Family Health Social Work Practice John T. Pardeck, 2002-06-30 Pardeck and his contributors approach the topic of

family health from a macro perspective Family health is a holistic approach to treatment embracing aspects of family functioning not typically considered in other more traditional approaches to assessment and treatment They place particular emphasis on the ecological context in which the family functions including the neighborhood community and other larger social systems Family health is defined as the development of and continuous interaction among the physical mental emotional social economic cultural and spiritual dimensions of the family that result in the holistic well being of the family and its members The chapters in the book are guided by a number of key premises including a Family health social work practice is grounded in a biopsychosocial approach to assessment and treatment b Family health is based in a systems ecological approach to assessment and intervention because of the role that various systems play in the well being of the family c Family health views the family system as the most important system for promoting the growth and development of the person d Family health social work practice requires close collaboration between social work practitioners and other professionals Based on these basic premises Pardeck focuses on the macro level issues of family health practice that include community intervention policy and program development and program administration The book is an important resource for social work professionals scholars students and other researchers involved with social work practice and human services

Family Health Social Work Practice Frank W Hoffmann,2003 **The Framework of Systemic Organization**

Marie-Luise Friedemann,1995-09-07 For the first time Marie Luise Friedemann s theory for nursing that centers primarily on the family is presented in its entirety Friedemann provides a clear description of the framework of systemic organization validating the concepts through existing research findings and case studies that explore the use of the framework with families While explaining the interaction of modifying factors such as the family structure life span considerations and cultural influences within the family The Framework of Systemic Organization emphasizes family health and healthy adaptation to change It then focuses on crises resulting from illness and the environment such as poverty and homelessness and explores the effects these factors have on family members wellness Throughout the volume the author guides the reader toward a concept of nursing that unifies theory clinical expertise and research in seeking to advocate and support health and well being in each individual and family This invaluable book reinforces the holistic approach to nursing and serves as a comprehensive resource The Framework of Systemic Organization is a must for graduate and undergraduate nursing courses The volume will also be of interest to students in family studies social work occupational therapy and other health care public health professions Using a holistic approach to nursing this volume centers primarily on the family and its adaptability throughout the life span and in times of crisis The author expands on her original framework by validating its concepts through research findings and case studies and explains the interaction of factors such as family structure and cultural influences She then focuses on a wide range of family crises from addictions and violence to chronically ill family members to unemployment and poverty and explores their effects on the family s well being Students in social work family studies and

health care will find this to be a useful resource Journal of Social Work Education This book presents a nursing theory that performs the valuable service of acknowledging the importance of the family as context and unit of service in health and illness The book provides a useful resource for both family nursing and nursing theory Doody s Nursing Book Review Home Page
