**John Van Houten Dippel**

## **Private Civil War Popular Thought During The Sectional Conflict:**

**The Private Civil War** Randall C. Jimerson, 1988      Civil War Eyewitnesses Garold Cole, 2000 A bibliographical guide to recently published Civil War diaries journals letters and memoirs      **The American Civil War** Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience      The Union Soldier in Battle Earl J. Hess, 1997 A reminder that the buisness of war is killing this study recounts the hellish realms of Civil War combat Drawing upon letters diaries and memoirs of Northern soldiers it reveals not only their deepest fears and shocks but also their sources of inner strengths      *The Age of Lincoln* Orville Vernon Burton, 2008-07-08 Stunning in its breadth and conclusions The Age of Lincoln is a fiercely original history of the five decades that pivoted around the presidency of Abraham Lincoln Abolishing slavery the age s most extraordinary accomplishment was not its most profound The enduring legacy of the age of Lincoln was inscribing personal liberty into the nation s millennial aspirations America has always perceived providence in its progress but in the 1840s and 1850s pessimism accompanied marked extremism as Millerites predicted the Second Coming utopianists planned perfection Southerners made slavery an inviolable honor and Northerners conflated Manifest Destiny with free market opportunity Even amid historic political compromises the middle ground collapsed In a remarkable reappraisal of Lincoln the distinguished historian Orville Vernon Burton shows how the president s authentic Southernness empowered him to conduct a civil war that redefined freedom as a personal right to be expanded to all Americans In the violent decades to follow the extent of that freedom would be contested but not its central place in what defined the country Presenting a fresh conceptualization of the defining decades of modern America The Age of Lincoln is narrative history of the highest order      **Shattered Nation** Edwin Hanton Robertson, 1967      **The "true Professional Ideal" in America** Bruce A. Kimball, 1996 Bruce A Kimball

attacks the widely held assumption that the idea of American professionalism arose from the proliferation of urban professional positions during the late nineteenth century This first paperback edition of *The True Professional Ideal in America* argues that the professional ideal can be traced back to the colonial period This comprehensive intellectual history illuminates the profound relationships between the idea of a professional and broader changes in American social cultural and political history

**Walker's Texas Division, C.S.A.** Richard Lowe, 2006-04-01 Colorfully known as the Greyhound Division for its lean and speedy marches across thousands of miles in three states Major General John G Walker's infantry division in the Confederate army was the largest body of Texans about 12 000 men at its formation to serve in the American Civil War From its creation in 1862 until its disbandment at the war's end Walker's unit remained uniquely for either side in the conflict a stable group of soldiers from a single state Richard Lowe's compelling saga shows how this collection of farm boys store clerks carpenters and lawyers became the trans Mississippi's most potent Confederate fighting unit from the vain attack at Milliken's Bend Louisiana in 1863 during Grant's Vicksburg Campaign to stellar performances at the battles of Mansfield Pleasant Hill and Jenkins Ferry that helped repel Nathaniel P Banks's Red River Campaign of 1864 Lowe's skillful blending of narrative drive and demographic profiling represents an innovative history of the period that is sure to set a new benchmark

**The View from the Ground** Aaron Sheehan-Dean, 2006-12-22 Civil War scholars have long used soldiers' diaries and correspondence to flesh out their studies of the conflict's great officers regiments and battles However historians have only recently begun to treat the common Civil War soldier's daily life as a worthwhile topic of discussion in its own right *The View from the Ground* reveals the beliefs of ordinary men and women on topics ranging from slavery and racism to faith and identity and represents a significant development in historical scholarship the use of Civil War soldiers' personal accounts to address larger questions about America's past Aaron Sheehan-Dean opens *The View from the Ground* by surveying the landscape of research on Union and Confederate soldiers examining not only the wealth of scholarly inquiry in the 1980s and 1990s but also the numerous questions that remain unexplored Chandra Manning analyzes the views of white Union soldiers on slavery and their enthusiastic support for emancipation Jason Phillips uncovers the deep antipathy of Confederate soldiers toward their Union adversaries and Lisa Laskin explores tensions between soldiers and civilians in the Confederacy that represented a serious threat to the fledgling nation's survival Essays by David Rolfs and Kent Dollar examine the nature of religious faith among Civil War combatants The grim and gruesome realities of warfare and the horror of killing one's enemy at close range profoundly tested the spiritual convictions of the fighting men Timothy J Orr Charles E Brooks and Kevin Levin demonstrate that Union and Confederate soldiers maintained their political beliefs both on the battlefield and in the war's aftermath Orr details the conflict between Union soldiers and Northern antiwar activists in Pennsylvania and Brooks examines a struggle between officers and the Fourth Texas Regiment Levin contextualizes political struggles among Southerners in the 1880s and 1890s as a continuing battle kept alive by memories of and identities associated with their

