Being a Particular Account of All the Martyrs of the Old and New Testaments, and the Ten Great Persecutions Under the Roman Emperors, with the Persecutions Exercised by the Papists in England and Other Parts of Europe. [With Illustrations Including a Portrait.]* John Foxe, 1803      **Fox's Original and Complete Book of Martyrs ... A new edition. Now carefully revised, corrected, and improved, by a Minister of the Gospel i.e. P. Wright ... Embellished with near 300 elegant engravings** John Foxe, 1811      *God's Stepchildren* Sarah Gertrude Millin, 1924      Letters Received by the East India Company from Its Servants in the East East India Company, 1899      The Inventor of Nothing Thejendra Sreenivas, GOD the mere mention of this word evokes feelings like awe respect happiness trust cynicism mystery and even terror in the hearts of many mortals But almost everyone thinks it s fabulous to be a God This is because we earthlings grow up with spellbinding stories of his great miracles benevolence magical powers etc Every believer vehemently argues that God has infinite power unlimited wealth and can do anything After all if one has such supreme powers and immortality it must be a breeze to do just about anything But is it so Is being a God such a fascinating job If he is such a superstar then why is he not solving all the world s problems and chaos Why are the bad winning and the good losing Why is he always sitting quietly and never responding to our pitiful cries What is preventing him from solving the world s mess Why don t we experience any great divine stuff in our daily lives Why is he not bothered by hotshot rationalists scientists and atheists who go high pitched with their tiresome prattle on why God should be viciously attacked and banned Our heated questions like these can be endless However all of our sophisticated questions and arguments are one sided because we never get to hear his side of the story Now imagine meeting a candid tech savvy God who explains his supreme difficulties and dilemmas in running our complex universe What if he told you why he does what he does Wouldn t that be exciting In this highly unconventional book a bored writer accidentally meets a jovial God and engages in a wild no holds barred conversation Starting with a casual chat and interspersed with friendly fights illogical answers and harebrained comparisons the discussion soon enters a feverish pitch and God argues that the earth cannot be managed any better than what he is currently doing and that he is neither an angel nor a bad guy after all Filled with believable lies timeless wisdom

and hard hitting answers this fascinating book explains why God's actions don't fit human logic and rationality regardless of the religion humans follow why the earth is already perfect in an imperfect way why he indulges in Machiavellian methods why he has no hesitation in crushing business giants and helping individuals and why he loves atheists despite what they do etc in a funny serious and thought provoking way This book will completely change the way you will view the world henceforth as it will enlighten you with the technical political and business justifications for the eternal dance of feast famine merry mayhem good bad peace chaos wealth poverty etc around us Finally you will be able to easily understand the mild and wild ways of our fellow humans like presidents prime ministers politicians arms dealers warmongers detectives anti terrorism agencies atheists rationalists scientists terrorists mafia dons etc and also to understand who is making them do what they do In short this book contains frank and never before released answers to all of our heated questions about God Or in other words HIS SIDE OF THE STORY and a must read for anyone curious or angry about God's irrational ways of managing the earth without diving into traditional spirituality Even God would love to own a copy     *Trashed Forsaken* Manko Eponymous,2014-08-02 A mostly autobiographical novel based on the author's experience in the Peace Corps in Lesotho from 2001-2003     *God's Orchid* Hjalmar Bergman,1924     Martyrology Adam Clarke,1837     Congressional Record United States. Feder,2018-12-07 the author takes you through his struggle for consciousness through passages and rites He is in transit in between stages of late life There is no guru for him he has to find his own way He doesn't suffer fools easily so he also questions himself again and again He asks for a humble nakedness and he states that mirrors cannot tell truth there is never one truth but the one we can see Quote The most neglected dimension of the divine is the Eros John O Donohue Without imagination we should be poor and we were born naked but not poor     *A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Year 1783* Thomas Bayly Howell,1823     **Album** ,1895     *A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Year 1820.
