PATROL TO THE KIMBERLEYS. BY FRED LANE. Fred Lane,1958 Patrol to the Kimberleys Fred Lane,1958 Boys adventure story **The Kimberley Mirage** Logan Archer,2024-10-18 The Kimberley Mirage is a gripping psychological thriller set against the unforgiving Australian Outback Danny Quinn a private investigator finds himself entangled in a deadly game with a dangerous cult leader Zeek Voss Escaping The Haven a commune shrouded in secrecy and control Danny and Celine one of the few survivors embark on a perilous journey to freedom But survival is just the beginning Haunted by his past failures and the lives he couldn't save Danny is consumed by guilt and the relentless pursuit of justice As they navigate the treacherous outback the psychological scars from their captivity begin to unravel blurring the line between ally and adversary With Zeek's followers in pursuit and the ever present threat of betrayal Danny must confront his own demons while keeping Celine safe from the shadow that looms over them The Kimberley Mirage combines the pulse pounding action of a crime thriller with the deep emotional complexity of survival and recovery Will Danny be able to bring down the cult or will the trauma of his past consume him before he can escape **Outlaws of the Kimberley Underworld** Geoff Allen,2014-09-22 This is the true life story of Smokey King of the horse duffers One hundred years ago as the Boer War came to an end the rugged Kimberley Range formed the roughest and most remote cattle country in Australia It was five days hard ride from the nearest township of Wyndham to Smokey's Kimberley Underworld hideout The police patrols sent out to arrest King Smokey faced a daunting task The few passes through the forbidding King Leopold Ranges were guarded by fierce Aboriginal warriors known as Munjons The Munjons waged a bitter war with the white stockmen but for every spearing of the cudeas cattle there were savage reprisals and massacres For Smokey and his loyal teenage follower Colt there is the ultimate freedom of fast riding outlaws Whether it's stealing mobs of horses or seducing young women hunting down a brutal murderer or escaping from the mounted troopers with their black trackers sex in the billabong with Pixie and Jilly or riding an outsider in the Wyndham Cup the Colt leads a life of which every young man dreams In the tradition of master story teller Ion Idriess Outlaws of the Kimberley Underworld is an action packed thriller that makes the American Wild West look like a kindergarten Author Geoff Allen spent thirteen years researching these stories while working as a ringer on a cattle stations in the Kimberley and Northern Territory Author of The Gun Ringer Ballads of the Kimberley and Blue Bostock he has won many national awards for his bush ballads *Parliamentary debates, legislative council and legislative assembly* Australia Western parl,1903 *Parliamentary Debates, Legislative Council and Legislative Assembly* ,1902 The Languages of the Kimberley, Western Australia William B. McGregor,2013-03-07 The Kimberley the far north west of Australia is one of the most linguistically diverse regions of the continent Some fifty five Aboriginal languages belonging to five different families are spoken within its borders Few of these languages are currently being passed on to children most of whom speak Kriol a new language that arose about half a century ago from an earlier Pidgin English or Aboriginal English a dialect of English as

