*The Private Adam* Shmuel Boteach, 2003      *The Private Adam* Shmuley Boteach, 2005-05-03 Contemporary culture blasts us daily with dubious models of how we should behave from the strip club aesthetics of MTV teen idols to the clawing hell bent competitions of reality TV it seems that every corner of our media drenched society is saying Shed your dignity exploit yourself and others and you ll be on the path to glory In *The Private Adam* the noted rabbi and social commentator Shmuley Boteach reflects on the role of the hero in contemporary culture and contends that the media celebrates and rewards the values of the classical hero the aggressive macho warrior of ancient Rome who is motivated solely by self promotion and that the glorification of this figure has rendered us a crueller harsher and more shallow society In contrast Boteach celebrates the Private Adam the everyday men and women whose heroism stems from their lives of selfless actions and small sacrifices even if an equestrian statue will not be erected in their honor Illuminated with inspiring examples from history and contemporary life and filled with valuable advice *The Private Adam* is Boteach s most thoughtful book yet      *Face Your Fear* Shmuley Boteach, 2013-09-17 A world famous thinker author lecturer and activist whose diverse acclaimed and immensely popular body of work covers such subjects as religion relationships and bravery Boteach now turns his attention to America s present state of mind and comes to the conclusion that fear is crippling society with unprecedented force The only way to escape this climate is to learn what fear is and how to overcome it He tackles fear headlong and answers the following questions What is fear What is it doing to us Why is it affecting us now more than ever before How can we be so powerful a society yet so susceptible to fear How can we conquer it Why do we need to conquer it *Face Your Fear* is a book so relevant that it has a chance to be absorbed by society s consciousness and to change the way we think      *Renewal* Shmuley Boteach, 2010-09-07 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book *Renewal* our society can made whole again when we as individuals make the choice to live a life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern world from Christians and Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life *Renewal* shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life      *Renewal* Shmuel Boteach, 2010-05-25 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and

punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book *Renewal* our society can be made whole again when we as individuals make the choice to live a life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern world from Christians and Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life *Renewal* shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life

**Destiny** Unlike the Greeks who believed that life was scripted from birth the Jews believe in destiny In short they reject the idea of tragic fates and instead champion the individual's capacity to create their own destiny through individual choice

**Redemption** Christians and Muslims emphasize salvation or the need for man to become spiritual to refine his character and earn a place in heaven But Jews believe in world redemption the capacity for the individual to make heaven here on earth for the betterment of the community

**Action** What you do is more important than what you believe Good deeds always supersede good dogma

**Enlightenment** Jews are an infinitely curious people and believe that the great bane of existence boredom can only be cured by knowledge

**Marriage** Marriage refers not just to the institution but rather the softening of the masculine by exposure to the feminine A culture that does not know how to respect women is bound to collapse

**Struggle** It is wrestling with our nature rather than attaining perfection that constitutes true righteousness Everyone is somehow flawed but righteousness is found in the struggle to do right amid a predilection to act selfishly

**Sacred Time** Whereas other religions sanctify space Jewish values privilege special moments The Sabbath day the holiest day of the week provides a time for connecting with family and friends

[The Moral Philosophy of Judaism](#) Martin Sicker, 2010-05-14 The concern of *The Moral Philosophy of Judaism* is with the first principles that underlie the approach of Judaic ethics to the manifold issues confronting mankind generally and adherents of Judaism in particular in the contemporary world The book explores the fundamental biblical concept of man's moral autonomy and its implications the meaning and significance of the fundamental biblical doctrine of man being created in the image of God the nature of an individual's moral judgment the complex issue of the relationship between natural morality and law and between law and justice in Judaism the concept of imitatio Dei and its implications the meaning of good and evil from a Judaic perspective and biblical formulation of the Golden Rule and the reasons for its reformulation in later rabbinic literature as a general guide to the establishment of a socially harmonious moral and just society

*Citizen Moore* Roger Rapoport, 2007 Investigative reporter Roger Rapoport interviewed over 200 people who played key roles in Michael Moore's life from the
