Historical Dictionary of the Spanish Civil War Francisco J. Romero Salvadó, 2013-03-14 The tragedy that devastated Spain for 33 months from July 1936 to April 1939 was first and foremost a brutal fratricidal conflict the product of the fatal clash between diametrically opposed views of Spain and an attempt to settle crucial issues which had divided Spaniards for generations agrarian reform recognition of the identity of the historical regions Catalonia the Basque Country and the roles of the Catholic Church and the armed forces in a modern state Being a war between Spaniards it was particularly brutal but it was also part of the broader move toward war in Europe and thus sucked in many volunteers from abroad And it left a deep imprint since General Francisco Franco remained at the helm of the country until his death in 1975 The Historical Dictionary of the Spanish Civil war covers the history of the war first through a long chronology which highlights the major steps from the incubation to the conclusion The overall situation is

summed up in the introduction Then the dictionary section fleshes it out with over 600 entries on persons places events institutions battles and campaigns More reading can be found in an extensive bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Spanish Civil War The Spanish Civil War Paul Preston,2012-08-27 The definitive work on the Spanish Civil War a classic of modern historical scholarship and a masterful narrative Paul Preston is the world s foremost historian of Spain This surging history recounts the struggles of the 1936 war in which more than 3 000 Americans took up arms Tracking the emergence of Francisco Franco s brutal and ultimately extraordinarily durable fascist dictatorship Preston assesses the ways in which the Spanish Civil War presaged the Second World War that ensued so rapidly after it The attempted social revolution in Spain awakened progressive hopes during the Depression but the conflict quickly escalated into a new and horrific form of warfare As Preston shows the unprecedented levels of brutality were burned into the American consciousness as never before by the revolutionary war reporting of Ernest Hemingway John Dos Passos Herbert Matthews Vincent Sheean Louis Fischer and many others Completely revised including previously unseen material on Franco s treatment of women in wartime prisons The Spanish Civil War is a classic work on this pivotal epoch in the twentieth century The Spanish Civil War Burnett Bolloten,2015-12-01 This monumental book offers a comprehensive history and analysis of Republican political life during the Spanish Civil War Completed by Burnett Bolloten just before his death in 1987 and first published in English in 1991 The Spanish Civil War is the culmination of fifty years of dedicated and painstaking research and is the most exhaustive study on the subject in any language It has been regarded as the authoritative political history of the war and an indispensable encyclopedic guide to Republican affairs during the Spanish conflict This new edition includes a new introduction by Spanish Civil War scholar George Esenwein an updated bibliography featuring books on the Spanish Civil War published since 1987 and seventy three photos of the war s participants **The Spanish Civil War** Burnett Bolloten,1991 A detailed account of the war describes Republican political life during the period and recounts the rise of the Spanish Communist Party *Jewish Volunteers, the International Brigades and the Spanish Civil War* Gerben Zaagsma,2017-04-06 *Jewish Volunteers, the International Brigades and the Spanish Civil War* discusses the participation of volunteers of Jewish descent in the International Brigades during the Spanish Civil War focusing particularly on the establishment of the Naftali Botwin Company a Jewish military unit that was created in the Polish Dombrowski Brigade Gerben Zaagsma analyses the symbolic meaning of the participation of Jewish volunteers and the Botwin Company both during and after the civil war He puts this participation in the broader context of Jewish involvement in the left and Jewish non Jewish relations in the communist movement and beyond To this end the book examines representations of Jewish volunteers in the Parisian Yiddish press both communist and non communist In addition it analyses the various ways in which Jewish volunteers and the Botwin Company have been commemorated after WWII tracing how discourses about Jewish volunteers became decisively shaped by post Holocaust debates on Jewish responses to

fascism and Nazism and discusses claims that Jewish volunteers can be seen as the first Jews to resist Hitler with arms

Maley George Watters Donald Renton and Archibald Williams were members of Machine Gun Company No 2 of the XV International Brigade This is the first book to focus on a small group of men from different starting points ended up in the same battleground at Jarama and then in the same prisons after capture by Franco s forces Their remarkable story is told both in their own words and in the recollections of their sons and daughters through a prison notebook newspaper reports stills cut from newsreels interviews anecdotes and memories with a foreword by Daniel Gray Our Fathers Fought Franco is a collective biography that promises to add significantly to the understanding of the motives of those who went because their open eyes could see no other way Two Communist Brothers from Washington, New Hampshire and their Fight Against Fascism Donald H. Forbes,2013-07-30 Joe and Homer Chase were brought up on a working farm in Washington New Hampshire They learned sophisticated lessons of politics and economics at their parents knees Each spent his life fighting for the working class Joe the elder brother fought on the European front in World War II against the fascist threat At home he worked in union jobs in the Boston area exposing the evils of the Smith and Taft Hartley Acts while attending to his duties as a representative of his fellow workers in the Railroad Brotherhoods Homer Joe s younger brother fought against Fascism by joining the Abraham Lincoln Brigade to fight in the Spanish Civil War during the 1930s He fought Hitler s regime again in World War II as a paratrooper with the 17th Airborne After his return from the battlefields of Europe Homer continued his work for social justice for the Afro Americans right to vote and for workers rights to unionize in the South in the 1940s and early1950s and later in the North Republic Besieged Paul Preston,2019-08-07 This book is a compilation of several articles about the Spanish Civil War by different authors each one dealing with a matter **Renegades** Michael Petrou,2008-03-01 Renegades Canadians in the Spanish Civil War by veteran journalist Michael Petrou tells the story of the 1 681 Canadians who between 1936 and 1939 defied Canadian law to fight fascism in the Spanish Civil war The war pitted a left leaning democratically elected Spanish government against a military uprising led by Francisco Franco and supported with weapons and tens of thousands of troops by Fascist Italy and Nazi Germany By the time it was over fascism had triumphed in Spain and more than 400 Canadians were dead Until now little was known about these men and women and about those who survived Petrou has changed this He has drawn on recently declassified material interviewed veterans and visited the battlefields of Spain to write the definitive history of Canadians in the war Jack Granatstein one of Canada s leading military historians concludes Based on massive research this is the best and most complete account of Canadians in the Spanish Civil War we are ever likely to get Renegades reveals that Spanish Civil War veterans were pressured to become police informers with the cooperation of the federal government that a 1970 application by a veterans group for non profit status was opposed by the federal government out of fear that approving the application might offend Spain s fascist dictator Francisco Franco and that the RCMP spied on Canadian veterans at least until 1980 when one police report noted that the veterans political motivations are more in keeping with the NDP philosophies Other highlights include Detailed and vivid

descriptions of the battles the Canadians fought and their lives in Spain between action The stories of Canadian prisoners of war are also told as are accounts of Canadians who were imprisoned and otherwise punished sometimes severely by their own commanders New and sensational information about Dr Norman Bethune whom Spanish authorities accused of espionage and of having a secretly fascist lover The story of a young University Toronto student who was jailed as a suspected spy and was lucky to leave Spain alive After reading recently declassified documents from Soviet archives about this man Petrou tracked him down and interviewed him at the age of 90
