SPIRITUAL WARFARE IN THE GALAXY FAR, FAR AWAY Blake Hawkins, 2025-08-22 Spiritual warfare is a part of every Christian life The forces of evil are all around us launching attack after attack And sometimes it feels like there s no way to fight back We can t see what we re fighting and we can t physically fight a spirit anyway However spiritual warfare doesn t have to be such a mystical concept To make it all make sense we need a lens We need something to make the ethereal seem practical so that our spiritual conflict turns into something very tangible That lens is Star Wars Everyone knows about the Force and the battles between the Jedi and Sith But it s time that we look at the galaxy far far away in a new light In an unexpected way Star Wars offers Christians a blueprint for life It shows us who our enemy is It shows us his evil tactics And it shows us how we can fight back when the forces of darkness are closing in because there is a way for Christians to start understanding and winning their spiritual wars So join me as we dive into the Star Wars universe and discover that fighting our spiritual battles is actually very simple

The Devil's Best Trick Randall Sullivan, 2024-05-14 Part true crime story part religious and literary history an investigation into the nature of evil and the figure of the Devil by acclaimed journalist Randall Sullivan Throughout history humans have struggled to explain the evils of the world and the darkest parts of ourselves The Devil s Best Trick is a unique and far reaching investigation into evil and the myriad ways we attempt to understand it particularly through the figure of the Devil Sullivan s narrative moves through centuries of historical religious and cultural conceptions of evil and the Devil from the Mesopotamian and Egyptian gods to the Book of Job to the New Testament to the witch hunts in Europe in the 15th through 17th centuries to the history of the devil worshipping Black Mass ceremony and its depictions in 19th century French literature He references major literary religious and historical figures from the Persian sages Zoroaster and Mani Plato Thomas Aquinas John Milton Edgar Allan Poe Aleister Crowley and many more among them Charles Baudelaire from whose work Sullivan took the title of the book But this is not just a cultural history Sullivan intersperses original reporting and personal reflection He travels to Catemaco Mexico to participate in the Hour of the Witches an annual ceremony in which hundreds of people congregate in the jungle south of Vera Cruz to negotiate terms with El Diablo He takes us through the most famous and best documented exorcism in American history which occurred in 1928 and lasted four months He ponders the psychology of evil through his encounter with one brutal serial killer and he reports on the Satanic Panic of the 1980s detailing the shocking story of a

small town in Texas that one summer in 1988 unraveled into paranoia after a seventeen year old boy was found hanging from the branch of a horse apple tree and rumors about cult worship spread throughout the wider community Randall Sullivan whose reportage and narrative skill has been called extraordinary and enthralling by Rolling Stone takes on a bold task in this book that is both biography of the Devil and a look at how evil manifests in the world BECOMING A PRAYER-WARRIOR GODSWORD GODSWILL ONU,2015-03-05 Going through Becoming a Prayer warrior you will come to understand that whatever things you ask in the Name of Jesus Christ when you pray believing that you receive them you will have them And whoever says to this mountain Be removed and be cast into the sea and does not doubt but believes that those things he says will be done he will have whatever he says The confidence that we have in God is that when we pray according to His Will He hears us because we always do those things that please Him **As He Is** ,2012-04 Highly absorbing fascinating and even challenging with prayer this book will change your life Through a careful study of Scripture and the Spirit of Prophecy As He Is examines subjects such as the flood Sodom and Gomorrah the plagues of Egypt Israel s use of the sword the final fires of destruction and much more thus reconciling the issue of the supposed contradictions found in the character of God as Satan proposes The rebellion of sin will not be ended until the accusations regarding God s character and government are brought to a close through God s people here in earth s theater Many people simultaneously hold two separate pictures of God They have a thunder and lightning view of the Old Testament God of justice whereas in the New Testament God is seen as the bearer of mercy personified in the gentle Lamb Jesus But Jesus came to show us the Father therefore we are called to cease all double mindedness about who God is He must be the same yesterday today and forever God is one in character and He looks just like Jesus Justice is not sacrificed in Christ but it is not served according to the thoughts and ways of humanity At last it will be seen by all that His justice is mercy Nothing in the world is more important or more necessary than to get the character of God right We can fill libraries up with religious books all being most interesting but if they are not telling the truth about God it is all vain and a waste of time and space As He Is should be read carefully by everybody Herbert Edgar Douglass ThD Author of God at Risk God has not arbitrarily set a time for His second coming but rather He is waiting for the final demonstration of the complete victory over sin in His people through His Spirit The Body of Christ must be pure and clean as the Head of the Body is pure and clean If we are to share His throne then we must be like Him This can only happen when we have a clear understanding of His character This is what makes the subject of this book vitally important to comprehend As He Is strives to answer through the inspired Word in a logical and clear manner many of the questions that man has asked over the years about the acts and character of God Edward J Rice Head Elder Lacombe Community Seventh day Adventist Church As He Is presents God as One quite different from traditional notions while staying close to the inspired text It does a superb job of bringing passages together that unveil a better picture of God than what may have been noticed before Much of traditional picturing of God the Father is out of harmony with the

