**Geological Survey Professional Paper** , 1971 *A File of a Life* Christina McKinney, 2018-11-11 Jill navigates her way through life creating her own stories to explain unspoken tragedies and difficult situations that no one will give her explanations for She lives in her own world trapped inside a story that cuts her off not only from everyone else but also from the wall that separates her feelings and thoughts from herself Her Mother s life is interwoven with Jill s at times when they did not know each other yet overlapped briefly until tragedy separated them Jill find s something that changes everything a suitcase in the rafters of her Grandmother s garage covered in layers of dust In it she finds the answers to everything sitting there all along Suddenly the gap that was missing all those years is filled in and Jill doesn t know if it s too late All the lies the stories that her childhood was based on to help her make sense and that provided the foundation for her life are uprooted and dried to dust She feels like a chunk of her life has been handed back to her It all makes sense What no one would tell her before suddenly she knows more about than anyone else *What You See in Clear Water* Geoffrey O'Gara, 2011-04-20 The Wind River runs from the alpine lakes of the Continental Divide through the nestled valleys of the northern Rocky Mountains and out onto high windblown plains More than a century ago in what would become Wyoming the federal government set aside 44 million acres on which to confine the unrelated Shoshone and Arapaho tribes By now the Wind River Reservation

has been reduced to 2 3 million acres but the battle over control of this land and especially the river that runs through it is far from over In this magnificent watershed Geoffrey O Gara a touching wise and penetrating writer according to Edward Hoagland sets a remarkable story that illuminates the larger unfinished struggle for the heart of the West He ranges from the Indian wars to the present day and from the nineteenth century Shoshone chief Washakie to his great grandson now head of the tribal council and he also traces the complex legal struggle over water rights for generations monopolized by white farmers for irrigation that after two decades is still unresolved At the heart of O Gara s account are the citizens of Wind River itself the people on the various sides of the many complex conflicts the tragedy and resilience of the nine thousand Shoshone and Arapaho contending with the depredations of reservation life and the indifference of those who first took their land and have gradually assumed control of their water In all this is a powerful moving story of great relevance and guarded promise of nations with different languages cultures and birthrights still searching for a way to live together **Looking Through**

**the Water** Ginny Karoub , In Looking Through the Water it is the summer of 1973 in Tipton Missouri Cassie Marvin is a very precocious imaginative seven year old whose whole world consists of a few blocks surrounding downtown Tipton Cassie s home life lacks in so many areas A relationship with her mother is almost nonexistent The emotional needs of one The lack of emotions in the other will take you on a journey through childhood fun times and situations that make Cassie mature before her time Beautiful and realistic Looking Through the Water is a vivid depiction of the challenges of love hope and forgiveness we can experience in life Ginny Karoub s poignant novel will touch your heart and inspire you to appreciate the good things in life Along These Highways Rene S. Perez,2012-02-01

Rene Perez has the ability to stop time In fact time stops as soon as you start reading one of his short stories You find yourself transported into the minds and lives of people you thought you didn t know Suddenly they are your best friends They live in Texas Most of them are Hispanic But their problems are universal Like Alfredo driving home from Dallas to Greenton with the body of his friend Frankie Ochoa in the back of his hearse and his son Ramon ready to drive if Alfredo s eyesight fails again Or Joey just back from basic training and ready to ship out with his Marine platoon He s having beers with his best friend J R at Flojo s a bar outside of Greenton run by Liz and Vicente the toughest couple in town Or Benny who drops into Flojo s for the first time in years and finds his one time friend Gumby drinking himself into oblivion Turns out Gumby s luck is even worse than Benny s Or Virginia the schoolteacher who s trying to become better educated in the hope that her son who went to Stanford will come back home to Corpus Christi Or Eric who spent all his money on two flashy wheels for his car and put them both on the passenger side so that they ll impress everyone on the sidewalk as he passes Or Andy who breaks into a home he s always wanted to see from the inside You ll want to know them all And you will count yourself fortunate to have met them Great Lakes Pilot ,1964 In Quest of Indian Folktales Sadhana Naithani,2006-05-21 A rare piece of scholarly detective work Margaret Mills Ohio State University In Quest of Indian Folktales publishes for the first time a collection of northern Indian folktales from the late 19th century

Reputedly the work of William Crooke a well known folklorist and British colonial official the tales were actually collected selected and translated by a certain Pandit Ram Gharib Chaube In 1996 Sadhana Naithani discovered this unpublished collection in the archive of the Folklore Society London Since then she has uncovered the identity of the mysterious Chaube and the details of his collaboration with the famous folklorist In an extensive four chapter introduction Naithani describes Chaube s relationship to Crooke and the essential role he played in Crooke s work as both a native informant and a trained scholar By unearthing the fragmented story of Chaube s life Naithani gives voice to a new identity of an Indian folklore scholar in colonial India The publication of these tales and the discovery of Chaube s role in their collection reveal the complexity of the colonial intellectual world and problematize our own views of folklore in a postcolonial world **Code of**
