winning success as a producer in advertising commercials in the 1960s and the setting up of his own company Unlike some directors he derived from this experience a sure sense of the commercial aspects of filmmaking as well as its aesthetic considerations The volume also considers stories of his early education in a Catholic seminary which he drew on in his semiautobiographical film *The Devil's Playground* the success of which launched him as an exciting new feature director The volume expands on Schepisi's success story to chart his development as a director in demand in other countries notably in the US and the UK as well as continuing to make major films in Australia Brian McFarlane argues that Schepisi's career is symptomatic of Australian directors who have made their presences felt on the international stage Whereas other key directors of the Australian film revival such as Peter Weir and Bruce Beresford have been the subject of book length critical studies Schepisi's career has not to date been so explored McFarlane takes a critical account of Schepisi's film output including such standouts as *The Chant of Jimmie Blacksmith* *Plenty* *Roxanne* *Six Degrees of Separation* *Mr Baseball* and *Last Orders* and he augments analysis with interviews with the director By discussing the production histories and both critical and popular receptions McFarlane's study shines a new light on Schepisi's work and his rise to prominence in the global film industry
