exquisitely You know that the resurrection of the dead which happened at the cross of the Lord made it clear that the souls that were in hell were released The Risen then appeared to many so that what happened would not seem like a dream But they have risen for the sake of a sign and it is clear that they died again However some say that they were resurrected after the resurrection of Christ and another time did not die I do not know if this should be accepted **The Hindustan Review**, 1927 **The Golden Path** David Sclar, 2023-05-01 Among the intellectual luminaries dotting the millennia of Jewish history none shines brighter than Maimonides 1138-1204 He was a rabbi jurist Talmudist philosopher physician astronomer and communal leader and produced a myriad of writings on halakhah theology medicine and philosophy that have attained near canonical status We have more source material from or about Maimonides than possibly any other Jewish figure in the medieval period and more has been written about him than perhaps any other Jew in history Epithets like the Great Eagle and the Western Light and the glorifying statement From Moses to Moses none arose like Moses reflect centuries of authority influence and fascination The Golden Path traces the impact and reception of Maimonides and his thought through a study of materiality specifically the production and dissemination of textual objects It consists of two sections a descriptive catalogue of an exceptional private collection of manuscripts and rare books and essays from leading scholars on aspects of Maimonides's cultural context influence and appropriation through disparate eras and geopolitical spheres Combining intellectual reception and book historical research the heavily illustrated volume explores his effects in assorted social and political circumstances across diverse intellectual and cultural environments
