Lord And Christ The Implications Of Lordship For Faith And Life:

Lord and Christ Ernest C. Reisinger, 1994 **E.W. Kenyon and His Message of Faith** Joe McIntyre, 1997 **Ethics of Decision** George Forell, 2002-10-04 The objective of this short introduction to Christian ethics is to help the reader come to a clearer understanding of the Christian life in our age For this reason Christianity is presented against the background and within the context of other present day efforts to understand the meaning of life Whether he likes it or not man must make decisions He cannot choose not to choose He must find some principle that will enable him to live coherent life an integrating principle that will determine his ethical code *This Is My Story* Paul Beasley-Murray, 2018-06-28 *This Is My Story* is an unusually fascinating account of one man's life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader **The Church in the Power of the Spirit** Jürgen Moltmann, 1993-09-01 This book which in my opinion is Moltmann's best can be recommended on the basis that it contains challenging and creative insights that can be used by the discriminating reader in the service of church renewal Moltmann represents the theology of liberation at its best and those who wish to know more about this theology would do well to study this creative and searching theologian Donald G Bloesch *Christianity Today* Moltmann is perhaps unsurpassed among his contemporaries in keenness of insight and rhetorical power Daniel L Migliore *Theology Today* Moltmann presents a stirring vision which every Christian community could well ponder With a missionary emphasis he seeks to help the reader face the question of the church's identity in the light of the contemporary political economic and social scene *Religious Education* *Voices of Descent* Mark Protsman, 2024-03-25 *Embark on a Journey Through the Shadows of Faith* Prepare your heart and mind for an exploration unlike any other *Voices of Dissent* Exploring the Quiet Death takes you deep into the heart of a theological controversy that has silently divided believers for centuries This compelling tome offers a profound look into antinomianism or easy believism and its quiet yet profound impact on the fabric of faith From the very onset with *The Silent Death Unveiled* you will be guided through a meticulously researched historical overview unveiling the roots of a belief system that promotes faith without accompanying deeds But what makes this doctrine so alluring *The Allure of Easy Believism* chapter seeks to answer precisely that revealing the hidden seductions of this faith perspective As you journey further into this narrative you will discover the longstanding battle between traditional faith pillars and the antinomian stance Delve into chapters like *The Historical Battle* and *The Church's Fight*

Against Antinomianism to witness the unrest and division that this contest of beliefs has stirred throughout history Yet it is within the pages of Scripture's Clear Stance and How Matthew 7:13-14 Destroys Easy Believism that the voice of truth seeks to resonate offering clarity amidst confusion The allure of an effortless path to salvation is dissected revealing a hollow core through chapters such as Dead Saving Faith and Justification Without Sanctification It is a journey to uncover the essence of true conversion leading you to a profound understanding that belief and action must walk hand in hand Transformed Behavior and Total Transformation underscore the undeniable evidence of genuine faith a life utterly changed Voices of Dissent Exploring the Quiet Death is not just a book it is an invitation to explore challenge and ultimately understand the depths of your own faith Will you heed the call Considerations on the Explications of the Doctrine of the Trinity Stephen Nye, 1694 **Lost Truths: How Evangelical Leaders Compromised Faith for Political Agendas** Rhett

Vaughn, 2025-04-14 Uncover the untold story of how evangelical leaders have strayed from their spiritual mission sacrificing biblical principles for worldly influence In Lost Truths you will embark on a revealing journey that exposes the insidious ways political agendas have corrupted the fabric of Christianity Delving into the machinations behind closed doors this book uncovers the web of alliances financial incentives and power struggles that have led to a departure from core biblical teachings Evangelical leaders once revered as guardians of faith have become entangled in a pursuit of power amassing wealth and cozying up to politicians to advance their own agendas The consequences of this compromise are far reaching with devastating impacts on the lives of believers The erosion of trust the spread of misinformation and the undermining of moral authority have cast a shadow over the very essence of the Christian faith This book offers a wake up call challenging readers to confront these uncomfortable truths and hold evangelical leaders accountable for their actions **Christ the**

Significance and Value in the History of Religion Otto Pflieger,2025-07-02 Reprint of the original first published in 1905 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Pauline Theology and Mission Practice* Dean S. Gilliland,1996-08-01 Not since Roland Allen s book in 1912 has there appeared such a thorough study of the Apostle Paul s mission theology and methodology The value of this comprehensive survey writes Harry R Boer in

the foreword lies in part in its grounding in careful expository studies of Paul's ministry as revealed in Acts and in the corpus of the Pauline epistles. Again and again the author illustrates the abiding relevance of Paul's first century insights for missionary thought and practice in the twentieth century. He draws not only on Scripture but also on personal insights and illustrations arising from two decades of missionary service. And he enters into significant dialogue with representative missionary literature of the modern period. The book's five parts cover theology, the sources and nature of Paul's theology and his theological assumptions for mission, conversion, Paul's conversion in Acts, conversion as reality, experience and process, and conversion and the real world, the convert's new life, what its spiritual basis is, and how to live it, the church, its oneness, diversity and contextuality, its leadership, worship, discipline and finance, and the missionary, his or her credentials and ministry. Paul's theology was irresistible because it was energized by a fresh life-changing experience and supported by a new love for all people, writes the author in the introduction. He then elaborates on four characteristics of that theology: it is dynamic, evangelical, pastoral and holistic. The absolute commitment of mind and body, soul and spirit that was Paul's, his love for the Lord Jesus and lost people everywhere, concludes the author in the epilogue, must be the very heart of the church.

A Universal Faith? Peoples, Cultures, Religions, and the Christ Catherine Cornille, Valeer Neckebrouck, 1992. This volume of essays is dedicated to Frank De Graeve, S.J., Professor Emeritus of Missiology and the Comparative Study of Religions at the K.U. Leuven. Throughout a long teaching career in the United States and Belgium, his two main concerns have been the inculturation of Christianity in the various continents and particular contexts and the theological reflection on religious pluralism. The contributions to this collection are therefore centered around these two topics. Valeer Neckebrouck and Catherine Cornille are Frank De Graeve's successors in the fields of Missiology and the Comparative Study of Religions, respectively. Valeer Neckebrouck is the author of *La Tierce: Eglise devant le probleme de la culture* among numerous other works, and Catherine Cornille's *The Guru in Indian Catholicism* has already appeared in this series.
