Americans and their reactions to people both incarcerated and not **Criminal Intimacy** Regina Kunzel,2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America *Women, Film, and Law* Suzanne Bouclin,2021-03-15

Entertainment and profit constitute the driving force behind popular representations of women in correctional facilities But the creative influence of film and television also generates legal meaning The women in prison WIP genre can leave viewers

feeling both empathetic toward the women portrayed in these representations and troubled about the crimes for which they have been convicted Focusing on five exemplary WIP films and a television series Ann Vickers Caged Heat Stranger Inside Civil Brand and Orange Is the New Black Women Film and Law asks how fictional representations explore shape and refine beliefs about women who are incarcerated From melodrama to exploitation and from theatre screenings to on demand film television programs and music videos these texts bring into view the legal economic and political structures that criminalize women differently from men and that target those women who are already marginalized Women Film and Law convincingly argues that popular depictions of women s imprisonment can illuminate the multiple forms of social exclusion and oppression experienced by criminalized women Film Genre Reader IV Barry Keith Grant,2012-12-01 From reviews of the third edition Film Genre Reader III lives up to the high expectations set by its predecessors providing an accessible and relatively comprehensive look at genre studies The anthology s consideration of the advantages and challenges of genre studies as well as its inclusion of various film genres and methodological approaches presents a pedagogically useful overview Scope Since 1986 Film Genre Reader has been the standard reference and classroom text for the study of genre in film with more than 25 000 copies sold Barry Keith Grant has again revised and updated the book to reflect the most recent developments in genre study This fourth edition adds new essays on genre definition and cycles action movies science fiction and heritage films along with a comprehensive and updated bibliography The volume includes more than thirty essays by some of film s most distinguished critics and scholars of popular cinema including Charles Ram rez Berg John G Cawelti Celestino Deleyto David Desser Thomas Elsaesser Steve Neale Thomas Schatz Paul Schrader Vivian Sobchack Janet Staiger Linda Williams and Robin Wood *The Palgrave Handbook of Incarceration in Popular Culture* Marcus Harmes,Meredith Harmes,Barbara Harmes,2020-02-03 The Handbook of Incarceration in Popular Culture will be an essential reference point providing international coverage and thematic richness The chapters examine the real and imagined spaces of the prison and perhaps more importantly dwell in the uncertain space between them The modern fixation with seeing inside prison from the outside has prompted a proliferation of media visions of incarceration from high minded and worthy to voyeuristic and unrealistic In this handbook the editors bring together a huge breadth of disparate issues including women in prison the view from inside prisons as a source of entertainment the real worlds of prison and issues of race and gender The handbook will inform students and lecturers of media film popular culture gender and cultural studies as well as scholars of criminology and justice **Female Masculinity** Jack Halberstam,2019-01-05 In this quintessential work of queer theory Jack Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two centuries Demonstrating how female masculinity is not some bad imitation of virility but a lively and dramatic staging of hybrid and minority genders Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth century pre lesbian practices to contemporary drag king performances Through detailed

