Gad, 2009-10-08 A blueprint to successful value investing Successful value investors have an ingrained mental framework through which all investments decisions are made This framework which stems from the father of value investing Benjamin Graham who believed that investment is most intelligent when it is most businesslike can put you in a better position to improve the overall performance of your portfolio Written by Sham Gad founder of the Gad Partners Funds a value focused investment partnership inspired by the 1950s Buffett Partnerships *The Business of Value Investing* effectively examines the fundamental tenants of this approach and skillfully illustrates the six essential elements of the entire process Opening with some informative discussions of how value investing focuses more on buying a piece of a business and less on buying a company s stock this reliable resource quickly moves on to detail exactly what it takes to become a successful value investor Outlines the six essential elements required for a successful risk averse value investment approach Contains case studies that illustrate how to approach investing in an intelligent businesslike fashion Walks you through the pitfalls that most investors initially fall into With *The Business of Value Investing* as your guide you ll quickly become familiar with one of the most effective investment strategies ever created Books in Print Supplement ,1985 **Books in Print** ,1987 **The Armor of God Fitness & Training Program** Sr PhD Pastor Shaolin MB Abrams Sr., Pastor Shaolin MB Abrams, 2010-05-18 The premise of this training guide and manual is not based on workouts alone but on educating the Body of Christ at large about the proper way to have life and life more abundantly according to Gods Word My entire adult life has been devoted to improving my mind body and spirit but the only way my Life Style can be balanced is by ensuring that my Immune System protects me against any form of disease such as High Blood Pressure Diabetes Hypertension High Cholesterol etc Now I dont claim that with this Life Style change you will live any longer than the next person but what I am attempting to convey is that with change you live much healthier have more energy and be more alert to enjoy the many blessings that the LORD has

promised in HIS Word The reality is that you do not have to use steroids or muscle enhancing drugs steroid derivatives to achieve a great body so stop listening to those so called personal trainers who are just trying to sell you those expensive training sessions looking like they eat cheeseburgers and french fries for breakfast lunch and dinner If a trainers body does not appear as though he she works out regularly or they look like they came straight out of a fitness magazine be careful because all that glitters isnt gold And it doesnt matter what that certificate says on their office wall or how many hours of personal training time they have because when these so called personal trainers tell you that they want to design a program specifically for you and your needs ask yourself how in the world do they know it works if they have never tried it for themselves WE DONT ASK A POOR MAN HOW TO GET RICH SO BE WEARY OF THOSE WHO CANNOT DEMONSTRATE THEIR OWN CLAIMS
