the American Musical Theatres foremost collaboration The encyclopedia is 1 comprehensive describing the works the people involved in those works and many of their famous songs 2 up to date including the most recent revivals of their works and new recordings of their scores and 3 easy to use being alphabetically arranged with cross reference listings chronological lists lists of awards and recordings and bibliographic information for further reading *The Jazz Standards* Ted Gioia,2021 An essential comprehensive guide to some of the most important jazz compositions telling the story of more than 250 key jazz songs and providing a listening guide to more than 2000 recordings *Oscar's Favorite Actors* Roger Leslie,2017-07-07 Just as the Academy Awards have an impact upon stars and their careers their filmic achievements influence the Academy and contribute to the rich history of the Oscars Upset wins jarring losses and glaring oversights have helped define the careers of Hollywood icons while unknown actors have proven that timing sometimes beats notoriety or even talent With detailed discussion of their performances and Awards night results this book describes how 108 actors earned the Academy's favor and how 129 others were overlooked *Capsule Overviews of Favorite Albums* Martin Winfree,2025-02-12 The hundreds of albums that I salvaged from Hurricane Katrina are gradually being passed along to a friend and the paragraphs that I gave him along with the first 399 LPs provide the genesis for Capsule Overviews of Favorite Albums I have written the stories behind the albums and the recording artists along with commentary on particular songs and other works by the same recording artists My goal is to flesh out information on the greatest music ever recorded particularly for younger people who didn't grow up with these records While not comprehensive the sections in the book give a good overview of the rock music scene over the past half century or so along with musicians in other genres that appeal to me *Songs We Sing from Rodgers and Hammerstein* Richard Rodgers,1965 **Feel It Real!** Denise Coates,2010-06-22 Make the Law of Attraction Work for You Build your wealth Find your soul mate Create your ideal body Improve your health Achieve success The Law of Attraction has been embraced by millions as a powerful life changing tool Yet while many are familiar with the theory that thinking positive will attract positive elements into your life putting it into practice can be difficult to master Realizing this after years of working with clients as a personal coach Denise Coates developed fun practical exercises for applying the Law of Attraction Clients soon started to overcome their mental blocks and to experience the natural well being of the Universe These empowering enlightening exercises more than fifty in all embrace every area of life including wealth health career body image romantic relationships and inner peace Truly profoundly uplifting and bursting with positive energy **Feel It Real** will help you to put the Law of Attraction into practice and to achieve lasting life changing results **Movie Favorites (Songbook)** Fred Kern,2006-05-01 Educational Piano Library Great movies have great music scores and this collection includes many classic favorites as well as themes from recent films Forrest Gump Feather Theme Hakuna Matata My Favorite Things My Heart Will Go On The Phantom of the Opera Puttin on the Ritz Stand by Me What a Wonderful World *My Favorite Records* Daniel Braun,2019-04-11 There are hundreds of records that I have loved over the course of my life

Some of these records have faded into the depths of my subconscious Fortunately most of them have stayed with me year after year remaining fresh in my memory alive in my heart I compiled my first Favorites List in 1983 and it contained about 600 recordings Most of the records on the original list are still there today My current list consists of about 900 recordings And the list is still growing as I continue to be introduced to more music You may be familiar with Rolling Stone s 2004 cover story The 500 Greatest Songs of All Time This is certainly a comprehensive compendium on the subject so why should I bother writing this book Because I m taking a different approach a personal approach There s a difference between the greatest songs as determined by professional music critics and someone s favorite records I m not a music critic or a musicologist I m just a guy who loves good music Nonetheless I believe my opinions have value because of the strong connection I have with each record The primary purpose of this book is to draw us together using our favorite music as the catalyst In the process of getting to know someone a commonly asked question is What kind of music do you like His or her answer usually reveals something about their personality Not only will you learn what my favorite records are you will learn about me why I like these songs and how I came to discover them I m hoping to create conversations not only between you and I but between all American music lovers Thousands upon thousands of songs have been recorded over the past 60 years I ve been an avid listener for most of my life but there are still a lot of hidden treasures out there I d love to find I m hoping you by sharing your favorites with me will help me to find them I m also hoping that I will inspire you to listen to some of my favorites There is a treasure trove of great music out waiting to be enjoyed
