

THE QUOTABLE BOB DOLE

WITTY, WISE AND OTHERWISE

JON MARGOLIS

Quotable Bob Dole

Thomas E. Cronin, Michael A. Genovese

Quotable Bob Dole:

The Quotable Bob Dole Jon Margolis, Robert J. Dole, 1996 Gathers selected quotations from Senator Dole's speeches and public statements about his career, women, marriage, politics, the Republican Party, his presidential campaign, and political issues

The Quotable Hitchens Windsor Mann, 2011-05-10 Includes never before collected quotes from the controversial best-selling author on hundreds of subjects from atheism and alcoholism to Iraq and George Orwell

The Quotable George W. Bush Bill Adler, 2011-05-13 I want you to tell your children that when they hear all the talk and all the speculation and all the thousands of hours of so-called experts babbling away about this or the other that the true policy of this government is to achieve peace for generations to come. And we can show the world the true face of America as well. Oh, it's a diverse face, no question about it, which is our strength, not our weakness. But it's a face that can be bound by common goals and common values. It's a face that can stand squarely in the face of evil by the collective acts of people doing good in America. You've read the Bushisms, but here is another portrait of the man and the politician. Long before then Governor of Texas George W. Bush ran for the presidency, he was acknowledged by the media as someone who could be counted on to provide memorable quotes seemingly without much effort. Instead of focusing on the malapropisms and verbal stumblings for which this Bush is most infamous, The Quotable George W. Bush offers illuminating insights into the ideals, political and social philosophy, and leadership agenda of one of our most decisive, straightforward presidents. This book is the closest thing we have to a living memoir of the important years of President Bush's life, and it presents a true portrait of the man. The audience for The Quotable George W. Bush includes stalwart Republicans, conservatives, and the voting majority that consistently gives the president high marks and supports his administration without question

The Quotable Douchebag, 2014-12-30 Did he really just say that? Douchebags have a gift for speaking the unspeakable. Vain, arrogant, brash, and clueless, they're the worst the male species has to offer, and now their most outlandish statements have been compiled into a single volume. The Quotable Douchebag features dozens of boneheaded and tasteless remarks from actors, musicians, athletes, and politicians, including David Hasselhoff: "There are many dying children out there whose last wish is to meet me." Gene Simmons: "I don't believe there's any difference between a monogamous and a polygamous relationship. Those are all just big words like gymnasium." Sean Hannity: "I'll tell you who should be tortured and killed at Guantanamo: every filthy Democrat in the U.S. Congress. And many, many more."

The Quotable Mom Kate Rowinski, 2004 Everyone has had a mother, and most of us would admit that these women have profoundly affected our lives. The Quotable Mom gathers together some of the wisest and most memorable words ever written or spoken about and by the women who gave birth to us. This well-rounded volume includes quotes from individuals as diverse as Mick Jagger, Ann Landers, Mother Teresa, and Beatrix Potter. This gem of a book makes the perfect gift for any mother or grandmother. It is a heartwarming and inspiring collection of humorous, profound, thoughtful, and compelling remarks and observations by and about mothers and their children. Publisher description
