Nature Of Coyotes Voice Of The Wilderness:

Queer Entanglements Damien W. Riggs, Shoshana Rosenberg, Heather Fraser, Nik Taylor, 2021-07-29 *Queer Entanglements* provides the first comprehensive account of the intersections of lesbian gay bisexual queer trans and non binary people's lives with the lives of animals Exploring diverse topics such as domestic violence grief following the loss of an animal veganism cruelty free makeup products Pride events and community activism the book offers a theoretical and empirical basis for understanding the contexts that bring together human and animal lives By using real world examples it provides a lively and engaging view of what it means to think about the connections between animal and human lives even when human experiences operate at the expense of animal wellbeing This critical intersectional and interdisciplinary perspective on human animal relations will be of interest to scholars and students in human animal studies psychology sociology social work and cultural and gender studies

Fauna Alissa York, 2011-07-26 Scotiabank Giller Prize nominated author Alissa York creates a contemporary human fable that taps into the great tenderness and drama at the heart of the animal world The wide ravine that bisects the city is home to countless species of urban wildlife including human waifs and strays When Edal Jones can't cope with the casual cruelty she encounters in her job as a federal wildlife officer she finds herself drawn to a beacon of solace nestled in the valley under the unlikely banner of an auto wrecker's yard Guy Howell the handsome proprietor offers sanctuary to animals and people alike a half starved hawk and a brood of orphaned raccoon kits a young soldier whose spirit failed him during his first tour of duty a teenage runaway and her massive black dog Guy is well versed in the delicate workings of damaged beings and he might just stand a chance at mending Edal's heart But before love can bloom the little community must come to terms with a different breed of lost soul a young man whose brutal backwoods childhood is catching up with him causing him to persecute the creatures that call the valley home
