M. Ussher, 2024-03-01 First published in 1989 The Psychology of the Female Body examines the role of the female body in women s identity and experience She discusses how key events such as menarche menstruation pregnancy and the menopause affect women s lives and looks at the ways in which the female body and reproduction have been used to confine and control women She puts forward psychological evidence to refute many of the myths surrounding women s bodies highlighting how empirical evidence shows that contrary to what stereotypes suggest women are not victims of their biology This book will be of interest to students of psychology sociology gender studies and women s studies **Inside the**

**Expressive Culture of Chinese Women's Mosques** Maria Jaschok, 2024-11-06 This book presents a multi voice narrative of the history and significance of current contestations over the increasing prominence of expressive piety in Hui Muslim women s mosques in central China By drawing on a Song Book of chants collected from the tradition of women s mosques as context it reveals just how the increasing prominence of female voices has given rise to considerable misgivings among senior religious leaders over the potential destabilization of orthodox Islamic gendered practices Providing a historical introduction to the place and function of Islamic chants jingge and zansheng the book gives a conceptual framing of female silence sound and agency in local translations of Confucian and Islamic precepts and women s personal accounts of the role played by traditional and modern soundscapes in transmitting and celebrating Islamic knowledge and faith As a study of women s soundscapes and the significance of legitimacy ambiguities and implications of female sound this book will be of

considerable interest to students and scholars of Chinese society and culture gender studies cultural anthropology and Islam

**The Qur'ân** Koran. English,1900      *The Sacred Books of the East: The Qur'an, pt. II*,1880      *The Qur'ân*,1900

The Sacred Books of the East Friedrich Max Müller,1900      Feminism, Law, and Religion Marie Failing,Elizabeth Schiltz,Susan J. Stabile,2016-04-15

With contributions from some of the most prominent voices writing on gender law and religion today this book illuminates some of the conflicts at the intersection of feminism theology and law It examines a range of themes from the viewpoint of identifiable traditions such as Judaism Christianity Islam and Buddhism from a theoretical and practical perspective Among the themes discussed are the cross over between religious and secular values and assumptions in the search for a just jurisprudence for women the application of theological insights from religious traditions to legal issues at the core of feminist work feminist legal readings of scriptural texts on women s rights and the place that religious law has assigned to women in ecclesiastic life Feminists of faith face challenges from many sides patriarchal remnants in their own tradition dismissal of their faith commitments by secular feminists and balancing the conflicting loyalties of their lives The book will be essential reading for legal and religious academics and students working in the area of gender and law or law and religion

**Women in Classical Islamic Law** Susan Ann Spector,2010 Drawing on legal and ad th texts from the formative and classical periods of Islamic legal history this book offers an overview of the development of the questions prominent jurists asked and answered about women s issues All assumed a woman would marry and thus the book concentrates on women s family life The introduction establishes the historical framework within which the jurists worked A chapter on Qur n verses devoted to women s lives is followed by chapters on marriage and divorce which compare the views of jurists during the formative period The fourth chapter describes the evolution from the formative to the classical periods The fifth uses material from both periods to describe the array of legal opinion about other aspects of women s lives in and outside their homes Throughout jurists opinions are juxtaposed with relevant quotations from contemporaneous ad th collections

*Roman Women's Dress* Jan Radicke,2022-11-07 The book concerns female dress in Roman life and literature The main focus is on female Roman dress as it may have been worn in daily life in Rome and in a social environment influenced by Roman culture in the time from the beginnings of the Republic until the end of the 2nd century AD There is however a certain surplus as to its contents because many Latin texts also talk about mythical Greek dress and the largely fictional early Roman dress Altogether large parts of the history of Roman dress are only known to us through what scholars thought about it in Classical and Late Antiquity For this reason this book is not only about real female Roman dress but also about the ancient pseudo discourse on early female Roman dress which has been taken too seriously by modern scholarship This pseudo discourse has been mixed together with real facts to produce an ahistorical fabric It therefore appeared necessary to break with this old tradition and to take a completely new path The detailed analysis of many texts on female Roman dress is the basis of this new handbook meant for philologists historians and archaeologists

