Looking Through a Telescope Linda Bullock,2003 Simple text and photographs describe and illustrate how to use a telescope **Looking Through a Telescope** Linda Bullock,2004-03 For use in schools and libraries only Simple text and photographs describe and illustrate how to use a telescope *The Americana* ,1911 *The Americana* Frederick Converse Beach,George Edwin Rines,1908 **London Labour and the London Poor** Henry Mayhew,1861 **London Labour and the London Poor: The London street-folk; comprising, Street sellers. Street labourers** Henry Mayhew,1861 *London Labour and the London Poor* Mayhew,1861 **The Cinema of Malcolm Lowry** Miguel Mota,Paul Tiessen,2011-11-01 To a remarkable extent the filmscript of *Tender is the Night* which Malcolm Lowry wrote in 1949 50 with the help of Margerie Bonner Lowry is less an adaptation of F Scott Fitzgerald s novel than an extension of Lowry s own fiction As Miguel Mota and Paul Tiessen show Malcolm Lowry s script contains important passages which are really cinematic restatements of parts of Lowry s novel *Lunar Caustic* and of short stories such as *Through the Panama* and *Strange Comfort Afforded by the Profession* The editors note also the many direct and indirect allusions to elements from Lowry s master work *Under the Volcano* 1947 a novel that is regarded by many critics as one of the most cinematic prose works of the twentieth century A close study of the text reveals that Lowry took on the *Tender is the Night* project partly as a means of reopening his *Under the Volcano* narrative of re exploring its plot and problems and its characters and themes and of carrying as far as possible the cinematic style he had begun to examine in that work Lowry s *Tender is the Night* manuscript is important then not only as a completed 455 page text in its own right but also as a text having a direct bearing on Lowry s own reading of *Under the Volcano* and of his sense of artistic direction after that work Indeed the editors consider the significance of the filmscript as a key hitherto almost entirely overlooked to understanding his projected multiple volume work *The Voyage That Never Ends* This scholarly edition of Lowry s script presents 38 passages of varying length from less than one page to over 100 pages in which Lowry writes with a freedom and creativity that lead to a text narratively and stylistically quite separate and distinct from Fitzgerald s original It excludes passages where Lowry adheres more or less slavishly at 37 intervals to Fitzgeralds novel though it provides brief narrative summaries of and comments on those omitted sections Lowry s achievement in his filmscript demonstrates the nature of his life long commitment to and extensive knowledge of the international cinema from the 1910s to the 1950s and also the nature of his view of the novelist s responsibility to participate in the development of film as an art The script also illustrates Lowry s relationship with F Scott Fitzgerald as one in a series of literary kinships and as the editors point out the work becomes a criticism and analysis of both Fitzgerald s novel and of Fitzgerald himself *Harper's New Monthly Magazine* ,1874 *The world of wonders: a record of things wonderful in nature, science and art.
