Priscilla's Letter Ruth Hoppin, 1997 *Memoir of Priscilla Gurney (extracts from her journal and letters)* ed. by S. Corder Priscilla Gurney, 1856 **Extracts from Priscilla Johnston's Journal and Letters** Priscilla Buxton Johnston, 1862
Priscilla's Letter Ruth Hoppin, 1996-08-01 **The Letters of Richard Cobden** Anthony Howe, 2007-11-22 The first of four volumes this book provides a unique insight into the career of one of Britain's leading nineteenth century politicians Richard Cobden 1804-1865 moved rapidly from business success in Manchester into the worlds of local national and international politics providing a case study in social mobility in the Industrial Revolution He travelled extensively visiting the United States the Near East and the continent writing influential pamphlets before undertaking the campaign against the British Corn Laws for which he remains best known Drawing on material from Britain Europe and the United States the letters are accompanied by notes and an introduction by Anthony Howe explaining the unusual history of the letters and reassessing Cobden's importance in their light But the letters reveal not only Cobden the anti corn law crusader but provide us with a greater understanding of wider aspects of middle class politics and culture in their formative period in Britain and Europe Together these four volumes provide a unique source on British liberalism in its European and international contexts throwing new light on issues such as the repeal of the Corn Laws the British radical movements the Crimean War the Indian Mutiny and the American Civil War *The Priscilla Armenian Needlepoint Lace Book* Nouvar Tashjian, 1923 **The Priscilla Diary** Gene Edwards, 2001 In this fourth book in the First Century Diaries series Timothy has gone into hiding and Priscilla has agreed to continue the story of Paul's adventurous journeys **Priscilla and Aquila** Marie Noel Keller, 2010-06-01 Human beings are embedded in a set of social relations A social network is one way of conceiving that set of relations in terms of a number of persons connected to one another by varying degrees of relatedness In the early Jesus group documents featuring Paul and coworkers it takes little effort to envision the apostle's collection of friends and friends of friends that is the Pauline network The persons who constituted that network are the focus of this set of books For Christians of the Western tradition these persons are significant ancestors in faith While each of them is worth knowing by themselves it is largely because of their standing within that web of social relations woven about and around Paul that they are of lasting interest Through this series we hope to come to know those persons in ways befitting their first century Mediterranean culture In her exploration of the texts about Priscilla and Aquila Marie Noel Keller asks What does God want us to learn from their story The biblical writings show that they worked lived and traveled with Paul As his trusted coworkers Priscilla and Aquila provided a presence that strengthened the early Jesus groups Their mutuality in ministry and their leadership as laypeople can inspire members of church communities today to work together as teachers and preachers of the gospel **Reading Hebrews and 1 Peter from Majority World Perspectives** Sofanit T. Abebe, Elizabeth W. Mburu, Abeneazer G. Urga, 2024-09-19 The contributors to this volume offer a bold re-reading of Hebrews and 1 Peter from

the perspective of the Global South The chapters provide enriching new hermeneutical and theological insights revealing facets of the text that may not at first be apparent to readers within a Eurocentric context The volume is thus able to explore topics ranging from the authorship of Hebrews in the Ethiopian Orthodox tradition and the Batak reading of Christus Victor to a Xhosa perception of the solidarity and sacrifice of Jesus and intercultural readings of Christian identity in the context of persecution With an introduction and final response by scholars from the Global North this volume encourages awareness of how the Global South contributes to world Christianity [Priscilla and Charybdis](#) Frank Frankfort Moore,1909 **Prudent** **Priscilla** Mary C.
