Stanford Reid A. Donald MacLeod,2004-09-30 MacLeod s in depth analysis examines how an observant Christian academic unapologetically Calvinist openly articulated his faith in a secular environment and helped convince evangelicals to abandon their ghettoizing anti intellectualism His discussion of Reid s international networking serves as a reminder of the way in which Canadian evangelicalism was influenced by and in turn influenced the United States where Reid s influence was appreciable both as a trustee of Westminster Seminary for thirty seven years and as editor at large of the nascent Christianity Today W Stanford Reid is a poignant in depth investigation of the life of a man whose career spanned academia and church **Koestler** Michael Scammell,2009-12-29 From award winning author Michael Scammell comes a monumental achievement the first authorized biography of Arthur Koestler one of the most influential and controversial intellectuals of the twentieth century Over a decade in the making and based on new research and full access to its subject s papers Koestler

is the definitive account of this fascinating and polarizing figure Though best known as the creator of the classic anti Communist novel *Darkness at Noon* Koestler is here revealed as much more a man whose personal life was as astonishing as his literary accomplishments Koestler portrays the anguished youth of a boy raised in Budapest by a possessive and mercurial mother and an erratic father marked for life by a forced operation performed without anesthesia when he was five growing up feeling unloved and unprotected Here is the young man whose experience of anti Semitism and devotion to Zionism provoked him to move to Palestine the foreign correspondent who risked his life from the North Pole to Franco s Spain where he was imprisoned and sentenced to death the committed Communist for whom the brutal truth of Stalin s show trials inspired the superb and angry novel that became an instant classic in 1940 Scammell also provides new details of Koestler s amazing World War II adventures including his escape from occupied France by joining the Foreign Legion and his bluffing his way illegally to England where his controversial novel *Arrival and Departure* published in 1943 was the first to portray Hitler s Final Solution Without sentimentality Scammell explores Koestler s turbulent private life his drug use his manic depression the frenetic womanizing that doomed his three marriages and led to an accusation of rape that posthumously tainted his reputation and his startling suicide while fatally ill in 1983 an act shared by his healthy third wife Cynthia rendered unforgettably as part of his dark and disturbing legacy Featuring cameos of famous friends and colleagues including Langston Hughes George Orwell and Albert Camus Koestler gives a full account of the author s voluminous writings making the case that the autobiographies and essays are fit to stand beside *Darkness at Noon* as works of lasting literary value Koestler adds up to an indelible portrait of this brilliant unpredictable and talented writer once memorably described as one third blackguard one third lunatic and one third genius [A Sort of Conscience](#) Philip Temple,2013-10-01 This in depth portrait of the Wakefield family who played such a major role in British overseas settlement in Canada Australia and New Zealand in the 19th century is written with a novelistic flavor using personal letters and journals to bring to life this group of talented but morally complex individuals whose exploits spanned the globe and who remain an indelible part of British colonial history [American Presidents Attend the Theatre](#) Thomas A. today as they are the same The owner of this particular carnival is a black woman and devotee of voodoo But Lady Priscilla conceals this fact allowing everyone to believe that Wildcat who runs the carnival s wrestling and boxing show is the owner In the South it is not wise to antagonize the Klan by letting it be known that a black woman has money or power When the carnival sets up in a pasture outside Redmond Arkansas Priscilla drinks a cup of belladonna tea and soon finds herself in the land of the dead where she is given a vision A dark hearted man lives in the area and has killed six young women They are all blondes And when Birdie the carnival s beautiful blond trapeze artist disappears and is held as a sex slave a mystery begins to unfold The midway lies before us and it is into this carnival of dreams that we now tread The Edith Wharton Murders Lev Raphael,1999 Scandal and murder are on the agenda when English professor Nick Hoffman is dragooned into organising an Edith Wharton conference at the State University of Michigan A witty fast paced gay thriller that is also a send up of academia at its snarling worst **Transcendence** Mark Daniel Osborne,2011-02 A lonely god Barry creates a universe as a large social experiment to find out what would happen if he met somebody An aggrieved soul Damien unexpectedly wakes in the body of a human Vessel and takes advantage of his situation to bend history in his favour Barry s agents Prue and Jack struggle to find a way to stop him and Barry appears to be losing control of his creation Will Barry scrap everything and start over Or will Prue and Jack find a solution where they least expect it