alike     **Framing Hijab in the European Mind** Ghufraan Khir-Allah, 2021-05-24 This book compares how British and Spanish media have covered the French ban on hijab wearing in public schools Using interdisciplinary approaches ranging from social psychology semiology cognitive linguistics and sociology it seeks to explain how the hijab is interpreted as a sign by the mainstream culture and hijab wearing Muslim sub culture Based on an analysis of 108 articles published in the national newspaper from each context this comparative study operates on two levels a micro level analysis of within culture variations between mainstream culture and the hijab wearing women and a macro level analysis of the cross cultural variation between the British context and the Spanish one The result is a profound insight into how each discourse reveals the different level of social integration of hijab wearing women in these two different contexts The Analysis methodology combines between Critical Discourse Analysis CDA Conceptual Metaphor Theory CMT and Cognitive Linguistics CL The book introduces a novel analysis methodology for social and linguistic sciences It is the Cognitive Critical Discourse Analysis methodology CCDA     **No Truth Without Beauty** Leena El-Ali, 2021-12-01 In this comprehensive open access book written for readers from any or no religious background Leena El Ali does something remarkable Never before has anyone taken on every last claim relating to Islam and women and countered it not just with Qur'anic evidence to the contrary but with easy to use tools available to all How can a woman's testimony be worth half of a man's How can men divorce their wives unilaterally by uttering three words And what's with the obsession with virgins in Paradise Find the chapter on any of the seventeen topics in this book and you will quickly learn a where the myth came from and b how to bust it The methodology pursued is simple First the Qur'an is given priority over all other literary or scriptural sources Second the meaning of its verses in the original Arabic is highlighted in contrast to English translations and or widespread misunderstanding or misinterpretation     **فتاوى المرأة - فتاوى الرجال - Fatwas of Muslim Women** Sayed Gad, 1985-01-01     Contemporary Debates in Islam NA NA, 2016-04-30 Also available in paperback as Modernist and Fundamentalist Debates in Islam During the second half of the nineteenth century a group of prominent Muslim theologians began to critically examine classical conceptions and methods of jurisprudence and devised a new approach to Islamic theology This new approach was nothing short of an outright rebellion against Islamic orthodoxy displaying an astonishing compatibility with nineteenth century Enlightenment era thought In the 20th century this modernist movement declined to be replaced by another cultural episode characterized by the growing power of Islamic fundamentalism This volume looks at these two very different approaches to Islam The editors have selected the most prominent Islamic thinkers of modernist and fundamentalist viewpoints diverse nationalities and from both the late decades of the nineteenth century and the early decades of the 20th century The writers discuss their own views with regard to such issues as philosophical and political perceptions of democracy the state the history of Islam women's rights personal lifestyle education and the West     Parent-Child Relations: A Guide to Raising Children (Revised Edition) Hisham Altalib , AbdulHamid Ahmad AbuSulayman , Omar Hisham Altalib , 2024-03-11 Modern families face

*Women's Movements and the Filipina* ROCES, MARIA NATIVIDAD, 2012-02-29 This book is about a fundamental aspect of the feminist project in the Philippines rethinking the Filipino woman It focuses on how contemporary women s organizations have represented and refashioned the Filipina in their campaigns to improve women s status by locating her in history society and politics imagining her past present and future representing her in advocacy and identifying strategies to transform her The drive to alter the situation of women included a political aspect lobbying and changing legislation and a cultural one modifying social attitudes and women s own assessments of themselves In this work Mina Roces examines the cultural side of the feminist agenda how activists have critiqued Filipino womanhood and engaged in fashioning an alternative woman How did activists theorize the Filipina and how did they use this analysis to lobby for pro women s legislation or alter social attitudes What sort of Filipina role models did women s organizations propose and how were these new ideas disseminated to the general public What cultural strategies did activists deploy in order to gain a mass following Analyzing data from over seventy five interviews with feminist activists radio and television shows romance novels periodicals and books published by women s organizations and feminist nuns comics newsletters and personal papers Roces shows how representations of the Filipino woman have been central to debates about women s empowerment She explores the transnational character of women s activism and offers a seminal study on the important contributions of feminist Catholic nuns *Women s Movements and the Filipina* provides an original and passionate account of the contemporary feminist movement in the Philippines bringing to light how women s organizations have initiated change in cultural attitudes and had a significant impact on contemporary Philippine society

*Being Single in India* Sarah Lamb, 2022-06-07 Today the majority of the world s population lives in a country with falling marriage rates a phenomenon with profound impacts on women gender and sexuality In this exceptionally crafted ethnography Sarah Lamb probes the gendered trend of single women in India

examining what makes living outside of marriage for women increasingly possible and yet incredibly challenging Featuring the stories of never married women as young as 35 and as old as 92 this book offers a remarkable portrait of a way of life experienced by women across class and caste divides For women in India complex social cultural and political economic contexts are foundational to their lives and decisions and remaining unmarried is often an unintended consequence of other pressing life priorities Arguing that never married women are able to illuminate their society s broader social cultural values Lamb offers a new and startling look at prevailing systems in India today This pathbreaking book offers a vital analysis of the rising but unrecognized category of single women in a marriage minded society such as India Through beautifully rendered and diverse stories Sarah Lamb challenges conventional wisdom

MARCIA C INHORN William K Lanman Jr Professor of Anthropology and International Affairs Yale University For fans of Lamb s evocative narratives on Bengali widows her new book provides another rich look at the negative space of marriage the rare demographic of single women in Bengal across class and caste

SRIMATI BASU author of *The Trouble with Marriage* Feminists Confront Law and Violence in India This lively ethnographic account makes several key contributions to feminist anthropological appraisals of marriage as an institution Lamb renders a compelling detailed and sensitive portrait of compulsory heterosexuality and patriliney as seen from the margins

LUCINDA RAMBERG Associate Professor of Anthropology and Feminist Gender and Sexuality Studies Cornell University

*A Feminist Companion to Shakespeare* Dymphna Callaghan, 2016-03-15 The question is not whether Shakespeare studies needs feminism but whether feminism needs Shakespeare This is the explicitly political approach taken in the dynamic and newly updated edition of *A Feminist Companion to Shakespeare* Provides the definitive feminist statement on Shakespeare for the 21st century Updates address some of the newest theatrical and creative engagements with Shakespeare offering fresh insights into Shakespeare s plays and poems and gender dynamics in early modern England Contributors come from across the feminist generations and from various stages in their careers to address what is new in the field in terms of historical and textual discovery Explores issues vital to feminist inquiry including race sexuality the body queer politics social economies religion and capitalism In addition to highlighting changes it draws attention to the strong continuities of scholarship in this field over the course of the history of feminist criticism of Shakespeare The previous edition was a recipient of a Choice Outstanding Academic Title award this second edition maintains its coverage and range and brings the scholarship right up to the present day