textual readings as well as empirical research Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them He rereads Anne Lister s diaries and Radclyffe Hall s *The Well of Loneliness* as foundational assertions of female masculine identity considers the enigma of the stone butch and the politics surrounding butch femme roles within lesbian communities and explores issues of transsexuality among transgender dykes lesbians who pass as men and female to male transsexuals who may find the label of lesbian a temporary refuge Halberstam also tackles such topics as women and boxing butches in Hollywood and independent cinema and the phenomenon of male impersonators Featuring a new preface by the author this twentieth anniversary edition of *Female Masculinity* remains as insightful timely and necessary as ever [Super Bitches and Action Babes](#) Rikke Schubart,2014-08-23 With actress Pam Grier s breakthrough in *Coffy* and Foxy Brown women entered action science fiction war westerns and martial arts films genres that had previously been considered the domain of male protagonists This ground breaking cinema however was and still is viewed with ambivalence While women were cast in new and exciting roles they did not always arrive with their femininity intact often functioning both as a sexualized spectacle and as a new female hero rather than female character This volume contains an in depth critical analysis and study of the female hero in popular film from 1970 to 2006 It examines five female archetypes the dominatrix the Amazon the daughter the mother and the rape avenger The entrance of the female hero into films written by produced by and made for men is viewed through the lens of feminism and post feminism arguments Analyzed works include films with actors Michelle Yeoh and Meiko Kaji the *Alien* films the *Lara Croft* franchise *Charlie s Angels* and television productions such as *Xena Warrior Princess* and *Alias* *American Prison Film Since 1930* David Gonthier,2006 This book studies a number of well known prison films from an analytical and historical perspective Throughout the years prison movies have appeared to be neglected within the canon of genres like westerns screwball comedies horror films and the like they have been recognized merely an adjunct subgenre to the more prominent genres like gangster films The prison movie is indeed its own separate genre and the book proves this by utilizing existing genre criticism especially from leading scholars like Thomas Schatz Although there have been a number of cross genre films *Blade Runner* is a fusion of science fiction film noir and action adventure *Star Wars* is a science fiction western action film etc the prison movie is perhaps the only pure bred genre that yields so many other genres within its original framework gangster prison films *The Big House* film noir prison films *Brute Force* western prison films *There Was a Crooked Man* sports prison films *The Longest Yard* science fiction prison films *Escape from New York* the POW film *Stalag 17* even musicals *Chicago* In addition to surveying the genre from 1930 2000 the book deconstructs twelve films in great detail through full annotated summaries based on the codes and conventions of the proposed genre films like *Stalag 17* *Cool Hand Luke* *Midnight Express* *Escape from Alcatraz* and *The Shawshank Redemption* are among the films considered **Small Press Record of Books in Print** Len Fulton,1994 **The Cumulative Book Index** ,1991 A world

list of books in the English language      *Female Masculinity* Judith Halberstam, Jack Halberstam, 1998 Masculinity without men In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years Providing the first full length study on this subject Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth century pre lesbian practices to contemporary drag king performances Through detailed textual readings as well as empirical research Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity She considers the enigma of the stone butch and the politics surrounding butch femme roles within lesbian communities She also explores issues of transsexuality among transgender dykes lesbians who pass as men and female to male transsexuals who may find the label of lesbian a temporary refuge Halberstam also tackles such topics as women and boxing butches in Hollywood and independent cinema and the phenomenon of male impersonators *Female Masculinity* signals a new understanding of masculine behaviors and identities and a new direction in interdisciplinary queer scholarship Illustrated with nearly forty photographs including portraits film stills and drag king performance shots this book provides an extensive record of the wide range of female masculinities And as Halberstam clearly demonstrates female masculinity is not some bad imitation of virility but a lively and dramatic staging of hybrid and minority genders      The Slide Area Anthony Slide, 1992-12 *The Slide Area* is a monthly book review column by film historian Anthony Slide which has appeared in *Classic Images* since January 1989 This anthology collects over 300 reviews published in the column through December 1991 For each book the reviewer provides bibliographic data information as to content and his own inimitable commentary which combines both a thorough knowledge of the subject to hand and an understanding of each title's relative merit Lillian Gish has called Slide Our preeminent historian of the silent film era and the *Los Angeles Times* has described him as a one man publishing phenomenon This anthology will be useful both to librarians and to researchers in tracking down film and television books of the past three years many of which have not been reviewed in library oriented publications Indexes      *In the Grip of the Law* Monika Fludernik, Greta Olson, 2004 This book contributes significantly to Law and Literature studies Arguing for the political relevance of their work the editors open the volume with an introduction that summarizes topical developments in law enforcement and penal politics including the prisonization of American society and popular support for la no tolerance approaches to crime The fourteen essays that follow six on trials and eight on prisons discuss subjects ranging from the political ramifications of Captain Kidd's trials for piracy to a reading of South African prison memoirs and include treatments of prison films courtroom dramas and works by Dickens Shakespeare and Scott The volume demonstrates powerfully how concepts of criminality are constructed and how literature participates in and sometimes enhances general discursive traditions of adversarial litigation and carcerality
