methods were often equally brutal In a masterly book Roderick MacFarguhar and Michael Schoenhals explain why Mao launched the Cultural Revolution and show his Machiavellian role in masterminding it which Chinese publications conceal In often horrifying detail they document the Hobbesian state that ensued The movement veered out of control and terror paralyzed the country Power struggles raged among Lin Biao Zhou Enlai Deng Xiaoping and Jiang Qing Mao s wife and leader of the Gang of Four while Mao often played one against the other After Mao s death in reaction to the killing and the chaos Deng Xiaoping led China into a reform era in which capitalism flourishes and the party has lost its former authority In its invaluable critical analysis of Chairman Mao and its brilliant portrait of a culture in turmoil Mao s Last Revolution offers the most authoritative and compelling account to date of this seminal event in the history of China The Biography Book Daniel S.