their mother tongue and usual language of communication This book describes the Aboriginal languages spoken today and in the recent past in this region **At the Very Heart** Storry Walton,2012 This book draws together words and images of the people who live and work across Australia's farthest horizons together with the staff of the Australian Inland Mission AIM and its successor Frontier Services who have devotedly served remote families and provided vital services which they would not otherwise have received **Ion Idriess: The Last Interview** Tim Bowden,2022-06-01 Ion Jack Idriess 1889-1979 is recognised as one of Australia's great storytellers having published over 50 books including the Outback tales of Lasseter's Last Ride Flynn of the Inland and The Cattle King alongside major histories of Broken Hill Broome and Cooktown This book is his last interview in 1975 prompted by the then young Tim Bowden for a possible ABC Radio program that did not eventuate due to Idriess's fading voice Within this book Idriess talks of his early years in Broken Hill he tells of his earliest writing for the Bulletin on living and photographing Aboriginal tribes in the Kimberlys and Cape York on the writing of his books like Madman's Island and My Mate Dick his life with the pearlers of Broome and Thursday Island on the joys of prospecting living in the Wild and on Lasseter and his diary Full of colourful characters and true stories Ion Idriess allows us into his unbridled enthusiasm for Australian and Aboriginal history *Kimberly's Cats and Dogs Foundation Farm* Kathy Resberg,2022-11-03 Kimberly's Cats and Dogs Foundation Farm is not only the title of this series of books but also the name of the nonprofit that was started on September 26 2014 when our daughter Kimberly died suddenly from a brain aneurysm She worked for the Humane Society in our city It was her dream job raising money to care for the little animals that have no voice My husband and I needed to keep her dream alive by opening our farm up to help in the care for those little animals and to assist other small rescue organizations in our area **Capital and Labour on the Kimberley Diamond Fields, 1871-1890** Robert Vicat Turrell,1987-09-17 Based on new documentary sources this history of diamond mining in Kimberley is a major study of South Africa's mineral revolution and the formation of De Beers Consolidated Mines one of the most successful African mining companies **Taste of War** Lizzie Collingham,2012-03-29 A New York Times Notable Book of 2012 Food and in particular the lack of it was central to the experience of World War II In this richly detailed and engaging history Lizzie Collingham establishes how control of food and its production is crucial to total war How were the imperial ambitions of Germany and Japan ambitions which sowed the seeds of war informed by a desire for self sufficiency in food production How was the outcome of the war affected by the decisions that the Allies and the Axis took over how to feed their troops And how did the distinctive ideologies of the different combatant countries determine their attitudes towards those they had to feed Tracing the interaction between food and strategy on both the military and home fronts this gripping original account demonstrates how the issue of access to food was a driving force within Nazi policy and contributed to the decision to murder hundreds of thousands of useless eaters in Europe Focusing on both the winners and losers in the battle for food The Taste of War brings to light the striking fact that war related hunger and famine was not only caused by Nazi Germany and Imperial

Japan but was also the result of Allied mismanagement and neglect particularly in India Africa and China American dominance both during and after the war was not only a result of the United States immense industrial production but also of its abundance of food This book traces the establishment of a global pattern of food production and distribution and shows how the war subsequently promoted the pervasive influence of American food habits and tastes in the post war world A work of great scope The Taste of War connects the broad sweep of history to its intimate impact upon the lives of individuals

Fragile Settlements Amanda Nettelbeck, Russell Smandych, Louis A. Knafla, Robert Foster, 2016-03-20 Fragile Settlements compares the processes by which colonial authority was asserted over Indigenous people in south west Australia and prairie Canada from the 1830s to the early twentieth century At the start of this period there was an explosion of settler migration across the British Empire In a humanitarian response to the unprecedented demand for land Britain's Colonial Office moved to protect Indigenous peoples by making them subjects under British law This book highlights the parallels and divergences between these connected British frontiers by examining how colonial actors and institutions interpreted and applied the principle of law in their interaction with Indigenous peoples on the ground Fragile Settlements questions the finality of settler colonization and contributes to ongoing debates around jurisdiction sovereignty and the prospect of genuine Indigenous settler reconciliation in Canada and Australia

'Every Mother's Son is Guilty' Chris Owen, 2016 This is a marvellous contribution by Chris Owen to the understanding of the role the Western Australian police force played in the colonial expansion into the Kimberley district of Western Australia Senator Patrick Dodson Yawuru Elder Chris Owen provides a compelling account of policing in the Kimberley district from 1882 when police were established in the district until 1905 when Dr Walter Roth's controversial Royal Commission into the treatment of Aboriginal people was released Owen's achievement is to take elements of all the pre-existing historiography and test them against a rigorous archival investigation In doing so a fuller understanding of the complex social economic and political changes occurring in Western Australia during the period are exposed The policing of Aboriginal people changed from one of protection under law to one of punishment and control The subsequent violence of colonial settlement and the associated policing and criminal justice system that developed often of questionable legality was what Royal Commissioner Roth termed a brutal and outrageous state of affairs Every Mother's Son is Guilty is a significant contribution to Australian and colonial criminal justice history Subject History Aboriginal Studies Criminal Justice policing
