Private Memoirs Confessions Of A Justi:

The Private Memoirs and Confessions of a Justified Sinner (Psychological Thriller) James Hogg, 2017-06-28 The story traces Robert Wringhim's gradual decline into despair and madness as his doubts about the righteousness of his cause are counteracted by what appears to be the Devil himself who is increasing domination over his life. Finally Robert loses control over his own identity and starts committing murders. The action of the novel is located in a historically definable Scotland with accurately observed settings and simultaneously implies a pseudo-Christian world of angels, devils, and demonic possession. Many of the events of the novel are narrated twice: first by the editor who gives his account of the facts as he understands them to be, and then in the words of the sinner himself. Considered by turns part gothic novel, part psychological mystery, it can be thought of as an early example of modern crime fiction in which the story is told for the most part from the point of view of its criminal anti-hero. James Hogg (1770-1835) was a Scottish poet, novelist, and essayist who wrote in both Scots and English. As a young man, he worked as a shepherd and farmhand and was largely self-educated through reading. He was a friend of many of the great writers of his day, including Sir Walter Scott, of whom he later wrote an unauthorized biography. *The Private Memoirs and Confessions of a Justified Sinner* James Hogg, 2007. My life has been a life of trouble and turmoil of change and vicissitude of anger and exultation of sorrow and of vengeance. My sorrows have all been for a slighted gospel and my vengeance has been wreaked on its adversaries. Therefore in the might of Heaven I will sit down and write. I will let the wicked of this world know what I have done in the faith of the promises and justification by grace that they may read and tremble and bless their gods of silver and gold that the minister of Heaven was removed from their sphere before their blood was mingled with their sacrifices.

The Private Memoirs and Confessions of a Justified Sinner: Written by Himself, Etc. [By James Hogg]., 1824 *Confessions of a Justified Sinner* James Hogg, 1992-12-15 A comic and terrifying novel about a man haunted by the Devil in the form of his own evil double. James Hogg (1770-1835) was a Scottish poet, novelist, and farmer whose work was discovered by Sir Walter Scott and admired by writers as different as Wordsworth and Byron. His most famous book, *Confessions of a Justified Sinner*, published in 1824 and set in seventeenth-century Scotland, is a vivid exploration of fanaticism and the power of evil. The novel's anti-hero, a young man named Robert Wringhim, falls under the influence of an enigmatic shape-shifting companion, Gil Martin, who convinces him that he is one of God's chosen few and thus justified even in committing murder. Robert begins by focusing his murderous intentions on his more worldly and popular half brother, the son of the Laird of Dalcastle, but before long he is besieged by doubts about his beliefs and even his own identity. Anticipating Dostoevsky's great dramas of sin, self-accusation, and damnation, by half a century Hogg's masterpiece employs a comparable combination of black comedy, bitter realism, and colorful narrative sweep. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper with full cloth cases, with two-color foil stamping, decorative endpapers, silk ribbon markers, and European-style half-round spines.
