

THE NATIONAL ROAD (1850)

National Road

Theodore Sky

National Road:

A Guide to the National Road Karl B. Raitz, 1996 This companion volume to *The National Road* is a traveler's guide to the nation's first federally funded highway. Combining a wealth of historical and geographical information, this book takes readers on a 700-mile journey through America's heartland from the Chesapeake Bay to the Mississippi River. Illustrated with more than 300 maps and lithographs, this authoritative guide leads us down a trail into our nation's past.

The National Road Karl B. Raitz, George F. Thompson, 1996 From there, two routes went west toward the Mississippi River: one to East St. Louis and the other to Alton, Illinois. Today, the Road's path is followed for the most part by U.S. 40 and I-70.

The National Road Robert Bruce, 1916

The Old National Road Archer Butler Hulbert, 1901 A history of the creation of the Old National Road connecting Ohio, Indiana, and Illinois and its importance in the expansion and enrichment of America.

Traveling the National Road Merritt Lerley, 1990 The life story of America's first highway, born as an Indian footpath, known over the years as the National Road and the National Pike, and surviving as U.S. Route 40, told firsthand by those who knew the road best: countless generations of passersby who included such historical personalities as Andrew Jackson and Davey Crockett. Back cover.

The National Road and the Difficult Path to Sustainable National Investment Theodore Sky, 2011-07-16 The National Road is a comprehensive history of the first federally financed interstate highway, an approximately 600-mile span that joined Maryland, Pennsylvania, West Virginia, Ohio, Indiana, and Illinois in the nineteenth century. This book covers the road's contribution to the cultural, economic, and administrative history of the United States; its decline during the second half of the nineteenth century; and its revival in the twentieth century in the form of U.S. Route 40. The story of the National Road embraces an account of its building, its constitutional significance, the unique culture that it represented, the movements and trends that transpired across its route, and the symbolic value that it held and continues to hold for the American people. Beyond its status as an American heritage symbol, it serves as a forceful reminder that the United States must continue to pursue the goal of sustainable national investment that began with the National Road and comparable projects during the early republic.

National Road in Maryland, The Robert P. Savitt, 2019 The 200-year-old National Road, also known as The National Pike, Cumberland Road, U.S. 40, and Baltimore-Cumberland Turnpike, is often referred to as The Main Street of America. It was the nation's first federally funded highway and eventually passed through more than 25 cities and towns in Maryland. The 33-mile Maryland portion of the original road was linked with privately constructed turnpikes to extend it to 170 miles in the state. In its early days, the National Road thrived as it helped to open the American West to settlement and commerce. With the rise of railroad transportation in the 1850s, the turnpike became almost obsolete and deteriorated significantly. But the road was rescued in the early 1900s as the increasing popularity of automobile travel led to its revival. In recent years, some of the original structures along the road have been restored, including restaurants, inns, and other commercial establishments. Hostels and eateries such as the Casselman Inn in Grantsville, the South Mountain Inn between

Middletown and Boonsboro and the Vintage restaurant in New Market draw on their links to the old National Road to attract travelers Through exhibits and lectures local civic groups and historical societies continue to memorialize and celebrate the rich history of America s main street the National Road

The National Road and the Difficult Path to Sustainable National Investment Theodore Sky,2011-07-16 The National Road is a comprehensive history of the first federally financed interstate highway an approximately 600 mile span that joined Maryland Pennsylvania West Virginia Ohio Indiana and Illinois in the nineteenth century This book covers the road s contribution to the cultural economic and administrative history of the United States its decline during the second half of the nineteenth century and its revival in the twentieth century in the form of U S Route 40 The story of the National Road embraces an account of its building its constitutional significance the unique culture that it represented the movements and trends that transpired across its route and the symbolic value that it held and continues to hold for the American people Beyond its status as an American heritage symbol it serves as a forceful reminder that the United States must continue to pursue the goal of sustainable national investment that began with the National Road and comparable projects during the early republic

Indiana's Historic National Road Alan E. Hunter,Joseph M. Jarzen,2011 The Indiana National Road Association works to preserve protect and promote the Historic National Road This byway is designated an All American Road through the National Scenic Byways program and traverses six states from Baltimore Maryland to East St Louis Illinois The road began as a primary route west for pioneers and today the byway allows travelers to explore the American past it is truly the road that built the nation This volume continues the story that began on the eastern leg of Indiana s Historic National Road inviting readers to complete their photographic journey westward from Indianapolis to Terre Haute These images document the people and stories that are part of the National Road s heritage and it is hoped this book will encourage advocacy for the protection of important heritage resources

The National Road Tom Zoellner,2020-10-13 This collection of eloquent essays that examine the relationship between the American landscape and the national character serves to remind us that despite our differences we all belong to the same land Publishers Weekly How was it possible I wondered that all of this American land in every direction could be fastened together into a whole What does it mean when a nation accustomed to moving begins to settle down when political discord threatens unity and when technology disrupts traditional ways of building communities Is a shared soil enough to reinvigorate a national spirit From the embattled newsrooms of small town newspapers to the pornography film sets of the Los Angeles basin from the check out lanes of Dollar General to the holy sites of Mormonism from the nation s highest peaks to the razed remains of a cherished home like a latter day Woody Guthrie Tom Zoellner takes to the highways and byways of a vast land in search of the soul of its people By turns nostalgic and probing incisive and enraged Zoellner s reflections reveal a nation divided by faith politics and shifting economies but more importantly one united by a shared sense of ownership in the common land

The Roads that Built America Dan McNichol,2006 The year 2006 celebrates the 50th anniversary of the U S Interstate

System the most incredible road system in the world Created by Dwight D Eisenhower whose WW II experiences taught him the necessity of a superhighway for military transport and evacuation in wartime today s Interstate System is what connects our coasts and our borders our cities and small towns It s made possible our suburban lifestyle and caused the vast proliferation of businesses from HoJos to Holiday Inns And if you order something online most likely it s a truck barreling along an interstate that gets the product to your door Written by bestselling author Dan McNichol *The Roads that Built America* is the fascinating story of the largest engineering project the world has ever known *Index of Economic Material in Documents of the States of the United States: Ohio* Adelaide Rosalia Hasse,1912 **The National Road/Route 40** William Jantausch,2018-07-04 William JanTausch delivers a historical photographic account of part of the National Road otherwise known as Route 40 Built in the early 1800s the National Road extends from Cumberland Maryland to Vandalia Illinois and contains many long forgotten sites and structures along the way Although JanTausch s photography style is simplistic he encourages the viewer to engage with the ordinary in an unordinary way to bring the forgotten back to the present day *Yearbook of the State of Indiana* Indiana. Division of Accounting and Statistics,1921 Includes annual reports of the state officers departments bureaus boards and commissions *Proceedings of the ... Continental Congress of the National Society of the Daughters of the American Revolution* Daughters of the American Revolution, Daughters of the American Revolution. Continental Congress,1912 **Earth Mover and Road Builder ...** ,1922 **The Old Pike** Thomas Brownfield Searight,1894 *History of Preble County, Ohio* Robert Eaton Lowry,1915 *Centennial History of Belmont County, Ohio, and Representative Citizens* A. T. McKelvey,1903 **Good Roads** ,1913
