Quickly Aging Here Some Poets Of The 1970s:

Quickly Aging Here ,1969 **Quickly Aging Here** Geof Hewitt,1969 *Holding Patterns* Daniel

McGuinness,2001-03-22 *Holding Patterns* provides a sympathetic criticism of poems one that avoids the appliance of criticism and that self consciously persists in close readings of texts as the directing force of its argument Presently contemporary literary criticism and contemporary poetry in America seem at cross purposes Indeed current literary critics seldom address the poems of their contemporaries While structuralists and other schools of critics seek terms generalizations and whole systems to account for and to understand poems poets themselves repeatedly assert that each poem has its own poetic and that no system applies to their writing This book reads poems by contemporary poets such as Jorie Graham Charles Wright Denis Johnson and Amy Clampitt not to illuminate a theory but to shed light on the poem Unity in Diversity Revisited? Barbara Korte,Klaus Peter Müller,1998 Flagrant, Self-Destructive Gestures Ted Geltner,2025 Description Denis Johnson was at a low point He caught malaria on a reporting trip into the jungles of the Philippines and was nearly pronounced dead The disease left him unable to write His second wife left him He didn t have enough money to pay his taxes His publisher was waiting for a book that he hadn t started But in the life of Denis Johnson when things were at their bleakest something good was usually waiting around the next corner This time what was waiting was *Jesus Son* When that book hit the shelves of bookstores in 1992 Johnson finally unveiled to the reading public the stories from his life of two decades prior when he had floated on the fringes of society flirting with a life of crime and succumbing to his addictions The stories from those years would become the bones of his masterpiece *Jesus Son* would tap into the zeitgeist of the 1990s and become a bible for Generation X and an American classic It s hero known only as Fuckhead would become the Holden Caulfield of the late 20th Century And Johnson would reach the greatest heights of American literature *Flagrant Self Destructive Gestures* tells the complete story of Johnson s fascinating life his battles with addiction his thrill seeking trips into the war zones as a magazine correspondent his live it before you write it style of fiction It follows the arc of his tremendous body of work as a novelist journalist poet and playwright and in the process recovers the true stories from the hazy myths that one of our most beloved yet enigmatic writers left behind Provided by publisher **Harbingers of Books to Come** Dave Oliphant,2009-09 The first major autobiography by a Texas poet this noteworthy account traces the life and times of a poet publisher critic and teacher from his childhood to the present day This remarkable life is examined through the works it produced 25 books in the fields of poetry fiction translation jazz history and book reviewing Proving that the literary and intellectual life in Texas far surpasses the state s stereotypes this record shows how the poet was instrumental in connecting Texas with many Latin American writers as well as with a wide world of music **Silences** Tillie Olsen,2003 A landmark survey of disenfranchised literary voices and the forces that seek to silence them from the influential activist and author of *Tell Me a Riddle* With this groundbreaking work Olsen revolutionized the study of literature by shedding critical light on the writings of marginalized

women and working class people From the excavated testimony of authors letters and diaries Olsen shows us the many ways the creative spirit especially in those disadvantaged by gender class or race has been suppressed through the years Olsen recounts the torments of Herman Melville the shame that brought Willa Cather to a dead halt and the struggles of Olsen s personal heroine Virginia Woolf the greatest exemplar of a writer who confronted the forces that worked to silence her First published in 1978 *Silences* expanded the literary canon and the ways readers engage with literature This 25th anniversary edition includes Olsen s classic reading lists of forgotten authors and a new introduction Bracing and prescient *Silences* remains of primary importance to those who want to understand how art is generated or subverted and to those trying to create it themselves Margaret Atwood *The New York Times Book Review* A valuable book an angry book a call to action Maxine Hong Kingston *Silences* helped me to keep my sanity many a day Gloria Naylor author of *Mama Day* *Silences* is the Bible I constantly return to it Sandra Cisneros author of *The House on Mango Street* *Silences* will like *A Room of One s Own* be quoted where there is talk of the circumstances in which literature is possible Adrienne Rich author of *Diving into the Wreck* *Language and Literature in Hawaii* ,1968 **Today You are My Favorite Poet** Geof Hewitt,1998 *Today You Are My Favorite Poet* is a refreshing look at the art of poetry writing It is also a vigorous exploration of a variety of approaches involving form style content and attitude Hewitt offers proven strategies for writing and revision provides definitions of a variety of poetic forms suggests more than thirty writing exercises outlines a thirty week poetry curriculum and best of all provides numerous models most of them written by teenagers all thoughtfully selected to instill confidence in both teacher and student *Contemporary Authors* CONTEMPORARY.,1981 **The Teachers & Writers Handbook of Poetic Forms** Ron Padgett,2000 A reference guide to various forms of poetry with entries arranged in alphabetical order Each entry defines the form and gives its history examples and suggestions for usage *Library of Congress Catalogs* Library of Congress,1976 **White Trash** Robert Waters Grey,Nancy Stone,1976 **Poetry** ,1971 **Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island** Brown University.