wartime experiences *The View from the Ground* goes beyond standard histories that discuss soldiers primarily in terms of campaigns and casualties These essays show that soldiers on both sides were authentic historical actors who willfully steered the course of the Civil War and shaped subsequent public memory of the event     *The Battle Rages Higher* Kirk Jenkins,2010-09-12 *The Battle Rages Higher* tells for the first time the story of the Fifteenth Kentucky Infantry a hard fighting Union regiment raised largely from Louisville and the Knob Creek valley where Abraham Lincoln lived as a child Although recruited in a slave state where Lincoln received only 0.9 percent of the 1860 presidential vote the men of the Fifteenth Kentucky fought and died for the Union for over three years participating in all the battles of the Atlanta campaign as well as the battles of Perryville Stones River and Chickamauga Using primary research including soldiers letters and diaries hundreds of contemporary newspaper reports official army records and postwar memoirs Kirk C Jenkins vividly brings the Fifteenth Kentucky Infantry to life The book also includes an extensive biographical roster summarizing the service record of each soldier in the thousand member unit Kirk C Jenkins a descendant of the Fifteenth Kentucky's Captain Smith Bayne is a partner in a Chicago law firm Click here for Kirk Jenkins website and more information about the 15th Kentucky Infantry     [Damn Yankees!](#) George C. Rable,2015-11-18 Walter Lynwood Fleming Lectures in Southern History Louisiana State University     **General Lee's Army** Joseph Glatthaar,2009-03-24 A history of the Confederate troops under Robert E Lee presents portraits of soldiers from all walks of life offers insight into how the Confederacy conducted key operations and reveals how closely the South came to winning the war     [Late to the Fight](#) Alexandre F. Caillot,2025-05-07 In *Late to the Fight* Alexandre F Caillot explores the combat performance of the Union soldiers who filled newly raised regiments that fought through the Civil War's final year Historians have typically regarded these late enlistees as substandard to those who signed on at the war's start Using the experiences of the 17th Vermont and 31st Maine Volunteer Infantry Regiments to assess the record of late arriving soldiers under fire Caillot shows that these forgotten boys in blue left behind a record of valor and sacrifice essential to achieving the destruction of the Confederacy     [Stonewall](#) Byron Farwell,1993 In the first major biography of Stonewall Jackson in more than 30 years Farwell reveals the quirky obsessive dark personality behind the legendary Confederate general who died at Chancellorsville Despite many limitations Jackson's genius was unquestionable as revealed in this meticulously researched narrative Photos     [Lesser Civil Wars](#) Marsha R. Robinson,2012-12-05 *Lesser Civil Wars* *Civilians* *Defining War and the Memory of War* is an edited volume that surveys three hundred years of the Memory of war and the Will to war in the greater Ohio River Valley and Great Lakes region Military theorists from von Clausewitz to Dingiswayo and Chandragupta calculated the Will of their own soldiers and of the enemy's soldiers Sometimes the Will is assigned an erroneously low strength as Abraham Lincoln learned quickly at the onset of the United States Civil War In this volume we examine the civilian production of the national Will to fight future wars through the least civil war each individual's war to remember or to forget and no armistice or accord brings this internal battle to an end This is not a book about the

atrocities committed during war This is a book about the very nature of the Will Memory Will cycle where the Memory of war continues for generations until a new war requires the resurrection of the Will As these essays show sometimes it only takes a few individuals to prosecute these Memory wars with rules of engagement that do not necessarily include civil behavior By focusing on microhistories from a specific region and by bracketing the US Civil War with an essay about a century prior to it and essays about the century following it we are able to demonstrate the power and energy of the incubating stage of Memory in the Will Memory Will cycle In the greater Ohio River Valley and Great Lakes region ordinary civilians controlled and incubated the memories of the Iroquois Wars the French and Indian Wars the American Revolution 1776 1783 and the War of 1812 and they converted Memory into the Will to fight the US Civil War and the Vietnam War In these chapters we present micro wars between civilians over control of the Will of a nation They are indeed lesser civil wars

