Joseph Conrad, Lord Jim Joseph Conrad, 2018-08-22 Joseph Conrad's Lord Jim first published in England in 1900 has long been acknowledged as a very difficult book for readers to understand especially on the first read However those who have taken the time to understand the book acknowledge that the effort is worth it Lord Jim which Conrad began as a short sketch grew into a novel that is widely recognized for its modernism its tendency to buck the conventional narrative trends of its day The most obvious technique that Conrad used was a shifting form of narration in which the reader hears a tale first from one narrator then another and finally from several disparate accounts

Lord Jim (Illustrated) Joseph Conrad, 2017-07-14 The novel Lord Jim is recognized as Joseph Conrad's best work But what does the author think Here is a quote from his preface to one of the editions of the novel I have been asked at times whether this was not the book of mine I liked best I am a great foe to favouritism in public life in private life and even in the delicate relationship of an author to his works As a matter of principle

I will have no favourites but I don't go so far as to feel grieved and annoyed by the preference some people give to my Lord Jim. Pretty illustrations provide you with new impressions from reading this legendary story. Illustrated by Andronum.

Lord Jim Joseph Conrad, 2017-12-07 Lord Jim by Joseph Conrad. Lord Jim is a novel by Joseph Conrad originally published as a serial in Blackwood's Magazine from October 1899 to November 1900. An early and primary event in the story is the abandonment of a passenger ship in distress by its crew, including a young British seaman named Jim. He is publicly censured for this action, and the novel follows his later attempts at coming to terms with himself and his past. When this novel first appeared in book form, a notion got about that it had been bolted away with. Some reviewers maintained that the work, starting as a short story, had got beyond the writer's control. One or two discovered internal evidence of the fact which seemed to amuse them. They pointed out the limitations of the narrative form. They argued that no man could have been expected to talk all that time, and other men to listen so long. It was not, they said, very credible. After thinking it over for something like sixteen years, I am not so sure about that. Men have been known both in the tropics and in the temperate zone to sit up half the night swapping yarns. This, however, is but one yarn, yet with interruptions affording some measure of relief, and in regard to the listeners' endurance, the postulate must be accepted that the story was interesting. Joseph Conrad, 2020-03-04 Jim, a young British seaman, becomes first mate on the Patna, a ship full of pilgrims travelling to Mecca for the hajj. When the ship starts rapidly taking on water and disaster seems imminent, Jim joins his captain and other crew members in abandoning the ship and its passengers. A few days later they are picked up by a British ship. However, the Patna and its passengers are later also saved, and the reprehensible actions of the crew are exposed. The other participants evade the judicial court of inquiry, leaving Jim to the court alone. He is publicly censured for this action, and the novel follows his later attempts at coming to terms with his past. The novel is counted as one of the 100 best books of the 20th century. *Lord Jim* Joseph Conrad, 2015-08-02 This classic novel by the great Polish-English author Joseph Conrad has been specially edited and formatted by Bishopston Publications in 10-point Book Antiqua for optimum reading pleasure. *Lord Jim* Joseph Conrad, 1981 A young Englishman branded as a coward seeks personal redemption for an act of selfishness. **Lord Jim Annotated Book** Joseph Conrad, 2020-07-07 We are introduced to Jim later. Lord Jim, at a time when he was working as a water clerk for a ship chandler firm in the Far East. It was menial work, but Jim seemed fairly happy, and everyone liked him. They knew him simply as Jim. Yet as the plot unfolds with Conrad's skillful analysis of Jim's character, we gradually realize that Jim was not merely Jim; he was one of us. Jim was born and raised in an English parson's home, and when he was still a young lad, he decided to make the sea his career; thus, he enrolled on a training ship for officers of the merchant marine. He did well and advanced to third place in navigation. While still aboard the training ship, he met his first test of courage. But during that test of courage, Jim held back in fear when he was called upon to assist a vessel injured in a fierce storm. Afterward, he justified himself and rationalized that he was not really afraid; he was simply waiting for a challenge that would

be equal to his heroism Next time he would be heroic He was convinced that he would have another chance Sometime later an injury from a falling spar put Jim in the hospital and after recovering he shipped out as first mate on the Patna an old iron tramp steamer bound for holy places with 800 Moslem religious pilgrims The other four officers of the Patna were riff raff Accordingly Jim held himself aloof from them
