Ex-prisoners of War Gardner N. Hatch, W. Curtis Musten, John S. Edwards, 1988 **The World's Work**, 1919 A history of our time *Prisoners and their Families* Pauline Morris, 2023-10-25 Originally published in 1965 and reissued here with a new foreword this study as far as was known was the first attempt in this country to look at the problems of the families of prisoners on a national scale It took over three years and is based upon a survey of a representative national sample of prisoners and their dependants together with an intensive longitudinal study of a smaller sample The survey attempts to portray objectively the conditions of life for the families of a wide range of men in prison at the time and covers stars recidivists and civil prisoners Too often in prison work the family is thought of as some external appendage remote and irrelevant to the process of treatment and training rather than as a continuous influence upon the man in custody and the report aimed to correct this impression The primary object of this research was to elicit facts upon which penologists and administrators might base future policies There are three principal issues upon which specific recommendations are made 1 the financial provision for prisoners families 2 the improvement of social casework in prisons and 3 the improvement of facilities for contact between the prisoner and his family In a field in which there was much distress and concern this study at last offered a real insight into the facts and definite suggestions for progress Young Men in Prison Joel Harvey, 2012-12-06 This book examines how young men between the ages of 18 and 21 make the transition to prison life and how they adapt practically socially and psychologically Based on extensive research in Feltham Young Offenders Institution this book examines in particular the role of social support both inside and outside prison in relation to their adaptation along with the constructs of trust locus of control and safety It concentrates both on the successful adaptation to prison life and on the experience of individuals who have difficulties in adapting it pays special attention to those who harm themselves whilst in prison It is the first study to provide an in depth account of the psycho social experience of imprisonment for young adults Understanding this early stage of imprisonment is of major importance to policy makers and practitioners in the light of the fact that up to a half of completed suicides occur within the first month in prison **Encyclopedia of Prisons and Correctional Facilities** Mary Bosworth, 2005 Are included Annotation 2004 Book News Inc Portland OR booknews com *Prisoners on Criminology* William S. When Texas Prison Scams Religion Michael G. Maness, 2023-05-22

When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
