Principles of Revival Charles G. Finney,1987-08-01 Principles of Revival is an edited version of Finney s first book of published sermons Sermons on Important Subjects It is distinctively different in that it focuses on the psychology of revival and conversion versus the method oriented approach of the other Finney volumes on revival Newly edited by L G Parkhurst the material cannot be found in print anywhere else except for a few readings that relate to Principles of Victory Major themes include The necessity of preaching to the conscience The inevitability of opposition to the gospel The operation of the sinner s mind Motivating the sinner to repentance The relationship in conversion between personal initiation and the work of the Spirit **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1970 **Principles of Discipleship** Charles G. Finney,1988-02-01 Following a period of great revival Charles Finney reached a point of physical exhaustion which resulted in his writing a series of articles on various subjects to continue the work of discipleship in the new believers scattered throughout the regions of revival These practical instructions were published in the Oberlin Evangelist periodical and took the form of letters addressed to specific themes They now are collected and edited by Pastor L G Parkhurst to appear for the first time in book form As well as letters concerning sanctification major themes include Finney s letters To New Christians To Ministers To Parents To Christians **Principles of Union with Christ** Charles G. Finney,1985-01-01 Thirty selected devotional readings about a Christian s relationship to Christ gleaned from the writings of Charles G Finney Though Charles Finney is most often associated with evangelism and revival his heart yearned over the Christian who though forgiven of past sins still lived in bondage to sinful habits L G Parkhurst has carefully selected thirty brief but powerful readings from Finney showing how freedom comes to a Christian only through a relationship with Christ Chapter titles include Jesus My King Jesus My All in All Jesus My Strength Jesus My Hope Christ My Rock This new book is similar in format to Finney s Principles of Prayer also edited by Parkhurst **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles *How to Experience Revival (Journal Edition)* Charles G. Finney,2017-03-07 Revival starts with one person You Charles Finney who shook up nineteenth century America with his preaching earned the title Father of Modern Revivalism and became the forerunner of revivalists like Dwight L Moody and Billy Graham knew a thing or two about revival And he claimed it began not in the emotion of the masses but in the repentance of the individual This new journal edition of a spiritual classic invites readers to record their reflections thoughts and prayers in response to Finney s fiery words on how to experience revival As you let his message soak in and interact with your life you might find revival to be closer to home than you ever expected **Books in Series, 1876-1949** R.R. Bowker Company,1982

   Praying with God's Heart James W. Goll,2018-10-02 What if there was a key that made every prayer more effective something that would bring all prayers into agreement with the heart of God every single time This type of praying does exist says bestselling author and prophetic leader James W Goll and it s called prophetic intercession It is the humble act of holding the needs of people before God while leaning into God s heart for them There is nothing mystical or elite about this kind of praying and it s for the new Christian and the most seasoned prayer warrior All you need is to learn to lean into your heavenly Father and pray what you see and hear in alignment with his heart empowered by the Holy Spirit God wants you to align your heart with his He wants you to pray more effectively in these turbulent times and he wants you to help usher in the fullness of his purposes on the earth Are you ready