clearly recorded character of Jesus in the Gospel account It is fundamental to Christian faith that the Godhead be understood as being love and love alone I would invite all believers in God to please consider the clues in the written word that lift Him up above some ancient ideas that do not harmonize with the light we have in Jesus Christ D Douglas Devnich Pastor Healthcare Chaplain Teacher Administrator of the Seventh day Adventist Church **Amazing Grace How Sweet the Sound That Saved A Christ Like Me** Grant Barlow,2008-07-18 This Book has been given one very specific purpose and that is to draw all Christians into a perfect understanding of their own resurrection from the dead Many Christians do not know that they are Christ and they live a defeated life with a false hope of some never coming saviour This book teaches you that the second coming of Christ is when you remember yourself as God created you before time This book is for all spiritual seekers and it is assured to give everyone the keys to ascension and the power to walk in the light of truth This book is designed to enable your own inner hearing of the word of faith and will activate you into your resurrection from the dead when read with willingness of mind I want everyone to read this book so please share the link Grant Barlow Author

of the Emanuel Faculty others via a Skype call or by invitation The International Conferences held by the Department of Theology were made possible through the commitment of members of the Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre and the contribution of distinguished colleagues from the Hungarian Baptist Academy Budapest The Irish Baptist College UK and the Southwestern Baptist Theological Seminary Fort Worth Texas The Journal includes a range of papers on the death of Christ and the truth of justification by faith The Christ hymn Phil 2 5 11 is here as is the focus upon the invitation in John 6 to eat the flesh of the Son of God and to drink his blood Also the whole theology of the cross in the Fourth Gospel is considered Again the concept of redemption in all the Gospels is discussed as is a paper on the Holy Spirit and the death of Christ from a Pauline perspective The theme of the cross in the sermons of Philip Doddridge is highlighted plus two articles on Luther's doctrine of justification and the treatment of this theme by the Reformer in the Epistle of James These articles include a range of affirmations on crucial doctrines and theological themes which must not be lost or neglected One remembers the exhortation of 2 Tim 2 1 2 to hold to truths that are fundamental and to entrust them to faithful men who will be able to teach others also Hamilton Moore Editor *The Devil's Church and Other Stories* Joaquim Maria Machado de Assis, 2010-07-22 The modern Brazilian short story begins with the mature work of Joaquim Maria Machado de Assis 1839-1908 acclaimed almost unanimously as Brazil's greatest writer Collectively these nineteen stories are representative of Machado's unique style and world view and this translation doubles the number of his stories previously available in English The stories in this volume reflect Machado's post 1880 emphasis on social satire and experimentation in psychological realism If he had continued to produce the moralistic love stories and parlor intrigues of his earlier fiction Machado's legacy would have been an entertaining but inconsequential body of work However by 1880 he had begun a devastating satirical assault on society through his fiction In spite of his ruthlessness Machado does at times reveal an ironic sympathy for his characters He is not indifferent to human conflict but uses humor and irony to stress the absurdity of these conflicts acted out against the backdrop of an indifferent universe Such a spectacle creates a sense of helplessness that can only inspire wistful amusement In his technical mastery of the short story Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves That his stories elicit such strong and diverse reactions today is a tribute to their richness complexity and significance
