

Business Plan - Glenville Garden Services - 2008/2009

© 2008, Ennis & Co. Business Consultants, Wexford, Ireland

1. The Promoter

The business promoter is Jim Fitzpatrick, and I have extensive and detailed experience in the horticultural garden sector spanning 15 years. I will own, manage, and work full-time in the business.

I am currently employed as operations manager in Expert Landscaping & Gardening, a leading horticultural services company in Wexford. In this job I am responsible for customer relations, the day-to-day management of contracts, and outdoor staff. I have held this position for the past 6 years and prior to that worked for Smyth's nursery in Bray Co. Wicklow.

I hold diplomas in horticulture specialising in soil development and plant propagation.

I recently completed Wexford County Enterprise Board's Start Your Own Business Programme, delivered by *Tony Ennis, of Ennis & Co. Business Consultants, Wexford.*

I am **totally committed** to developing Glenville Garden Services into the no.1 garden development and maintenance company in Co. Wexford.

I have wanted to run my own business for a number of years and believe I now have the necessary experience and expertise to make that objective a reality. I will make my new business a success.

2. Business Project Overview

Glenville Garden Services is a start-up business located on the outskirts of Wexford town. It will be a sole trader business, and the start-up commencement date is March 2008. Detailed targeted marketing of the company's services will commence 8 weeks prior to that.

The company will provide an expert garden design - development - landscaping service, and maintenance service to individual and corporate clients in a geographical area encompassing Co. Wexford, and adjoining areas of Co.'s Waterford, Carlow, Kilkenny, and Wicklow (within 1 hours drive time of base).

The company will have a peak trading period between March and October (8 months), and a shoulder period November - February. It should be pointed out that during the shoulder period project work continues and reduced client maintenance work takes place.
