Prison Law:

Prison Law Mary Rogan, 2016-08-19 Prison litigation is becoming increasingly common in Ireland Prison numbers are at an all time high and conditions in many Irish prisons have been criticised by international and domestic human rights bodies such as the Irish Penal Reform Trust and the Inspector of Prisons who have voiced concern about the lack of accountability for decisions taken by prison administrators on issues such as discipline transfers and release The rights of prisoners are a key focus of the book These rights are examined in relation to prison conditions contact with the outside world discipline remission transfer and release Prison Law analyses practical issues that prison law practitioners are likely to come up against such as causes of action evidential difficulties and time limits Written from both a domestic and international perspective the book sets out the position in Irish prisons of particular groups including women children foreign prisoners and those from an ethnic minority background and identifies areas in which the treatment of prisoners gives rise to concerns under the Constitution or the European Convention on Human Rights The most up to date book in this legal area Prison Law also includes an appendix setting out the fully consolidated Prison Rules 2007 2013 This title is included in Bloomsbury Professional's Irish Criminal Law online service

English Prison Law Sally Ramage, 2009-06 This practical book on English prison law includes the relevant legislation details of the statutory Agencies and Non governmental organisations that deal with prisoners a description of the prison system children in prison prisoners rights and privileges complaints the discipline procedure and offences committed in prison

Principles of European Prison Law and Policy Dirk van Zyl Smit, Sonja Snacken, 2009-01-08 In recent years European prison law and policy have emerged as a force to be reckoned with This book explores its development and analyses the penological and human rights foundations on which it is based It examines the findings of the European Committee for the Prevention of Torture the recommendations of the Council of Europe and the judgments of the European Court of Human Rights From these sources it makes the general principles that underlie European prison law and policy explicit emphasising the principle of using imprisonment as a last resort and the recognition of prisoners rights The book then moves on to apply these principles to conditions of imprisonment regimes in prison contacts between prisoners and the outside world and the maintenance of good order in prisons The final chapter of the book considers how European prison law and policy could best be advanced in future The authors argue that the European Court of Human Rights should adopt a more proactive approach to ensuring that imprisonment is used only as a last resort and that a more radical interpretation of the existing provisions of the European Convention on Human Rights will allow it to do so It concludes that the growing cooperation on prison matters within Europe bodes well for the increased recognition of prisoners rights across Europe In spite of some countervailing voices Europe should increasingly be able to give an international lead in a human rights approach to prison law and policy in the same way it has done with the abolition of the death penalty

Prison Law, 1972 *European Prison Rules* Council of Europe. Committee of Ministers, 2006-01-01

This publication examines the rules in force in Europe governing prisons and the treatment of prisoners including the use of force the selection of prison staff and the protection of prisoners human rights based on Recommendation Rec 2006 2 on the European Prison Rules which was adopted by the Committee of Ministers of the Council of Europe in January 2006 It contains the text of the recommendation with a detailed commentary on it together with a report which considers recent developments and analyses the effectiveness of these rules and of imprisonment as a form of punishment *Prisoner Litigation* Jim Thomas,1988 a brilliant investigation Thomas book not only is an excellent descriptive and interpretive analysis but it will surely provide the basis of further research on JHLs and jailhouse lawyering It presently stands as the definitive statement on the subject CONTEMPORARY SOCIOLOGY **Laws of the State of New York** New York (State),1913

American Prisons and Jails Vidisha Barua Worley,Robert M. Worley,2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections *Criminal Law in China* Shizhou Wang,2017-11-20 Derived from the renowned multi volume International Encyclopaedia of Laws this book provides a practical analysis of criminal law in China An introduction presents the necessary background information about the framework and sources of the criminal justice system and then proceeds to a detailed examination of the grounds for criminal liability the justification of criminal offences the defences that diminish or excuse criminal liability the classification of criminal offences and the sanctions system Coverage of criminal procedure focuses on the organization of investigations pre trial proceedings trial stage and legal remedies A final part describes the execution of sentences and orders the prison system and the extinction of custodial sanctions or sentences Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable resource for criminal lawyers prosecutors law enforcement officers and criminal court judges handling cases connected with China Academics and researchers as well as the various international organizations in the field will welcome this very useful guide and will appreciate its value in the study of comparative criminal law **McKinney's Consolidated Laws of New York Annotated**

New York (State),1917 **Prison Librarianship Policy and Practice** Suzanna Conrad,2016-11-23 Prisoners are in a grey area regarding library services Prison libraries violate many tenets of librarianship with the justification of maintaining order The field is de professionalized many positions are filled by persons without degrees in library science and corrections administrators often write policy for services Critics cite the need to implement public library service models despite practical difficulties This book investigates state national and international policies on prison libraries reviews literature on the topic and describes partnerships between prisons and public libraries Results from a national survey and follow up interviews are included providing a full narrative of policy outcomes in U S prisons *Contrasting Prisoners' Rights* Liora Lazarus,2004 This work aims to provoke reflection on the English conception and treatment of prisoners rights through juxtaposition with prisoners rights in Germany The systems are compared and placed against a wider social background and the methodological problems of comparative law are considered **Just Prisons** Tom Daems,Elena Larrauri,2024-11-25 This edited book explores how requests and complaints by prisoners are being dealt with by prison governors administrations or independent bodies such as complaint commissions in different parts of Europe It asks who complains and why How are complaints from prisoners being dealt with from a legal and empirical point of view How do procedures work and can they be considered effective Should administrative procedures be exhausted before appealing to a judge It explores whether such systems comply with international regulation such as the European Prison Rules the UN Mandela Rules or the case law of the ECtHR It speaks to academics NGOs and lawyers with an interest in prison law human rights bodies and prison monitoring bodies *Journal of the Assembly of the State of New York* New York (State). Legislature. Assembly,1920 *Oriental Economic Review* ,1910 **The Evolving Protection of Prisoners' Rights in Europe** Gaëtan Cliquenois,2022-12-30 The Evolving Protection of Prisoners Rights in Europe explores the development of the framing of penal and prison policies by the European Court of Human Rights ECHR clarifying the European expectations of national authorities and describing the various models existing in Europe with a view to analysing their mechanisms and highlighting those that seem the most suitable A new frame of penal and prison policies in Europe has been progressively established by the ECHR and the Council of Europe CoE to protect the rights of detainees in Europe European countries have reacted very diversely to these policies This book has several key benefits for readers A global and detailed overview of the ECHR jurisprudence on penal and prison policies through an analysis of its development over time An analysis of the interactions between the Strasbourg Court and the CoE bodies Committee of Ministers Committee for the Prevention of Torture and their reinforced framing of domestic penal and prison policies A detailed examination of the impacts of the European case law on penal and prison policies within ten nation states in Europe including Romania which is currently very underresearched A robust engagement with the diverse national reactions to this European case law as a policy strategy This book will be of great interest to scholars and students of Law Criminal Justice Criminology and Sociology It will also appeal to civil servants judges lawyers etc

professionals and policymakers working for the CoE the European Union and the United Nations Ministries of Justice prison departments and human rights institutions as well as activists working for INGOs and NGOs

A New Study on the Judicial Administrative System with Chinese Characteristics Yong'an Ren,Xiayang Lu,2020-05-13 This book offers a comprehensive introduction to China's judicial administration system It presents in depth analyses of the country's current judicial administration system as well as a new theory on the system that is based on the realities of today's China and provides guidance on reform The book examines the system as a whole as well as various specific aspects of judicial administration putting forward bold theoretical proposals for improving China's judicial administration system and judicial system in general
