Prism George C. Chesbro,2017-11-14 The author of the Mongo Mysteries reveals the interior life of a troubled writer in this deeply personal autobiographical novel At the age of fifty eight author Garth Fugue is adrift For the last forty years he has poured his soul into twenty three novels and countless short stories all filled with murder and mayhem By delving into the troubled minds of his characters he has kept his own demons at bay Now Garth is at a crossroads Despite his floundering literary career he is attempting to write his magnum opus while simultaneously teaching at a children s psychiatric hospital As he decides what to write about Garth must ultimately wrestle with his own beliefs about humanity morality and the meaning of it all In this insightful novel George C Chesbro exposes a fictional writer s tortured mind and in doing so divulges the struggles of the real complicated man best known for penning quirky mysteries and pulpy thrillers It is an intimate invitation not to be missed

LOOKING THROUGH THE PRISM SUJATA CHATTERJEE,2017-12-18 Looking Through the Prism Spectrum is a collection of poems which embraces optimism and inspiration If you are in a mood for a quiet evening or would like to search for greener pastures you need to settle down with an introspective approach towards this book The rhythm in the poems is touch and go from the very beginning till the end Whether it is ecstasy in The golden gown that the warm sun weaves or the romance in Your lips a crimson ray or describe the hard work in The sweat and toil of human race Looking Through the Prism reveals a unique path to joy and happiness So gear yourselves for a ride through the hills and the valleys and hug the nature with your arm the arms of faith and not the arms in artillery This book will definitely inspire you with self analysis and a positive attitude

Speckled Prism Enriqueta Mayuga,2016-06-07 This book is more like a valedictory a denouement It reflects the morphing and deepening of discernment as one realizes that life indeed can be viewed from multiple prisms Fiery and passionate at twenty sixshe is lively and circumspect at seventy eight Father Charles Skok a well known theologian and philosopher sums it up The sharper edge of some of Dr Mayugas writing is now moderated by her acceptance of the reality of getting old and the ensuing wisdom The depth of feeling is still there but there is a tinge of mellowness Enriqueta Mayuga writes in her introduction The discernment of a woman past her prime differs from that of an infuriated aggrieved and maligned youthful idealist Over half century ago she came to America a foreign ethnic female medical physician immersed in a society laden with xenophobia

Today at seventy eight she simply views life through the generational lens of a speckled prism but always with some reservations Other books written by author Immigrant at Peace Spring Autumn Sunset Outspoken and Mute American Life Splintered Dreams Blades of Truth Shafts of Sunlight Landscape of a Challenged Life **Prism** Sawyer Hale,2010-06 This inspirational book of poetry and short stories articulates the cavernous expressions and feelings that derive from the triumphs and trials of life This book demonstrates a profound meaning the necessity to make life more abundant and understand the inevitable difficulties that will come The Prism s spectrum of stories and poems illustrate loneliness life love death life after death forgiveness and so much more In the hopes of touching someone s life and exemplifying God s grace the author writes that he might be a Prism of life and bring out the colors of your life *ARTHUR CONAN DOYLE Ultimate Collection: 23 Novels & 200+ Short Stories* Sir Arthur Conan Doyle,2024-01-16 Arthur Conan Doyle Ultimate Collection 23 Novels 200 Short Stories stands as an unparalleled anthology that encapsulates the prolific genius of Sir Arthur Conan Doyle This compendium offers readers a comprehensive journey through Conan Doyle s imaginative and intricately woven narratives characterized by his rich prose and keen observational detail Emphasizing the sharp interplay between rational deduction and the supernatural this collection reflects the Victorian era s fascination with both science and mystique Classic tales featuring the legendary Sherlock Holmes are complemented by lesser known gems showcasing Conan Doyle s versatility across genres such as historical fiction and adventure Sir Arthur Conan Doyle a physician by training fused his scientific background with literary prowess to explore the human psyche and societal norms through his narratives Born in 1859 in Edinburgh his interests in evolution spirituality and criminology significantly shaped his storytelling style making him a bridge between the empirical and the extraordinary The creation of Sherlock Holmes not only revolutionized detective fiction but also mirrored Conan Doyle s engagement with contemporary issues of justice and morality For lovers of classic literature this immense collection is indispensable serving both as an introduction to Doyle s groundbreaking contributions to forensic science in literature and a nostalgic revisit to familiar characters and plots Its expansive range guarantees that readers will find themselves engrossed in tales that resonate with timeless themes of intrigue morality and human complexity

The Humor Prism in 20th-century America Joseph Boskin,1997 The Humor Prism in Twentieth Century America explores to what extent and in what ways American humor in the twentieth century reflects history Why do some jokes evaporate after the telling while others are transmitted to subsequent generations Just what property of humor allows it to touch diverse members of a culture at a given time As a penetrating and refracting angle of history humor illuminates the expectations and contradictions of society its anxieties and confusions and permits perspective into any historic moment The Humor Prism in Twentieth Century America explores to what extent and in what ways American humor in the twentieth century reflects history examining the dynamics and disguised messages behind humor The first section of this volume concentrates on patterns of humor in the twentieth century Section two looks at the power and politics of women s humor and at multicultural

humor The final section presents and evaluates the major joke cycles from the post World War II period to the 1990s as responses to profound social and economic change such as Polish jokes and JAP jokes
