Shattered Dreams Frank Hayes, 2019-03-22 In the tradition of *No Country for Old Men* *Shattered Dreams* is a story about the ties that bind us to the land and each other about changing times and about the forces that can tear us apart When he's called to the scene of a burnt out trailer in a remote corner of the southwest Sheriff Virgil Dalton finds a body charred beyond recognition and the telltale signs of a meth lab gone wrong But he also sees enough evidence to convince him there was foul play and before long he and his deputies are searching the vast desert landscape to discover who was behind it When word of another fatality reaches Virgil he learns of a supposedly accidental death that seems like anything but and the pattern emerging tells Virgil he's dealing with a killer who will go to great lengths to cover his tracks With signs pointing to the possible involvement of a local company that is growing by leaps and bounds and changing his beloved landscape faster than he can keep track of Virgil knows he's headed for a high stakes confrontation that will force him to put himself and everything he holds dear at risk Praise for *Death at the Black Bull* Move over Walt Longmire There's a new sheriff in town Virgil Dalton is the kind of character that comes along maybe once a decade a classic Western hero and so much more When you're done with Frank Hayes' stellar debut *Death at the Black Bull* you'll smell the sagebrush in the air and have to clean the dust off your boots An absolute must read for fans of Craig Johnson and Tony Hillerman Reed Farrel Coleman Shamus Award winning author of *The*