**Inventing Equality** Michael Bellesiles, 2020-10-20 The evolution of the battle for true equality in America seen through the men ideas and politics behind the 13th 14th and 15th Amendments passed at the end of the Civil War On July 4 1852 Frederick Douglass stood in front of a crowd in Rochester New York and asked What to the slave is the Fourth of July The audience had invited him to speak on the day celebrating freedom and had expected him to offer a hopeful message about America instead he offered back to them their own hypocrisy How could the Constitution defend both freedom and slavery How could it celebrate liberty with one hand while withdrawing it with another There was a country which promoted and even celebrated inequality From the very beginning American history can be seen as a battle to reconcile the large gap between America's stated ideals and the reality of its republic Its struggle is not one of steady progress toward greater freedom and equality but rather for every step forward there is a step taken in a different direction In *Inventing Equality* Michael Bellesiles traces the evolution of the battle for true equality the stories of those fighting forward to expand the working definition of what it means to be an American citizen from the Revolution through the late nineteenth century He identifies the systemic flaws in the Constitution and explores through the role of the Supreme Court and three Constitutional amendments the 13th 14th and 15th the ways in which equality and inequality waxed and waned over the decades

**The Changing American Family** Scott J South, Stewart Tolnay, 2019-06-26 In this book leading authorities on the family show how families parents and children have been affected by changing patterns of marriage and cohabitation Taking a long historical perspective some authors consider trends such as the decline of multigenerational families and group differences in the relationships between economic opportunity and the timing of marriage But the focus is predominantly on questions of current interest patterns of union formation differences between marriage and cohabitation contact between divorced fathers and their children the division of household labor and the transmission of attitudes and behavior across generations Intended for scholars and advanced students this book offers essential analysis of the changing dimensions of the American family

**What This Cruel War Was Over** Chandra Manning, 2008-03-11 Using letters diaries

and regimental newspapers to take us inside the minds of Civil War soldiers black and white Northern and Southern as they fought and marched across a divided country this unprecedented account is an essential contribution to our understanding of slavery and the Civil War The Philadelphia Inquirer In this unprecedented account Chandra Manning With stunning poise and narrative verve Manning explores how the Union and Confederate soldiers came to identify slavery as the central issue of the war and what that meant for a tumultuous nation This is a brilliant and eye opening debut and an invaluable addition to our understanding of the Civil War as it has never been rendered before      **Race to the Frontier** John Van Houten Dippel,2005 Table of contents available via the World Wide Web      **Civilizing Torture** W. Fitzhugh Brundage,2020-03-10 Pulitzer Prize Finalist Silver Gavel Award Finalist A sobering history of how American communities and institutions have relied on torture in various forms since before the United States was founded Los Angeles Times That Americans as a people and a nation state are violent is indisputable That we are also torturers domestically and internationally is not so well established The myth that we are not torturers will persist but Civilizing Torture will remain a powerful antidote in confronting it Lawrence Wilkerson former Chief of Staff to Secretary of State Colin Powell Remarkable A searing analysis of America s past that helps make sense of its bewildering present David Garland author of Peculiar Institution Most Americans believe that a civilized state does not torture but that belief has repeatedly been challenged in moments of crisis at home and abroad From the Indian wars to Vietnam from police interrogation to the War on Terror US institutions have proven far more amenable to torture than the nation s commitment to liberty would suggest Civilizing Torture traces the history of debates about the efficacy of torture and reveals a recurring struggle to decide what limits to impose on the power of the state At a time of escalating rhetoric aimed at cleansing the nation of the undeserving and an erosion of limits on military power the debate over torture remains critical and unresolved

### Private Civil War Popular Thought During The Sectional Conflict Introduction

In the digital age, access to information has become easier than ever before. The ability to download Private Civil War Popular Thought During The Sectional Conflict has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Private Civil War Popular Thought During The Sectional Conflict has opened up a world of possibilities. Downloading Private Civil War Popular Thought During The Sectional Conflict provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Private Civil War Popular Thought During The Sectional Conflict has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Private Civil War Popular Thought During The Sectional Conflict. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Private Civil War Popular Thought During The Sectional Conflict. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Private Civil War Popular Thought During The Sectional Conflict, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Private Civil War Popular Thought During The Sectional Conflict has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Private Civil War Popular Thought During The Sectional Conflict Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Private Civil War Popular Thought During The Sectional Conflict is one of the best book in our library for free trial. We provide copy of Private Civil War Popular Thought During The Sectional Conflict in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Private Civil War Popular Thought During The Sectional Conflict. Where to download Private Civil War Popular Thought During The Sectional Conflict online for free? Are you looking for Private Civil War Popular Thought During The Sectional Conflict PDF? This is definitely going to save you time and cash in something you should think about.
