Cortes,2009-09-29 2049 Earth s prisons are shut down and all inmates placed in massive hibernation tanks In the ten years since then no one has broken out until now When prisoners check into Washington D C s maximum security sugar cube they don t check out Here lie suspended not just the planet s most dangerous criminals but also half a million so called center inmates troublesome activists whose only offense is to challenge those in power Laurel Cole was one of those inmates and now she s on the run After pulling off a meticulously executed escape plan she and her team must elude the police by descending into the tunnels that run like poisoned veins beneath the city Pursued by a ruthless mercenary who knows these sewers better than anyone Laurel seeks help from a group of renegades who live huddled in the fetid darkness But if she ever hopes to see daylight again and expose the government s lies she ll have to go even deeper and the clock is ticking      **Prisoners** Dorothy Bryant,1980      Prisoners of the Japanese Roger Bourke,2006 Between December 1941 and May 1942 the Japanese army took more than 130 000 allied prisoners of war more than a quarter did not survive their imprisonment Here Bourke analyses the major novels and films of the prisoners of war experience under the Japanese and uncovers the extent to which these fictions have influenced our beliefs      *Race and Masculinity in Contemporary American Prison Novels* Auli Ek,2020-10-28 This book offers an interdisciplinary analysis of how contemporary American prison narratives reflect and produce ideologies of masculinity in the United States and in so doing compellingly engages popular culture in order to demonstrate the profound ways in which implicit understandings of prison life shape all Americans and their reactions to people both incarcerated and not      **The Self in the Cell** Sean C. Grass,2014-01-27 Michel Foucault s writing about the Panopticon in *Discipline and Punish* has dominated discussions of the prison and the novel and recent literary criticism draws heavily from Foucauldian ideas about surveillance to analyze metaphorical forms of confinement policing detection and public scrutiny and censure But real Victorian prisons and the novels that portray them have few similarities to the Panopticon Sean Grass provides a necessary alternative to Foucault by tracing the cultural history of the Victorian prison and pointing to the tangible relations between Victorian confinement and the narrative production of the self *The Self in the Cell* examines the ways in which separate confinement prisons with their demand for autobiographical production helped to provide an impetus and a model that guided novelists explorations of the private self in Victorian fiction      **Pacifism, Peace and Modern Welsh Writing** Linden Peach,2019-05-01 The book takes a literary historical approach to its subject which opens up new perspectives on the history of peace and pacifism in Wales which historical approaches alone have overlooked It includes English and Welsh language texts and highlights the interdependence of English and Welsh culture in Wales Quotations from Welsh language texts are given in Welsh and in English translation to assist readers who

are not Welsh speakers The reader is introduced to the changing nature of pacifism peace and anti warism and how these terms have acquired different meanings over time The historical narrative is designed to make this scholarship more accessible to the reader who is not a specialist in peace studies The arguments of the book are illustrated and developed in accessible but original readings of key Welsh writers on peace and pacifism *Reading Is My Window* Megan Sweeney,2010-02-15 Drawing on extensive interviews with ninety four women prisoners Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts negotiate their present experiences and reach toward different futures Foregrounding the voices of African American women Sweeney analyzes how prisoners read three popular genres narratives of victimization urban crime fiction and self help books She outlines the history of reading and education in U S prisons highlighting how the increasing dehumanization of prisoners has resulted in diminished prison libraries and restricted opportunities for reading Although penal officials have sometimes endorsed reading as a means to control prisoners Sweeney illuminates the resourceful ways in which prisoners educate and empower themselves through reading Given the scarcity of counseling and education in prisons women use books to make meaning from their experiences to gain guidance and support to experiment with new ways of being and to maintain connections with the world

**Jail Sentences** Andrew Sobanet, 2008-01-01 A long list of canonical writers in Western literature have experienced incarceration and have subsequently written celebrated works about the imprisoned and the condemned The French tradition is no exception writers who produced noteworthy texts while incarcerated or who later wrote about their experiences in prison are found on the literary historical landscape from the medieval era through the twentieth century Prison writing by inmates former guards chaplains teachers and doctors is firmly established as part of the fabric of popular culture and has long attracted the attention of culture critics and scholars Nevertheless scant analysis exists of the prison novel a literary genre that as Andrew Sobanet argues in Jail Sentences uses fiction as a documentary tool Its narrative peculiarities which are the main subjects of Sobanet's study include the use of autobiographical and testimonial techniques to critique the penitentiary system Jail Sentences is the definitive study of the legacy of the Western tradition of prison writing in twentieth century French literature Although Sobanet focuses primarily on French writers Victor Serge Jean Genet Albertine Sarrazin and François Bon his keen sense of literary dialogue pulls into the orbit of his study an international corpus of work from Dostoyevsky to Malcolm X Jail Sentences arrives at a coherent definition of the genre whose unique conventions stem from the innermost regions of our understanding of stories truth fiction and belief The Publishers

Weekly, 1900 **Prison Writing of Latin America** Joey Whitfield, 2018-07-26 What happens inside Latin American prisons How does the social organisation of prisoners relate to the political structures beyond the walls Is it possible to resist corrupt penal regimes In Prison Writing of Latin America Joey Whitfield turns to those best placed to answer these questions people who have been imprisoned themselves Drawing on a century of material produced by Latin American prisoners from Mexico Cuba Costa Rica Colombia Peru Bolivia and Brazil Whitfield weaves readings of novels memoirs and testimonial texts with social and political analysis Rather than distinguishing between dictatorial and democratic periods of government he shows that from the point of view of the prisoner all states are authoritarian in nature In the face of oppression however prisoners both political and criminal have found ways not only to resist but also to create alternative communities both real and

imagined sometimes in collaboration with each other
