Prison Journals Duchesse De Duras, 2015-07-19 Excerpt from Prison Journals During the French Revolution The period of my confinement in different prisons during the Reign of Terror was so harassing that the idea of writing out its details did not then occur to me but when I had the consolation of seeing my son once more he was desirous of learning all about it I feared that I should be overcome by my feelings if I tried to relate the details to him and consequently determined to write the following memoirs My parents retired to their estate of Mouchy-le-Châtel in the Department of the Oise in the month of September 1792 I accompanied them thither and was their sole companion They resolved from prudential motives to receive visits from no one About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
