Larchet,2019-03-01 Dr Jean Claude Larchet renowned for his examinations of the causes and consequences of spiritual and physical illness tackles the pressing question of the societal and personal effects of our societal use of new media The definition of new media is broad from radio to smart phones and the analysis of their impact is honest and straightforward His meticulous diagnosis of their effects concludes with a discussion of the ways individuals might limit and counteract the most deleterious effects of this new epidemic

Romans de Waverley: La Collection Complète Walter Scott,2023-12-03 La collection complète des Romans de Waverley de Walter Scott constitue un jalon majeur dans la littérature britannique du début du XIXe siècle Ces romans mêlant aventures piquées et réflexions sur l'identité nationale écossaise sont écrits dans un style riche et vocateur caractéristique du romantisme naissant L'œuvre prend place dans un contexte littéraire où la nostalgie pour le passé médiéval et les luttes politiques de l'écosse se revivent omniscientes et Scott s'applique à lier fiction et histoire plongeant le lecteur dans une ambiance à la fois captivante et didactique Walter Scott souvent considéré comme le père du roman historique a été profondément influencé par son attachement à l'écosse et par une vie passée dans les légendes et les histoires locales Son parcours entre études de droit et engagements dans la vie publique lui a conduit à privilégier une vision romantique et idéaliste de son pays natal qu'il exprime à travers ses personnages et ses intrigues pluridimensionnelles Il souhaitait ainsi veiller chez ses contemporains à une sensibilité pour leur héritage culturel Je recommande vivement cette collection non seulement pour la beauté de l'écriture de Scott mais aussi pour sa capacité d'offrir un miroir sur l'écossisme Les lecteurs y trouveront un mélange fascinant d'intrigues palpitantes et de réflexions sur la culture et l'identité rendant cette œuvre incontournable pour quiconque s'intéresse à la littérature historique et au romantisme
