated* and *The Glass Castle* a raw and deeply honest Publishers Weekly starred review true story set in rural Mississippi during the Civil Rights era about a white girl coming of age in a repressive society and the woman who gave her the strength to forge her own path the black nanny who cared for her In her memoir that is a story of love and fury Jackson Clarion Ledger Grammy Award winning songwriter and producer Tena Clark recounts her chaotic childhood in a time fraught with racial and social tension Tena was born in 1953 in a tiny Mississippi town close to the Alabama border where the legacy of slavery and racial injustice still permeated every aspect of life On the outside Tena s childhood looked like a fairytale Her father was one of the richest men in the state her mother was a regal beauty The family lived on a sprawling farm and had the only swimming pool in town Tena was given her first car a royal blue Camaro at twelve But behind closed doors Tena s family life was deeply lonely and dysfunctional By the time she was three her parents marriage had dissolved into a swamp of alcohol rampant infidelity and guns Adding to the turmoil Tena understood from a very young age that she was different from her three older sisters all of whom had been beauty queens and majorettes Tena knew she didn t want to be a majorette she wanted to marry one On Tena s tenth birthday her mother emboldened by alcoholism and enraged by her husband s incessant cheating walked out for good instantly becoming an outcast in their society Tena was left in the care of her nanny Virgie even though she was raising nine of her own children and was not allowed to eat from the family s plates or use their bathroom It was Virgie s acceptance and unconditional love that gave Tena the courage to stand up to her domineering father the faith to believe in her mother s love and the strength to be her true self Combining the spirit of brave coming of age memoirs such as *The Glass Castle* and vivid

evocative Southern fiction like *To Kill a Mockingbird* Southern Discomfort is an unforgettable southern story that sings brightly to the incredible strength of family ties and the great power of love The Atlanta Journal Constitution and is destined to become a new classic

**Dare to Dream** Annette M. Brown, 2016-02-16 The book looks into the lives of the Bible characters Ruth Naomi her mother in law and Boaz Ruth s future husband as they overcome challenging situations and struggle not to allow their hidden hopes and dreams to die without trying to achieve them The characters purposefully searched for conditions of hope in things they saw heard about or perceived to have potential of being beneficial and by accepting wise advice and kindness from other people The book is encouraging for anyone struggling with situations in life that leave them feeling discouraged and forces them to search for conditions of hope and ways to make their hopes and dreams come true by becoming proactive and working on a plan of action Their story is also about relationships in the natural and spiritual sense as demonstrated by the connection between them and a kinsman redeemer who serves to make another person s life restored and complete As one reads through the book he or she gains a sense that more than simply human effort was at work but it was the hand of God orchestrating every detailed move and as a result each character realized and accredited it all to God as being their kinsman redeemer Although Boaz assisted in helping Ruth

s family overcome challenges it was leading them to find a relationship with the true kinsman redeemer Jesus the Messiah So the questions for the reader are What is preventing you to Dare to Dream Why not search for conditions of hope in your situation and make every attempt to fulfill them because without trying your hopes and dreams will die Everyone has hopes and dreams that they hold in their minds and keep silently to themselves Therefore when people apply themselves it becomes possible to move forward to experience at least four types of dreams such as addressed in the chapters Shattered Dreams Working the Dream Rebirth of a Dream and Fulfilled Dreams      **First Love And High Adventure** ,      MY CHINESE ROSE

C. C. Miller, Four months after her husband James Brice has abandoned her leaving her with her fifteen year old daughter Debbie decides to not only serve him divorce papers but to try her luck with the twenty four year old manager at the local restaurant where she frequents Just as she makes her move and breaks the ice her husband finds her and implores her to rethink her decision to end their twenty year marriage Debbie is torn between giving her husband a second chance or freeing herself to chase after something more adventurous something steamier something that sets her soul on fire someone different and that someone is Lee Zhou      **The Ginger Cat Mystery** Robin Forsythe,2015-12-28 The body of John Cornell the well known London Merchant and banker was exhumed early this morning with great secrecy following representations made to the Home Office Everyone was astonished when the beautiful Josephine Rivron rejected the young popular and handsome Frank Cornell and married his elderly wealthy father John instead When John fell ill and died shortly after marrying there were suspicions that the cause wasn't pneumonia but a nasty case of poisoning Then Frank Cornell too was dead shot through the head the weapon vanished This time no one had any doubt it was murder Amateur sleuth Algernon Vereker is drawn to the case by a recurring bout of his old detective fever He packs his Colt automatic and joins Inspector Heather down at Marston Manor to investigate The Ginger Cat Mystery 1935 originally titled Murder at Marston Manor in the USA is a classic country house whodunit stuffed with suspects clues red herrings and dark deeds Not to mention the eponymous feline whose tell tale fur might just help to hang a murderer This new edition the first in over seventy years features an introduction by Curtis Evans Mr Forsythe has contrived an ingenious tale The Times      Nova Margaret Fortune,2015-06-02 36 00 00 The clock activates so suddenly in my mind my head involuntarily jerks a bit to the side The fog vanishes dissipated in an instant as though it never was Memories come slotting into place their edges sharp enough to leave furrows and suddenly I know I know exactly who I am My name is Lia Johansen and I was named for a prisoner of war She lived in the Tiersten Internment Colony for two years and when they negotiated the return of the prisoners I was given her memories and sent back in her place And I am a genetically engineered human bomb Lia Johansen was created for only one purpose to slip onto the strategically placed New Sol Space Station and explode But her mission goes to hell when her clock malfunctions freezing her countdown with just two minutes to go With no Plan B no memories of her past and no identity besides a name stolen from a dead POW Lia has no idea what to do next Her life gets even more complicated when she meets
