

The book cover features an abstract painting with a grid-like structure. The top section is divided into three horizontal bands: a light blue band at the top, a green band in the middle, and a red band at the bottom. The bottom section is divided into three horizontal bands: a green band at the top, a red band in the middle, and a blue band at the bottom. The painting is composed of various shades of green, red, and blue, with some areas appearing more textured or layered than others.

**Upsetting Composition Commonplaces** Ian Barnard, 2014-07-15 In Upsetting Composition Commonplaces Ian Barnard argues that composition still retains the bulk of instructional practices that were used in the decades before poststructuralist theory discredited them While acknowledging that some of the foundational insights of poststructuralist theory can be difficult to translate to the classroom Barnard upends several especially intransigent tenets that continue to influence the teaching of writing and how students are encouraged to understand writing Using six major principles of writing classrooms and textbooks clarity intent voice ethnography audience and objectivity Barnard looks at the implications of poststructuralist theory for pedagogy While suggesting some evocative poststructuralist pedagogical practices the author focuses on diagnosing the fault lines of composition s refusal of poststructuralism rather than on providing solutions in the form of teaching templates Upsetting Composition Commonplaces addresses the need to more effectively engage in poststructuralist concepts in composition in an accessible and engaging voice that will advance the conversation about relations between the theory and teaching of writing
